

COMPANY PROFILE

OUR CORE VALUES

HUMBLY CONFIDENT:

We know there are always ways in which we can be better, which keeps us humble. And yet, we are confident—not out of ego or arrogance—but because we surround ourselves with a staff of the best professionals, offer financing products we believe in, and work hard to constantly improve ourselves and our teams.

PASSIONATELY DRIVEN:

We realize the world we live in and the business we operate are constantly changing, so we are never content with the status quo. We believe there is a better tomorrow and—if we help each other and work hard—we can and will get there together.

UNCOMPROMISING INTEGRITY:

We are uncompromising in our desire to do what's right—not just what's easy, cheap, or convenient. We never want to violate the trust that our teammates, our clients, and our communities place in us when they decide to join our team or do business with us.

SINCERE DESIRE TO HELP OTHERS:

Our mission is to make people's lives better. We're driven by a sincere desire to share our time and resources to help others as they pursue their goals & dreams or grapple with life's challenges.

OUR STORY

Quality Leasing Co., Inc. was founded in 1957 as a vehicle financing operation serving the greater Indianapolis area. In 1986, the company was acquired by the Tom Wood Group—significantly widening its funding capabilities.

Today, Quality is a multi-million dollar commercial equipment financing partner for SMBs across the U.S. With headquarters in Carmel, IN and seven satellite offices throughout the country, Quality Leasing funds all types of business equipment and serves myriad industries.

In 2019 Quality was ranked in the *Monitor 100*; in 2020 & 2021, Quality was named to the *Monitor's* Top Private Independent finance companies list. Quality boasts membership in NEFA, AACFB, ELFA, & NACLB; and we are proud to have 7 CLFPs on staff.
