2013 PATHFINDER®

Nissan. Innovation that excites.™ NISSAN PATHFINDER®

Shouldn't you drive something you love? Absolutely. And that's what inspires our innovation. We look at every part of your drive and ask how can we make this better, smarter and more fun. So when you get in your new Pathfinder, you'll feel how exciting the answers can be:

Ready for tough terrain. With intuitive 4WD, Pathfinder gives you the capability you need with class-exclusive choice of 2WD, Auto and 4WD Lock modes.¹

3 rows of flexibility. With the EZ Flex™ Seating System's LATCH AND GLIDE™ technology, the right side of the 2nd row glides and tilts forward for 3rd row access, even with a child seat safely strapped in.²

Parking made simple. With Pathfinder's available class-exclusive Around View® Monitor, you get a virtual 360° bird's-eye view to help snag that space.³

Efficiency expert. Pathfinder is as fuel-efficient as it is capable, with best-in-class fuel economy in city (20 MPG), combined (22 MPG) and highway (26 MPG).⁴

THE ALL-NEW 2013 PATHFINDER

INTRODUCING THE MOST INNOVATIVE PATHFINDER EVER.

Over 25 years of legendary capability meets a brand-new generation of SUV. From climbing hills to climbing in, Pathfinder redefines it all. With an intuitive 4-Wheel Drive System that's more adaptable than ever. A revolutionary CVT transmission for seamless power and a best-in-class 26 MPG on the highway.^{1,2} The highest standard towing rating in its class.^{1,3} A third row that's spacious and surprisingly easy to get into. And once the trail is behind you, an available class-exclusive Around View[®] Monitor that helps you grab a parking space right out front.^{1,4} Welcome to the Next Gen SUV.

Nissan. Innovation that excites.[™]

¹Ward's Large Cross/Utility segment. ²'13 Pathfinder vs. '12 and '13 competitors. ³EPA fuel economy estimate of 20 city and 26 highway MPG for MY13 Pathfinder 2WD. Actual mileage may vary with driving conditions – use for comparison purposes only. ⁴See Nissan Towing Guide and Owner's Manual for proper use. ⁵Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up.

5-STAR ACCOMMODATIONS – BEFORE YOU EVEN GET TO THE LODGE.

The most comfortable Pathfinder ever beckons you with premium comforts, including standard Tri-Zone Automatic Temperature Control and available heated and cooled front seats, heated 2nd-row seats, even an available class-exclusive heated steering wheel.¹ With available navigation featuring Zagat Survey[®] restaurant recommendations and live weather updates, plus available dual memory seating system and a Bose[®] premium audio system, you've got luxury accommodations – without any reservations.^{2, 3, 4}

¹Ward's Large Cross/Utility Market Segmentation. MY13 Pathfinder vs. 2012 Large Cross/Utility Class. ²Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. ³Required SiriusXM Satellite Radio, NavTraffic and NavWeather subscriptions sold separately after trial period. Installation costs, one-time activation fee, other fees and taxes will apply. NavTraffic available in select markets. Services available only to those 18 or older in the 48 contiguous states and D.C. THE FEELING YOU HAVE A LOT
MORE WORLD TO SEE.

Nissan Pathfinder Platinum shown in Dark Slate with optional equipment.

Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the SUV with cargo, especially on the roof, will affect handling and stability of the vehicle.

Nissan Pathfinder Platinum shown in Almond Leather with optional equipment.

THE FEELING THAT EVERYONE CAN COME ALONG.

In the all-new Pathfinder, capability goes way beyond taking on rugged conditions, it's conquering the real world you face every day. That means more than just seating for seven. It means seating for seven with best-in-class passenger volume,¹ including a 2nd row that slides over five inches for stretch-out room and the only 3rd-row reclining seat in its class.^{1,2} Add in the convenience of features like Push Button Ignition, rear A/C and available Remote Engine Start System, and this is one time where one size fits all beautifully.³

Push Button Ignition

Rear A/C and heater with available 120-volt outlet

Remote Engine Start System³

¹Ward's Large Cross/Utility Market Segmentation. MY13 Pathfinder vs. 2012 Large Cross/Utility Class. ²Seats should not be in the reclined position when the vehicle is in motion. ³State laws may apply; review local laws before using.

UNDER-FLOOR CARGO SYSTEM

RECLINING
2ND AND 3RD ROW

SLIDING
2ND ROW

OPENING UP TO A WORLD OF POSSIBILITIES.

Cargo? Pathfinder makes easy work of it, with folding 2nd- and 3rd-row seats that create a virtually flat floor and up to 79.8 cubic feet of cargo space. There's also an under-floor storage area that keeps valuables out of sight. It's easily accessed even when the 3rd row is upright, for extra cargo space when you've got seven on board.

EZ Flex™ Seating System

What good is a spacious 3rd row if you can't get to it? With the innovative EZ Flex™ Seating System, the 2nd row glides and tilts forward for easy access. And once you're in the 3rd row, you'll find it's exceptionally comfortable, thanks to class-exclusive reclining seats.^{1,2,3}

LATCH AND GLIDE™ Technology

With Pathfinder's LATCH AND GLIDE™ technology, you can even tilt and slide the right side of the 2nd row with a child seat securely strapped in.¹

¹Slide forward function should not be performed with the CRS occupied. ²Ward's Large Cross/Utility Market Segmentation. MY13 Pathfinder vs. 2012 Large Cross/Utility Class. ³Seats should not be in the reclined position when the vehicle is in motion. Cargo and load capacity limited by weight and distribution. Always secure all cargo.

MAKING ROOM FOR UNFORGETTABLE MOMENTS.

The Less Rules, The Better
With Pathfinder, being spontaneous comes easily. Whether that means something as simple as bringing along an extra friend, or a last-minute invitation to a great getaway spot. With equal measures of flexibility, capability and comfort, you're ready.

Thoughtful From Top To Bottom
Pathfinder makes your next trip that much more enjoyable, thanks to easy loading from an available power liftgate that opens at the touch of a finger. And with an available large Dual Panorama Moonroof, everyone gets a great view of the sun, the sky and the stars. Nap time? At the push of a button, power sunshades create a cozier interior.

GETTING A GREAT VIEW WHEREVER YOU LOOK.

Tri-Zone Entertainment. If you've ever taken a trip with kids, you probably know it's hard to please everyone. But with Pathfinder's available Tri-Zone Entertainment System, you actually can.¹ The rear monitors can play individually, giving a choice of DVDs, video games, photos and more that you can control from the audio system's 8-inch VGA screen. And with those in back wearing wireless headphones, you can adjust the 13-speaker Bose® audio system to play only in front, letting you enjoy your own choice of entertainment in perfect harmony.

Advanced Navigation. So much more than just maps, Pathfinder's available touch-screen Nissan Navigation System gives you live traffic and weather updates to keep you in the know. Hungry? There's even *Zagat Survey*® restaurant recommendations.^{2,3}

iPod® Integration. Your music at your fingertips. Just plug in to Pathfinder's available USB input and control your iPod® through the audio system, including the remote controls mounted on the steering wheel. Rock on!⁴

Advanced Drive-Assist™ Display. From trip computer to 4WD torque distribution, the new Advanced Drive-Assist™ Display serves up info right in front of you – helping to minimize time looking away. Its intuitive 3-D depth and tilt design help you take it all in quicker.

¹Tri-Zone operation requires compatible auxiliary media system. See Owner's Manual for details. ²Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. ³Required SiriusXM Satellite Radio, NavTraffic and NavWeather subscriptions sold separately after trial period. Installation costs, one-time activation fee, other fees and taxes will apply. NavTraffic available in select markets. Services available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at siriusxm.com. ©2012 Sirius XM Radio Inc. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. ⁴Driving is serious business and requires your full attention. Do not operate any devices connected to the USB or auxiliary audio input jack while driving. Bose® is a registered trademark of The Bose Corporation. iPod is a registered trademark of Apple, Inc. All rights reserved. iPod not included. Zagat Survey® is a registered trademark of Zagat Survey, LLC Ltd.

CONFIDENCE AT YOUR FINGERTIPS.

Intuitive 4WD. With Pathfinder's All-Mode 4x4-i, you've got a system that's capable on-road and off. And it's the only vehicle in its class with selectable driving modes.¹ You can choose full-time 2WD for maximum efficiency. Auto Mode constantly monitors conditions and adjusts the balance of power between front and rear wheels for best traction. Challenging conditions? 4WD Lock Mode is your choice. And when your travels take you on steeper paths, hill start assist helps prevent rollback when starting and driving away on an incline.

Balance of Power. The Advanced Drive-Assist™ Display illustrates the Pathfinder dividing the power between the front and rear axles, helping to give you the available traction and control you need.

Nissan Pathfinder Platinum shown in Cayenne Red with optional equipment.

HERE'S TO SAVING GAS MONEY YOU CAN POUR INTO THE BOAT.

Efficiency, brought to you by the Next-Generation Xtronic CVT.[®] With Pathfinder's class-exclusive Xtronic CVT[®] transmission, you have a virtually gearless wonder. It can hold the engine at the ideal rpm for the job, giving you a wave of power when you need it and running low rpm for quiet, efficient cruising when you don't. Proof? Best-in-class fuel economy in city (20 MPG), combined (22 MPG) and highway (26 MPG).^{1,2}

Power, Courtesy of a 3.5-L V6 Engine. Seven on board, a big beautiful boat in tow. This is the stuff that tests what an SUV is made of. Pathfinder takes it on with 260 hp of 3.5-L V6 muscle and a CVT that knows the engine's sweet spot for the power you need, giving a standard 5,000 lbs. towing rating³ – the highest in its class.¹ For those who tow frequently, a Towing Package is also available (see Specifications).

26 MPG
HWY²
260 HP
240^{LB-FT} TORQUE
5,000^{LBS. MAXIMUM} TOWING³

¹Ward's Large Cross/Utility Market Segmentation. MY13 Pathfinder vs. 2012 Large Cross/Utility Class. ²EPA fuel economy estimate of 20 city and 26 highway MPG for MY13 Pathfinder 2WD. Actual mileage may vary with driving conditions – use for comparison purposes only. ³See Nissan Towing Guide and Owner's Manual for proper use. Cargo and load capacity limited by weight and distribution. Always secure all cargo.

4 CAMERAS

CREATE A 360° VIEW

THE FEELING YOU CAN NAIL ANY SPACE.

A rearview camera is great when you're maneuvering into a tight space. Now, with Pathfinder's available class-exclusive Around View® Monitor – a Nissan innovation – you have not one but four wide-angle cameras as your helpful spotters. So quit circling the block – that space is yours!^{1,2}

Bird's-eye View. The system works by converting the view from each of four wide-angle cameras (in the front and rear and in the side mirrors) into a virtual composite overhead view of your Pathfinder. Now you can see your vehicle's position in relation to its surroundings on all sides, helping you avoid not only the car behind or in front, but helping to save your wheels from nasty curb scuffs.¹

Four Split-screen Choices. When your Pathfinder is in "Reverse," the system automatically shows the rear view/bird's-eye combo (A). Press the "Camera" button and bird's-eye view changes to the right curbside view. Likewise, in "Drive," up to speeds of about 5 mph, you get a look at what's in front – and you can use the "Camera" button to select either right curbside (B) or bird's-eye view (C).

¹Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. ²Ward's Large Cross/Utility Market Segmentation. MY13 Pathfinder versus 2012 Large Cross/Utility Class.

BECAUSE YOU CAN NEVER BE TOO PREPARED.

Pathfinder comes with advanced safety features like Vehicle Dynamic Control that are ready to help you avoid an accident and keep the adventure going.¹ Also helping to protect you are Zone Body construction submitted to rigorous crash testing and over 50 standard safety features, including six air bags. All poised to respond in case of an unavoidable event.²

A. Vehicle Dynamic Control (VDC). A slick spot in a corner can suddenly have you going in a direction you didn't want. VDC, also known as stability control, monitors your steering and braking to help you maintain your steered path under certain conditions by reducing engine output and/or applying brake pressure to specific wheels.¹

B. Traction Control System (TCS). Pathfinder's power is wasted if all it does is spin the tires, so when the standard Traction Control System senses drive-wheel spin, it responds by reducing throttle or applying brake pressure to help maintain traction.

C. Anti-lock Braking System (ABS). The standard ABS pumps the brakes faster than you possibly can in panic-braking situations to help prevent wheel lockup, so you can continue to steer around obstacles while braking heavily.

D. EBD. Electronic Brake force Distribution (EBD) is designed to send extra force to the rear brakes when there's additional weight in the back.

Brake Assist. If you need to slam on the brakes, Brake Assist detects how hard you're braking, and if it senses you are in an emergency, it will automatically help to apply maximum braking force.

Brake Override Technology. Like every Nissan since 2005, Pathfinder comes standard with Brake Override Technology. Designed to help slow down your vehicle and bring it to a safe stop in an emergency, it works by overriding accelerator input and reducing engine power when the accelerator and brake are applied simultaneously.

E. Tire Pressure Monitoring System with individual tire pressure display. When your tire pressure is low, an icon illuminates on your dash to let you know. On certain models, the individual tire pressure display will indicate which tire is low on the Advanced Drive-Assist™ Display.³

F. Class-Exclusive Easy-Fill Tire Alert. When filling your tires, the class-exclusive Easy-Fill Tire Alert gives you a friendly beep of the horn when you've reached the right pressure.^{4,5}

Nissan Advanced Air Bag System. Dual-stage supplemental front air bags adjust their inflation rate, depending on the severity of impact and seat belt usage. If your front passenger seat is empty, an occupant-classification sensor deactivates that air bag. Standard front seat-mounted side impact supplemental air bags are built into the seats, so they move with you as you adjust your seat. Above, standard roof-mounted curtain side impact supplemental air bags (with rollover sensor) provide enhanced head protection for front and rear outboard seat occupants.²

Snug Kids®. Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissan vehicles. The result: An industry first, The Snug Kids® Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers invaluable tips on correct installation. Check out this video and look for the latest Fit Guide at NissanUSA.com/SnugKids.

Scan this with your QR code-reader app to see a short video on Snug Kids. Or go to bit.ly/NissanSnugKids

¹VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely. ²Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents. See your Owner's Manual for more details. Inflated air bags shown for illustration purposes only; actual coverage area may differ. Air bags deflate after deployment. ³Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. ⁴Ward's Large Cross/Utility Market Segmentation. MY13 Pathfinder vs. 2012 Large Cross/Utility Class. ⁵Vehicle must be on for Easy-Fill Tire Alert to operate.

TAKE READY TO THE NEXT LEVEL.

GENUINE NISSAN ACCESSORIES. IMPRESS. CONNECT. PROTECT. ORGANIZE.

Every Genuine Nissan Accessory is: custom-fit, custom-designed and durability-tested; backed by Nissan's 3-year/36,000-mile limited warranty; and can be financed when installed by dealer at time of purchase.¹

A. Auto-dimming Rearview Mirror with HomeLink® and Compass
Brights on behind you? Here's the answer.

B. Under-floor Storage Dividers²
A place for everything and everything in its place.

C. All-season Floor Mats (4-piece set)
Happiness is carpet that looks brand new.

D. Fog Lights
Help you see and be seen.

E. Illuminated Kick Plates
For a grand entry, every time.

F. Remote Engine Start System³
Heat or cool your Pathfinder before you get in.

G. Roof Rail Crossbars⁴
Great for bringing along your skis or bike.

H. Splash Guards
Unexpected mud bath? No problem.

Additional Accessories:

- Cargo Area Protector
- Rear Cargo Cover
- Cargo Net
- Interior Accent Lighting
- Towing Accessories⁵
- Dual Head Restraint DVD Monitors
- Hatch Tent
- Stainless Steel Rear Bumper Protector
- And More

¹Covered by Nissan's Limited Warranty on Genuine Nissan Accessories for the longer of 12 months/12,000 miles or the remaining period under the 3-year/36,000-mile (whichever comes earlier) Nissan New Vehicle Limited Warranty. Terms and conditions apply. See Warranty Information Booklet for details.
²Cargo and load capacity limited by weight and distribution. Always secure all cargo. ³State laws may apply; review local laws before using. ⁴Heavy loading of the SUV with cargo, especially on the roof, will affect handling and stability of the vehicle. ⁵See Nissan Towing Guide and Owner's Manual for proper use. Buying and owning a Nissan is like driving one: quick, convenient, confidence-inspiring.

Nissan Motor Acceptance Corporation. Whether you're buying or leasing, you'll find attractive rates and flexible terms to make your purchase more accessible.

New Vehicle Limited Warranties. Protection for your new Nissan includes 3-year/36,000-mile basic coverage and 5-year/60,000-mile powertrain coverage. Terms, conditions and exclusions apply. See Warranty Information Booklet for complete details.

Security+Plus.[®] For additional peace of mind, a variety of extended service plans lets you tailor the coverage to your driving habits.

Maintenance+Plus.[®] This extended plan ensures your Nissan will receive up to 17 different services and over 33 different inspection items at each visit, using the most up-to-date diagnostic equipment available.

Genuine Nissan Parts. When it comes time for service, any necessary replacement parts will be made using Genuine Nissan new or remanufactured parts, or Nissan-approved parts. And they're the only parts to carry Nissan's factory-backed limited warranty.

Nissan's philosophy toward the environment, "Seeking a symbiosis of people, vehicles and nature," describes our ideal for a sustainable mobile society, now and in the future. We launched the Nissan Green Program with specific objectives to realize this goal, and we are pursuing it energetically. For more information, log on to NissanUSA.com/green

At NissanUSA.com, you'll find virtual product demonstrations, a way to "build your own Nissan," a dealer locator, and more information about key Nissan support services. Or if you'd prefer, call **1-800-NISSAN-3** for answers to specific questions about Pathfinder or any other Nissan vehicle. The Nissan names, logos, product names, feature names, and slogans are trademarks owned by or licensed to Nissan Motor Co. Ltd. and/or its North American subsidiaries. **Always wear your seat belt, and please don't drink and drive.** ©2012 Nissan North America, Inc. '13 Pathfinder. 1313694-2 10/12 150M CGI
