2015 Jeep Grand Cherokee Limited 4WD

As part of the Jeep family, Grand Cherokee is known for its off-road capability, but with its unibody construction and refined interior it seems to focus more on suburban comfort. However, 4Runner remains one of the last body-on-frame SUVs in the market, making for a legendary off-road experience. And with its rugged yet stylish exterior and standard upscale amenities and technology, 4Runner is great for both the everyday driver and the off-road enthusiast. For 2015, the new TRD Pro model takes that off-road capability to the next level.

Competitor Highlights

- Available 3.0L EcoDiesel V6 and 5.7L HEMI® V8 engines
- Impressive towing capacity¹
- Available Blu-ray compatible rear seat dual screen video
- Available Adaptive Cruise Control with stop, blind spot and cross path detection, Forward Collision Warning with stop
- Available Quadra-Lift® air suspension

4Runner Key Advantages & Accolades

VALUE: 4Runner comes standard with ToyotaCare's no-cost scheduled maintenance plan for two years or 25,000 miles, whichever comes first, and two years of roadside assistance. Though Grand Cherokee has longer roadside assistance, it doesn't come with any standard maintenance plan. Plus, KBB.com named 4Runner a 2014 Best Resale Value Top 10² winner based off their most recent ownership information while GC is not. 4Runner also has a lower 5-year cost of ownership according to IntelliChoice³

OFF-ROAD CAPABILITY: Grand Cherokee Limited models and above have a Quadra-Trac II® four-wheel drive system with Selec-Terrain®, but thanks to 4Runner's body-on-frame construction and Limited's X-REAS sport enhancement suspension, 4Runner is rugged and sporty. Also, 4Runner has a higher ground clearance with higher approach and departure angles, helping make for a solid off-road experience

CONVENIENCE: While 4Runner has a tow hitch and receiver standard, Grand Cherokee only has it as an extra cost option. Plus, 4Runner offers more than 20 cu. ft. of cargo space⁴ than GC. 4Runner also offers an available third row for seating up to seven passengers while GC doesn't offer a third row

TECHNOLOGY: 4Runner Limited features standard Entune™ Premium JBL® Audio with Navigation and App Suite, which includes a 6.1-in. touch-screen, 12 speakers, integrated apps and data services and navigation. Grand Cherokee Limited only has standard 5-in. touch-screen, 6 speakers, available navigation and no apps are available on GC Limited

SAFETY: 4Runner comes with eight standard airbags, including driver and front passenger knee airbags while Grand Cherokee has seven. Also, 4Runner Limited features Safety Connect® with a 1-year trial period including emergency assistance, stolen vehicle locator, roadside assistance and automatic collision notification whereas GC has an enhanced accident response system, which turns on interior lighting, unlocks doors and shuts off fuel when airbags deploy during an event or accident

1. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment. Calculated with the new SAE J2807 method. 2. Vehicle's projected resale value is specific to the 2014 model year. For more information, visit Kelley Blue Book's KBB.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc. 3. 2014 IntelliChoice, www.IntelliChoice.com; based on 2014 model year study. 4. Cargo and load capacity limited by weight and distribution. 5. 2014 IntelliChoice, www.IntelliChoice.com; Mid-Size SUV. Based on 2014 model year study. 6. MSRP excludes the Delivery, Processing and Handling Fee of \$825 for cars, \$885 for Small/Medium Trucks (Sienna, RAV4, Highlander Gas, Highlander Hybrid, FJ Cruiser, 4Runner and Tacoma), \$925 for Large SUVs (Sequoia, Land Cruiser) and \$1100 for Large Trucks (Tundra). Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Toyota's charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota's overall pricing structure. Toyota may make a profit on the Delivery, Processing and Handling Fee. Excludes taxes, license, title and available or regionally required equipment. The Delivery, Processing and Handling Fee in AL, FL, GA, NC, SC, AR, LA, MS, OK and TX will be higher. Actual dealer price will vary. 7. Manufacturer's Suggested Retail Price (MSRP) excludes \$995 destination and handling charges, tax, title, license and options. Dealer sets actual price. 8. 2015 EPA-estimated mileage.
