CUSTOM TPO-VENDOR PROGRAMS

Are you working with a vendor selling a new product or an asset class not listed above? Contact your Quality Sales Rep to learn how Quality can create a custom financing program for you!

MILEAGE (NOT AGE) RESTRICTIONS

Quality does not have age restrictions on vehicles or equipment. However, we do have end-of-term (EOT) mileage limits for vehicles and require reasonable asset pricing across comparable units on all equipment.

VEHICLES:

- Reefer trailer cooler units
EOT limit: 25,000 hours
- OTR Class 8 trucks EOT limit: 1.1 million miles
note Exceptions made for rebuilt tractors with papers
- Heavy Duty Class 7 & 8 work trucks EOT limit: 750,000 miles
- Medium Duty work trucks EOT limit: 500,000 miles
- Light Duty commercial trucks & vans EOT limit: 150,000 miles

EQUIPMENT:

Equipment pricing must fall within current market range based on year, make, model, and hours to qualify.
