

2015 Camry XSE V6 vs. 2015 Honda Accord EX-L V6

XSE 4-cyl. model shown

VS.

2015 Camry XSE V6

2015 Honda Accord EX-L V6

Close contenders in the midsize sedan segment, Camry and Accord offer a balance of passenger comfort and ride enjoyment at an excellent purchase value. While the 2015 Accord has some attractive qualities, like impressive fuel economy¹ thanks to direct-injection technology, the 2015 Camry sets the bar even higher, offering more value with modern amenities, comprehensive safety features and competitive performance.

Competitor Highlights

- Standard Forward Collision Warning, Lane Departure Warning on EX-L V6
- Available LED headlights and DRL
- Available HondaLink with Aha™ compatibility
- Direct injection (I4) and Variable Cylinder Management (V6) provide an impressive balance of power and fuel efficiency
- Available LaneWatch and multi-angle rearview camera²

Camry Key Advantages & Accolades

PERFORMANCE: Camry XSE V6 features impressive performance qualities not found on Accord EX-L V6, including sport-tuned suspension, larger front disc brakes and a tighter turning circle, as well as standard paddle shifters and sequential shift mode for an even more fun-to-drive experience

STYLING: Camry XSE V6's aggressive exterior styling features LED Low and Hi beam headlights and a sport mesh front grille, features not found on Accord EX-L V6

TECHNOLOGY: While Accord EX-L V6 features standard Forward Collision Warning (FCW), Camry XSE V6's available Technology Package offers Pre-Collision System (PCS)³ with warning and braking functions, and much more

CONNECTIVITY: Camry XSE V6's standard in-cabin audio tech manages to offer customers a number of exciting features not found on Accord EX-L V6, plus, XSE V6 comes with standard navigation

SAFETY: Camry comes standard with 10 airbags⁴ and can be equipped with a Blind Spot Monitor (BSM)⁵ with Rear Cross-Traffic Alert (RCTA)⁶, features not found on Accord

VALUE: Camry comes with ToyotaCare⁷, including a no-cost factory-scheduled maintenance plan for two years or 25,000 miles and roadside assistance for two years, unlimited miles

1. 2015 Camry XSE V6 preliminary mpg estimates determined by Toyota. EPA ratings not available at time of posting. 2014 EPA-estimated mileage for 2014 Accord EX-L V6. Actual mileage will vary. 2. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Cold weather will limit effectiveness and view may become cloudy. 3. Advanced Pre-Collision is designed to help reduce the crash speed and damage in certain frontal collisions only. Driver Attention Monitor is designed to alert the driver if a potential hazard is detected ahead and the driver's face appears to be turned away. They are not collision avoidance systems and are not substitutes for safe and attentive driving. System effectiveness depends on many factors. See Owner's Manual for details. 4. All the airbag (AB) systems are Supplemental Restraint Systems. All ABs (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: frontal and knee ABs typically inflate in frontal collisions; side and side curtain ABs in side collisions; Roll-Sensing Curtain ABs at a severe tilt degree, roll or lateral G-force. In all other accidents, the ABs will not inflate. To decrease the risk of injury from an inflating AB, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an AB or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating AB may cause serious injury or death. See your Owner's Manual for further information/warnings. 5. Do not rely exclusively on the blind-spot monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection, range and clarity of the monitor. For a complete list of limitations and directions regarding use of the monitor, please see the Owner's Manual. 6. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection, range and clarity of the system. To learn more, see Owner's Manual. 7. Covers normal factory scheduled service for 2 years or 25K miles, whichever comes first. See Toyota dealer for details and exclusions. Valid only in the continental U.S. and Alaska. 8. 2014.5 are models built after December 2013. Insurance Institute for Highway Safety rating for 2014 Camry, vehicle class Midsize Moderately Priced Cars. For more details on 2014 Top Safety Pick and Top Safety Pick Plus Awards, see www.iihs.org. 9. Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.safercar.gov). 10. The Toyota Camry received the lowest number of problems per 100 vehicles among midsize cars in the proprietary J.D. Power 2014 Vehicle Dependability StudiesSM. Study based on 41,688 original owners of 2011 model year vehicles after three years of ownership about problems experienced in the past 12 months. Proprietary study results are based on experiences and perceptions of consumers surveyed October-December 2013. Your experiences may vary. Visit jdpower.com. 11. 2014 IntelliChoice, www.IntelliChoice.com; Passenger Car, 4-cyl. and hybrid models only. Based on 2014 model year study. 12. MSRP excludes delivery, processing and handling fees. Excludes taxes, title, license and available or regionally-required equipment. Dealer price will vary. 13. Cargo and load capacity limited by weight and distribution. 14. May not be compatible with all mobile phones, MP3/WMA players and like models. 15. HD Radio™ Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio™ and the HD, HD Radio and "Arc" logos are proprietary trademarks of iBiquity Digital Corp. 16. SiriusXM services require a subscription after 3-month trial period. Subscriptions governed by SiriusXM™ Customer Agreement available at SiriusXM.com. If you decide to continue your SiriusXM™ service at the end of your complimentary trial, the plan you choose will automatically renew and bill at then-current rates unless you call 1-866-635-2349 to cancel. Fees and programming subject to change. Available only to those at least 18 years of age in the 48 contiguous United States and D.C. 17. PANDORA®, the PANDORA® logo, and the Pandora trade dress are trademarks or registered trademarks of Pandora Media, Inc., used with permission. 18. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Toyota is under license. A compatible Bluetooth enabled phone must first be paired. Phone performance depends on software, coverage & carrier. 19. Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. 20. Adaptive Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. See your Owner's Manual for details. 21. Whiplash Injury Lessening front seats can help reduce the severity of whiplash injury in certain rear end collisions. 22. Lane Departure Alert is designed to read the lane markers under certain conditions, and provide visual and audible alerts when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors. See Owner's Manual for more information.
