

111 YEARS FORD WAS FOUNDED ON THE PREMISE THAT EVERYONE SHOULD BE ABLE TO AFFORD AN AUTOMOBILE. 64 YEARS AGO TOMMIE VAUGHN GOT INTO THE CAR BUSINESS TO HELP MAKE THAT PROMISE COME TRUE.

TODAY, TOMMIE VAUGHN FORD IS STILL COMMITTED TO THAT VISION!

TOMMIE VAUGHN FORD

When the going gets tough, the tough get going!" That's what Tommie Vaughn would say if he was here today. Tommie knew about tough times. At the age of eight, he had to work to help take care of his mother and little brother. He served in WWII and lived through the Depression. Tommie was a man of integrity and vision.

Today, his legacy lives on in one of the oldest family-owned dealerships in the area. His son-in-law Jim, daughter Jeanie and grandsons Kyle and Kirby are here to serve you with the same personal service Mr. Vaughn was known for.

Our success is due to our valuable employees. Employees like David Bagby, "Life gives you back what you put in it." is his motto. "By putting customers first in my business I have developed a constant flow of repeat and referral business". With a customer approval rating of 96.1%, we're happy to have him on our team at Tommie Vaughn Ford.

There's Don Stokey with 30 years in the Auto industry. Since 1988, Don has enjoyed his incredible journey at Tommie Vaughn Ford. He has assisted many business leaders, including President George H.W. Bush, he and his staff have purchased a number of vehicles from him.

Don feels it's a privilege to work for and serve his clients, like the third-generation customers he often

sees. They're like family to Don, and Don is like family to Tommie Vaughn Ford.
