

2019 RAV4

 Let's
Go
Places

Every day deserves more adventure.

Let's push your limits — in and out of the city. Introducing the all-new, awe-inspiring 2019 Toyota RAV4. A familiar name that's anything but the same. The radically new RAV4 breaks the mold once again by maximizing the blend of sport and utility with three distinct versions — the premium Limited, the rugged Adventure grade and the sporty XSE Hybrid. Whether your adventure involves getting familiar with what's in and around town or taking it beyond the pavement, there's a RAV4 that empowers your ambitions and redefines what you can do. It's time to live life to its fullest.

Left to right: **XSE Hybrid** shown in Silver Sky Metallic with Midnight Black Metallic roof with available Technology Package and available panoramic glass roof, **Limited AWD** shown in Ruby Flare Pearl⁴ and **Adventure grade** shown in Lunar Rock with Ice Edge roof⁴ with available Technology Package. Prototypes shown with options.

See numbered footnotes in Disclosures section.

Powered by efficiency.

Feel the freedom of the open road or secluded trail with power and intelligent efficiency. Choose between a Dynamic Force 2.5-liter inline four-cylinder engine that is mated to a Direct Shift 8-speed automatic Transmission or paired with Hybrid's dual electric motors and an Electronically Controlled Continuously Variable Transmission (ECVT)— both engineered to provide impressive acceleration and enhance fuel efficiency.

Limited shown in Magnetic Gray Metallic with available Advanced Technology Package and available panoramic glass roof, and **Adventure grade** shown in Lunar Rock with Ice Edge roof⁴ with available Technology Package and roof rack cross bars.⁷ Prototypes shown with options.

See numbered footnotes in Disclosures section.

PERFORMANCE

DYNAMIC TORQUE VECTORING AWD WITH REAR DRIVELINE DISCONNECT

Enjoy an upgrade in all-wheel-drive performance that is paired with impressive fuel efficiency. Available Dynamic Torque Vectoring All-Wheel Drive (TV-AWD) improves responsiveness and stability by sending up to 50 percent of the power to the rear and then further distributing more power to the wheel that needs it. To boost fuel efficiency, Rear Driveline Disconnect will stop sending power to the rear when it isn't necessary.

DRIVE MODES

Three distinct drive modes let you tailor RAV4's driving dynamics to match your mood. Sport Mode provides sharper acceleration, ECO Mode helps maximize fuel efficiency, and Normal Mode blends fuel economy with performance.

+
**SEE THE
POWER
OF HYBRID**

COMFORTABLE RIDE

RAV4's Toyota New Global Architecture (TNGA) platform refines the drive wherever you take it. A longer, wider stance makes the handling more responsive, while a stronger core gives you a ride that is smooth and confident. The platform also creates a naturally spacious interior with a better view of the road.

HYBRID MODELS

30 EST. MPG⁷⁰
GAS MODELS

ELECTRONIC ON-DEMAND ALL-WHEEL DRIVE

The power of an intelligent grip. RAV4 Hybrid's Electronic On-Demand All-Wheel Drive (AWD) provides all-weather capability and confident on-road driving dynamics. The system uses a dedicated electric drive motor to automatically supply power to the rear wheels for instant improvement in traction.

ELECTRONICALLY CONTROLLED CONTINUOUSLY VARIABLE TRANSMISSION

Find the sweet spot of fun. The remarkable technology of the Electronically Controlled Continuously Variable Transmission (ECVT) lets the engine stay at its most efficient rpm by using an electric motor generator to continuously change the gear ratio for smooth and powerful acceleration. Combined with RAV4 Hybrid's electric powertrain components, it creates the optimal way to get more power from less fuel.

Go farther. Go faster.
The all-new RAV4 Hybrid.

RAV4 Hybrid is the sportiest RAV4 yet, with a sleek look to match. Its Toyota Hybrid System II engine produces an ample 219 combined net horsepower for impressive acceleration all the way to highway speeds. So get ready to make the most of every mile and every trip — you might be surprised just how far it takes you.

SPORT-TUNED SUSPENSION

XSE Hybrid makes no compromise when it comes to enhanced power and acceleration. When paired with the sport-tuned suspension, the tauter shock absorbers and springs give it outstanding handling you can feel and that help take on every curve you encounter, paved or not.

See numbered footnotes in Disclosures section.

HYBRID PERFORMANCE

XSE Hybrid shown in Silver Sky Metallic with Midnight Black Metallic roof with available Technology Package and available panoramic glass roof, and **Limited Hybrid** shown in Ruby Flare Pearl⁴ with available Advanced Technology Package and available panoramic glass roof. Prototypes shown with options.

See numbered footnotes in Disclosures section.

CAPABILITY

TOWING⁶⁹

Bring along more of what matters. Standard RAV4 grades have the ability to tow up to 1500 lbs. RAV4 Hybrid takes it up a notch with a towing capability of up to 1750 lbs., and Adventure grade doubles that with an impressive 3500 lbs. of towing capacity.

Adventure grade shown in Lunar Rock with Ice Edge roof⁴ with available Technology Package and towing hitch receiver.⁶⁹ Prototype shown with options.

See numbered footnotes in Disclosures section.

More capable. More fun. More memories.

When it's time to get away, RAV4 is ready to help you take on any trip. Impressive off-road capabilities⁷² give you the confidence to go farther, and with up to 3500 lbs. of towing ability,⁶⁹ you can haul more of your gear. It's time to maximize your adventures for an experience you'll never forget.

MULTI-TERRAIN SELECT

Offering you more capability when the pavement ends, RAV4 now features standard Multi-terrain Select on All-Wheel Drive (AWD) gas models. Choose between four modes (MUD & SAND, ROCK & DIRT, SNOW and NORMAL) for improved traction. When activated, the system is designed to sense slippage and regulate wheelspin by automatically adjusting the engine throttle, brakes and drive-force distribution — helping to maximize driving performance on different surfaces.

MULTI-LINK REAR SUSPENSION

Enjoy a smooth ride that delivers driving confidence. RAV4's multi-link rear suspension improves handling and control by working with its natural body rigidity in order to keep traction steady.

GROUND CLEARANCE

Don't sweat the small stuff. RAV4's ground clearance lets you easily handle off-road trails and pathways.⁷² The ride height also gives you a more confident view of what's around you.

Roughing it never looked so good.

The all-new RAV4 continues to change the crossover game. Its powerful stance and longer wheelbase help give it a look that's aggressive off the road and sophisticated on the streets. Flared fenders and sharp creases also add to its tough exterior. RAV4 is more than just looks. Because of its capabilities, it can flex some muscle whenever it's needed.

Limited shown in Magnetic Gray Metallic with available Advanced Technology Package and available panoramic glass roof, and **Adventure grade** shown in Lunar Rock with Ice Edge roof⁴ with available Technology Package and roof rack cross bars.⁷ Prototypes shown with options.

See numbered footnotes in Disclosures section.

RAV4 STYLE

WHEEL DESIGNS

Good-looking from the ground up. RAV4's wheels are designed to complement every model's personality and style. From XLE's 17-in. 5-spoke silver alloy wheels to Limited's available 19-in. multi-spoke super chrome-finished alloy wheels, you'll look good wherever your trips take you.

ADVENTURE GRADE

Inspired by Toyota's off-road heritage, Adventure grade's distinctive, rugged exterior features an aggressive grille, larger overfenders, unique Adventure roof rails and 19-in. split 5-spoke alloy wheels. This tough look also echoes Toyota's off-road past with an available Ice Edge-colored roof.⁴ Inside, orange accents throughout the interior add the right amount of contrast to its sporty style.

REAR DESIGN

Leave a lasting impression. Underneath the rear bumper, the dual chrome exhaust tips show off a powerful look when seen from behind. A rear spoiler and modern LED taillights deliver a distinctive appearance and finish off the design.

See numbered footnotes in Disclosures section.

RAV4 HYBRID STYLE

Bold style for every mile.

The bold style of the all-new RAV4 Hybrid models delivers a look that matches the thrill of the drive. An available two-tone paint scheme gives it a look that's sophisticated off the road and polished on the streets. RAV4 XSE Hybrid's look is taken further with its exterior piano-black accents, while unique projector-beam LED headlights flank each side of the grille to help you see what's ahead.

XSE Hybrid shown in Silver Sky Metallic with Midnight Black Metallic roof with available Technology Package and available panoramic glass roof, and **Limited Hybrid** shown in Ruby Flare Pearl⁴ with available Advanced Technology Package and available panoramic glass roof. Prototypes shown with options.

See numbered footnotes in Disclosures section.

INTERIOR STYLE

Refined interior.

See and feel a new level of refinement that elevates the driving experience. An available panoramic glass roof opens up from an interior filled with premium materials and reveals the attention that goes into every detail.

Limited AWD interior shown in Black with available panoramic glass roof. Prototype shown with options.

THOUGHTFUL INTERIOR

Ready to impress, on- or off-road. Feel an elevated level of refinement every time you enter RAV4. Premium materials, like the available SofTex®-trimmed seats¹¹ and the comfort of an available 8-way power-adjustable driver's seat with memory function, put you in the center of it all.

Limited AWD interior shown in Black with available Weather Package and Entune™ 3.0²³ Premium Audio with Dynamic Navigation⁴⁰ and JBL® w/Clari-Fi.³⁹ Prototype shown with options.

See numbered footnotes in Disclosures section.

DIGITAL REARVIEW MIRROR

Get a clear view with the flip of a switch. RAV4 introduces Toyota's first camera-based digital rearview mirror. The available feature uses a camera mounted up high inside the rear window for a wider field of vision — letting you see more of what's behind you.

ENTUNE™ 3.0²³

Instantly upgrade your connectivity and infotainment with RAV4's new Entune™ 3.0 multimedia system. Wherever you go, you can always access the system using the available 8-in. touch-screen. Connect your smartphone through standard *Bluetooth*^{®12} to make phone calls or stream music.¹²

APPLE CARPLAY^{®27}

Bring along a familiar face. Now with RAV4's Apple CarPlay[®] compatibility, you can use your compatible iPhone^{®73} with the audio multimedia system to get directions, make calls, send messages, and listen to music, while staying focused on your commute.

JBL®⁶³ AUDIO SYSTEM

Enhance the soundtrack to every adventure with RAV4's available JBL® w/Clari-Fi®³⁹ audio system. The next-gen system uses 800 watts of total power to drive 11 speakers in nine locations, including front horn tweeters and a subwoofer. Clari-Fi® technology intelligently adjusts to every audio format, optimizing sound quality that turns every drive into an intimate concert.

USB PORTS²¹ AND Qi-COMPATIBLE WIRELESS CHARGING⁴⁴

Stay connected to fun. Plug your smartphone or mobile device into one of up to five USB ports to power up. You can also place your device on the available Qi-compatible wireless smartphone charging pad found conveniently in the tray below the climate controls.

8-IN. PREMIUM AUDIO TOUCH-SCREEN

Centrally located on the dash to help keep your eyes on the road, RAV4's available 8-in. multimedia touch-screen gives you access to its infotainment system. Intuitive pinch-and-zoom controls let you easily navigate through a variety of functions, while the available Wi-Fi Connect Powered by Verizon³⁰ gives you a hotspot in town and helps keep you connected beyond city limits.

HYBRID CONVENIENCE

Closer connection.

Grab hold of the thrill that only the immediate acceleration of RAV4 Hybrid can deliver. With an available 7-in. Multi-Information Display (MID) that keeps track of your power distribution, mpg and nearly every aspect of your trip, you can keep an eye on RAV4's vitals while staying focused on every turn.

HYBRID INTERIOR STYLE AND TECHNOLOGY

XSE Hybrid shown in Black/Blue SofTex^{®11} with available panoramic glass roof. Prototype shown with options.

RAV4 HYBRID INTERIOR DESIGN

RAV4 XSE Hybrid displays an energetic, modern vibe with its blue accents throughout the interior — including across the dashboard and on the seats. Inside, you'll feel like anything is possible. Fold down the 60/40 fold-flat rear seats to help you make it happen.

HYBRID DRIVE MODES

Make the most of RAV4 Hybrid's drive modes. ECO Mode increases fuel efficiency by reducing acceleration levels. EV Mode⁶⁶ pulls power from its battery, maximizing efficiency for short distances. Sport Mode gives you a boost in acceleration, while Trail Mode applies the brakes to individual wheels for sure-footed traction. Normal Mode utilizes the best of both worlds to keep you going.

See numbered footnotes in Disclosures section.

CONVENIENCE

Limited AWD shown in Magnetic Gray Metallic with available Advanced Technology Package and roof rack cross bars.¹ Cargo and load capacity limited by weight and distribution. Do not overload your vehicle. See Owner's Manual for weight limits and restrictions. Always properly secure cargo and cargo area. Vehicle shown with some accessories not available from Toyota. Prototype shown with options.

See numbered footnotes in Disclosures section.

Every trip begins with a welcome.

Powered to help you out. With the push of a button, the available power rear liftgate can open and close automatically. When your hands are full, the available hands-free power liftgate⁶ senses your Smart Key¹⁶ fob and opens automatically when you wave your foot under the rear bumper. Sit inside, and a convenient shelf between the upper and lower dash gives you the perfect spot to place smaller items. Getting ready for adventure is easier than ever.

SMART KEY SYSTEM¹⁶ WITH PUSH BUTTON START

No need to reach into your pocket or purse with RAV4's available Smart Key System. When RAV4 senses the Smart Key fob is near, you can lock and unlock the front doors and rear liftgate just by putting your hand on the door handle; or choose the available five-door Smart Key option to access all doors. Once inside, just press the Push Button Start and you're ready to go.

ACCESSORY POWER OUTLET

Power your gear wherever you go. All you have to do is access the rear cargo area and plug into RAV4's standard 12V/120W outlet to give you the charge you need to keep going. Adventure grade ups the power with an additional 120V/100W power outlet in the rear cargo area.⁶⁷

VENTILATED/HEATED FRONT SEATS AND HEATED REAR SEATS

Make every seat more comfortable. Available ventilated and heated front seats cool or warm up on demand, while available heated rear outboard seats can help keep rear passengers warm.

HYBRID

The best of all worlds.

One-of-a-kind style, electrifying performance, inspiring capability and intelligent efficiency. RAV4 Hybrid has everything you look for when you're running around town, and everything you need when you head out of it.

Limited AWD shown in Magnetic Gray Metallic with available Advanced Technology Package and available panoramic glass roof, and XSE Hybrid shown in Silver Sky Metallic with Midnight Black Metallic roof with available Technology Package and available panoramic glass roof. Prototypes shown with options.

RAV4 STYLE

Discover the potential in every day.

Limited AWD shown in Ruby Flare Pearl⁴ with available panoramic glass roof, **XLE** shown in Super White with available Technology Package, and **Adventure grade** shown in Lunar Rock with Ice Edge roof⁴ with available Technology Package, power tilt/slide moonroof and roof rack cross bars.⁷ Prototypes shown with options.

See numbered footnotes in Disclosures section.

Designed for safety.

Toyota Safety Sense™ 2.0 (TSS 2.0)⁴⁵ is a bundle of active safety features standard on all-new RAV4 models at no additional cost. These innovative features were designed to help protect you and your passengers from harm.

PRE-COLLISION SYSTEM⁴⁶ WITH PEDESTRIAN DETECTION⁴⁷ (PCS w/PD)

RAV4's Pre-Collision System with Pedestrian Detection (PCS w/PD) is designed to help keep the road safe by detecting a vehicle, pedestrian or bicyclist in certain situations. The latest system has enhanced low-light capabilities to help detect a pedestrian at night. By combining millimeter-wave radar with a camera capable of shape recognition, the system provides an audio/visual alert, warning you of a possible collision under certain circumstances. If you don't react, the system is designed for automatic braking support to help mitigate the potential for a collision.

LANE DEPARTURE ALERT WITH STEERING ASSIST (LDA w/SA)⁴⁸

Using Road Edge Detection or by detecting visible lane markings, Lane Departure Alert with Steering Assist (LDA w/SA) issues both an audible alert and visual warning on the MID screen if an inadvertent lane departure is detected. If the system determines that the driver is not taking corrective steering action, the Steering Assist function is designed to initiate and provide gentle corrective steering to help keep RAV4 in the lane.

AUTOMATIC HIGH BEAMS (AHB)²

RAV4's Automatic High Beams (AHB) feature is a safety system designed to help you see more clearly at night — without distracting other drivers. Designed to activate at speeds above 25 mph, AHB relies on an in-vehicle camera to help detect the headlights of oncoming vehicles and taillights of preceding vehicles, then automatically toggles between high and low beams accordingly to provide the appropriate amount of light. By using high beams more frequently, the system may allow for earlier detection of pedestrians and obstacles.

ROAD SIGN ASSIST (RSA)⁵⁰

RAV4's Road Sign Assist (RSA) is designed to help keep the road safe. Using a forward-facing intelligent camera, Road Sign Assist is designed to detect speed limit signs, stop signs, yield signs and Do Not Enter signs, and display them on the MID.

FULL-SPEED RANGE DYNAMIC RADAR CRUISE CONTROL (DRCC)⁴⁹

Intended for highway use and similar to "constant speed" cruise control, Full-Speed Range Dynamic Radar Cruise Control (DRCC) lets you drive at a preset speed. DRCC uses vehicle-to-vehicle distance control, which is designed to adjust your speed, to help you maintain a preset distance from vehicles ahead of you that are driving at a slower speed. DRCC uses a front-grille-mounted radar and an in-vehicle camera designed to detect vehicles and their distance. If a driver is traveling slower than you, or within your preset range, DRCC is designed to automatically slow your vehicle down without deactivating cruise control. If DRCC determines you need to slow down more, an audio and visual alert notifies you and brakes may be applied. When there's no longer a vehicle driving slower than your preset speed in front of you, DRCC will then accelerate to the preset speed and regular cruise control will resume.

LANE TRACING ASSIST (LTA)¹⁵

When the available Full-Speed Range Dynamic Radar Cruise Control (DRCC)⁴⁹ is enabled and lane markers are detectable, Lane Tracing Assist (LTA) uses the lines on the road and preceding vehicles to help keep the vehicle centered while also displaying the vehicle's position on the MID screen. The system is designed to help reduce driver strain and increase convenience, and may benefit drivers most during traffic jams — but can be turned off using the MID.

SAFETY

XLE shown in Super White with available Technology Package, **Adventure grade** shown in Lunar Rock with Ice Edge roof¹ with available Technology Package and roof rack cross bars,¹ and **Limited AWD** shown in Magnetic Gray Metallic with available Advanced Technology Package and available panoramic glass roof. Prototypes shown with options.

See numbered footnotes in Disclosures section.

SAFETY

EIGHT AIRBAGS⁵⁴

RAV4 comes standard with a driver and front passenger Advanced Airbag System, with driver and front passenger seat-mounted side airbags, driver knee airbag, front passenger seat-cushion airbag, in addition to front and rear side curtain airbags. Eight airbags total — all focused on your safety.

8
airbags

Safety as serious as your adventures.

See more of what matters. A standard backup camera⁸ and available Bird's Eye View Camera¹⁰ reveal what's around you, and available Intelligent Clearance Sonar⁵⁷ audibly and visually warns you when it detects nearby pedestrians or vehicles. Under certain low-speed conditions, available Rear Cross-Traffic Braking (PKSB)⁵⁸ is designed to reduce engine power and, if necessary, apply the brakes.

STAR SAFETY SYSTEM™

Smart tech helps keep you safe. This standard comprehensive suite of six advanced safety features is designed to help keep you out of harm's way. The system includes Enhanced Vehicle Stability Control (VSC)⁵¹ Traction Control (TRAC), Anti-lock Brake System (ABS), Electronic Brake-force Distribution (EBD), Brake Assist (BA)⁵² and Smart Stop Technology® (SST)⁵³

BLIND SPOT MONITOR (BSM)⁵ WITH REAR CROSS-TRAFFIC ALERT (RCTA)⁵⁶

The available Blind Spot Monitor (BSM) warns you when a vehicle in the next lane enters RAV4's blind spot on either side. When in Reverse, available Rear Cross-Traffic Alert (RCTA) helps detect vehicles approaching from either side, visibly with side mirror indicators and audibly with a warning tone.

See numbered footnotes in Disclosures section.

RAV4 HYBRID STYLE

Efficiency never looked so bold.

XSE Hybrid shown in Silver Sky Metallic with Midnight Black Metallic roof with available Technology Package, **Limited Hybrid** shown in Ruby Flare Pearl[†] with available Advanced Technology Package and available panoramic glass roof, and **XLE Hybrid** shown in Super White with available Technology Package. Prototypes shown with options.

See numbered footnotes in Disclosures section.

RAV4 MODELS

LE

Powertrain

- 2.5-Liter Dynamic Force 4-cylinder engine
- Direct Shift 8-speed automatic Transmission
- 203 hp @ 6600 rpm, 184 lb.-ft. @ 5000 rpm
- Available All-Wheel Drive (AWD) with Multi-terrain Select

Exterior Features

- 17-in. steel wheels with silver 6-spoke wheel covers and 225/65R17 tires
- LED Daytime Running Lights (DRL)
- Multi-LED headlights with Automatic High Beams (AHB)²
- LED taillights and stop lights
- Power outside mirrors with folding feature
- Black hexagon-patterned front grille
- Low-profile black-painted roof rails
- Aerodynamic underbody panels with vortex generators, front and rear wheel spats, and integrated rear spoiler
- Privacy glass on all rear-side, quarter and liftgate windows
- Dual chrome exhaust tips

Interior Features

- Climate control system
- Integrated backup camera⁸ with projected path
- Analog speedometer, tachometer, coolant temperature and fuel gauges; 4.2-in. digital Multi-Information Display (MID) with customizable settings, odometer, tripmeters, clock and outside temperature; rear-passenger seatbelt indicators, fuel economy information, trip timer and scheduled maintenance indicators
- Fabric-trimmed front bucket seats; 6-way adjustable driver's seat; 4-way adjustable front passenger seat with seatback pocket
- 60/40 split reclining fold-flat rear seat with center armrest and cup holders
- Urethane tilt/telescopic 3-spoke steering wheel with audio, Multi-Information Display (MID), *Bluetooth*^{®12} hands-free phone, and voice-command and trip controls
- Remote keyless entry system with lock, unlock and panic functions, and remote illuminated entry
- 7-in. touch-screen with Entune™ 3.0²³ Audio
- One USB media port²¹ (in front storage tray)

Safety/Convenience — Standard on all RAV4 models

- Toyota Safety Sense™ 2.0 (TSS 2.0)⁴⁵ includes:
 - Pre-Collision System⁴⁶ with Pedestrian Detection⁴⁷ (PCS w/PD)
 - Lane Departure Alert with Steering Assist (LDA w/SA)⁴⁸
 - Automatic High Beams (AHB)²
 - Full-Speed Range Dynamic Radar Cruise Control (DRCC)⁴⁹
 - Road Sign Assist (RSA)⁵⁰
 - Lane Tracing Assist (LTA)¹⁵

Options

- Blind Spot Monitor (BSM)⁵ with Rear Cross-Traffic Alert (RCTA)⁵⁶
- Rear cargo area cover

LE Hybrid

Adds to or replaces features offered on LE

Powertrain

- Hybrid 2.5-Liter Dynamic Force 4-cylinder engine
- Hybrid system net power: 219 net hp
- Electronically Controlled Continuously Variable Transmission (ECVT) with sequential shift mode
- Electronic On-Demand All-Wheel Drive (AWD)
- Drive mode dial with Sport, ECO and Normal Modes
- Trail and EV Mode⁶⁶ select buttons

Exterior Features

- 17-in. 5-spoke silver alloy wheels with 225/65R17 tires
- Active grille shutters

Interior Features

- Dual zone automatic climate control system with dust and pollen filter, and rear-seat vents
- Analog speedometer, hybrid power meter, coolant temperature and fuel gauges; 4.2-in. digital Multi-Information Display (MID) with instrumentation and customizable settings, odometer, tripmeters, clock and outside temperature; rear-passenger seatbelt indicators, hybrid energy monitor, fuel economy information, trip timer, shift-position and scheduled maintenance indicators, and warning messages

Options

- Blind Spot Monitor (BSM)⁵ with Rear Cross-Traffic Alert (RCTA)⁵⁶
- Rear cargo area cover

XLE

Adds to or replaces features offered on LE

Powertrain

- Available All-Wheel Drive (AWD) with Multi-terrain Select

Exterior Features

- 17-in. 5-spoke silver alloy wheels with 225/65R17 tires
- Integrated fog lights
- Color-keyed heated power outside mirrors with turn signal and blind spot warning indicators⁵ and folding feature
- Power tilt/slide moonroof with one-touch open/close

Interior Features

- Dual zone automatic climate control system with rear-seat vents
- Fabric-trimmed front bucket seats with embossed polygon-design seat inserts; 6-way adjustable driver's seat; 4-way adjustable front passenger seat with seatback pocket
- Smart Key System¹⁶ on front doors and liftgate with Push Button Start, remote keyless entry with lock, unlock and panic functions, and remote illuminated entry
- Five USB ports²¹
- Blind Spot Monitor (BSM)⁵ with Rear Cross-Traffic Alert (RCTA)⁵⁶
- Rear cargo area cover

Packages/Options

- XLE Weather Package (available on AWD only) includes :
 - Heated leather-trimmed steering wheel
 - Rain-sensing variable intermittent windshield wipers with de-icer function
- XLE Convenience Package includes:
 - 8-way power-adjustable driver's seat with lumbar support and heated front seats
 - Power liftgate with jam protection
- Entune™ 3.0²³ Audio Plus (requires XLE Convenience Package) includes:
 - 8-in. touch-screen with integrated panoramic backup camera display⁹ with customizable dynamic gridlines
 - Anti-theft system with alarm and engine immobilizer⁶²
 - 11 speakers (in nine locations) including subwoofer
 - SiriusXM^{®33} with 3-month All-Access trial³⁴
- XLE Technology Package (requires Entune™ 3.0²³ Audio Plus) includes:
 - Intelligent Clearance Sonar⁵⁷ with Rear Cross-Traffic Braking (PKSB)⁵⁸
 - Auto-dimming rearview mirror with HomeLink^{®17} universal transceiver

See numbered footnotes in Disclosures section.

XLE Hybrid

Adds to or replaces features offered on LE Hybrid

Exterior Features

- LED Daytime Running Lights (DRL) accent lighting with on/off feature
- LED projector-beam headlights with chrome bezels, Automatic High Beams (AHB)² and auto on/off feature
- Integrated fog lights
- Power tilt/slide moonroof with one-touch open/close
- Color-keyed outside door handles with front-row touch-sensor lock/unlock feature

Interior Features

- Fabric-trimmed front bucket seats with embossed polygon-design seat inserts; 6-way adjustable driver's seat; 4-way adjustable front passenger seat with seatback pocket
- Smart Key System¹⁶ on front doors and liftgate with Push Button Start, remote keyless entry with lock, unlock and panic functions, and remote illuminated entry
- Five USB ports²¹
- One 12V/120W auxiliary power outlet in front instrument panel storage tray, and one 12V/120W auxiliary power outlet in cargo area

Packages/Options

- XLE Weather Package includes:
 - Heated leather-trimmed steering wheel
 - Rain-sensing variable intermittent windshield wipers with de-icer function
- XLE Convenience Package includes:
 - 8-way power-adjustable driver's seat with lumbar support and heated front seats
 - Power liftgate with jam protection
- Entune™ 3.0²³ Audio Plus (requires XLE Convenience Package) includes:
 - 8-in. touch-screen with integrated panoramic backup camera display⁹ with customizable dynamic gridlines
 - Anti-theft system with alarm and engine immobilizer⁶²
 - 11 speakers (in nine locations) including subwoofer
 - SiriusXM^{®33} with 3-month All-Access trial³⁴
- XLE Technology Package (requires Entune™ 3.0²³ Audio Plus) includes:
 - Intelligent Clearance Sonar⁵⁷ with Rear Cross-Traffic Braking (PKSB)⁵⁸
 - Auto-dimming rearview mirror with HomeLink^{®17} universal transceiver

XLE Premium

Adds to or replaces features offered on XLE

Powertrain

- Available All-Wheel Drive (AWD) with Multi-terrain Select

Exterior Features

- 19-in. multi-spoke super chrome-finished alloy wheels with 235/55R19 tires
- Power liftgate with jam protection

Interior Features

- Dual zone automatic climate control system with front center vent flow controls and rear-seat vents
- SofTex[®]-trimmed¹¹ front bucket seats; 8-way power-adjustable driver's seat with lumbar support; 4-way adjustable front passenger seat with seatback pocket
- Leather-trimmed tilt/telescopic 3-spoke steering wheel with silver accent and audio, Multi-Information Display (MID), Bluetooth^{®12} hands-free phone, and voice-command and trip controls

Packages/Options

- XLE Premium Grade Weather Package includes:
 - Heated steering wheel
 - Heated front seats
 - 8-way power-adjustable driver's seat with memory function and lumbar support
 - Rain-sensing variable intermittent windshield wipers with de-icer function
- Entune™ 3.0²³ Audio Plus with JBL[®] w/Clari-Fi^{®39} includes:
 - 8-in. touch-screen with integrated panoramic backup camera⁹ with customizable dynamic gridlines
 - Anti-theft system with alarm and engine immobilizer⁶²
 - 11 speakers (in nine locations) including subwoofer
 - SiriusXM^{®33} with 3-month All-Access trial³⁴
- XLE Premium Grade Technology Package (requires Entune™ 3.0²³ Audio Plus with JBL^{®63}) includes:
 - Intelligent Clearance Sonar⁵⁷ with Rear Cross-Traffic Braking (PKSB)⁵⁸
 - Digital rearview mirror with HomeLink^{®17} universal transceiver
 - Qi-compatible wireless smartphone charging⁴⁴ with charge indicator light

Adventure

Adds to or replaces features offered on XLE Premium

Powertrain

- Dynamic Torque Vectoring All-Wheel Drive (TV-AWD) with Multi-terrain Select and Rear Driveline Disconnect
- 3500-lb. towing capacity⁶⁹

Exterior Features

- 19-in. split 5-spoke alloy wheels with matte-black accents and 235/55R19 tires
- Unique split-bar front upper grille
- Active grille shutters
- Unique color-keyed upper and black lower front bumper, larger black overfenders and black rear bumper
- Unique Adventure roof rails
- Black RAV4 and Adventure badging

Interior Features

- Integrated panoramic backup camera⁹ with dynamic gridlines
- Digital speedometer and instrumentation with analog tachometer, coolant temperature and fuel gauges; 7-in. digital Multi-Information Display (MID) with customizable settings, odometer, tripmeters, clock and outside temperature; rear-passenger seatbelt indicators, fuel economy information, trip timer and scheduled maintenance indicators
- SofTex[®]-trimmed¹¹ front bucket seats with orange accents and stitching, and embossed seat inserts; 8-way power-adjustable driver's seat with lumbar support; 4-way adjustable front passenger seat with seatback pocket
- Soft-touch dash, door and armrests with stitched dash, door and center console accents, and anti-slip interior door grip
- 8-in. touch-screen with Entune™ 3.0²³ Audio Plus
- One 120V/100W deck-mounted power outlet²²

Packages/Options

- Adventure Grade Weather Package includes:
 - Heated leather-trimmed steering wheel
 - Perforated heated and ventilated front bucket seats
 - Rain-sensing variable intermittent windshield wipers with de-icer function
- Two-tone exterior color
- Power tilt/slide moonroof with one-touch open/close
- Entune™ 3.0²³ Premium Audio with Dynamic Navigation⁴⁰ and JBL[®] w/Clari-Fi^{®39} (requires optional power tilt/slide moonroof) includes:
 - 8-in. touch-screen
 - 11 speakers (in nine locations) including subwoofer
- Adventure Grade Technology Package (requires Entune™ 3.0²³ Premium Audio with JBL^{®63}) includes:
 - Intelligent Clearance Sonar⁵⁷ with Rear Cross-Traffic Braking (PKSB)⁵⁸
 - Digital rearview mirror with HomeLink^{®17} universal transceiver
 - Qi-compatible wireless smartphone charging⁴⁴ with charge indicator light

XSE Hybrid

Adds to or replaces features offered on XLE Hybrid

Exterior Features

- 18-in. 5-spoke black-painted sport alloy wheels with 225/60R18 tires
- Sport-tuned independent MacPherson strut front suspension with stabilizer bar; sport-tuned multi-link rear suspension with stabilizer bar
- Black-painted heated power outside mirrors with turn signal and blind spot warning indicators,⁵ and folding feature
- Dark gray metallic-colored hexagon-patterned front grille
- Color-keyed upper and black-painted lower front bumper, fog light trim, overfenders, mirrors, roof, rocker panels and rear bumper with metallic gray insert
- Two-tone exterior color

Interior Features

- Digital speedometer and instrumentation with analog hybrid power meter, coolant temperature and fuel gauges; 7-in. digital Multi-Information Display (MID) with customizable settings, odometer, tripmeters, clock, outside temperature; rear-passenger seatbelt indicators, hybrid energy monitor, fuel economy information, trip timer, shift-position and scheduled maintenance indicators, and warning messages
- SofTex[®]-trimmed⁸ heated front bucket seats with sporty blue stitching and fabric seat inserts; 8-way power-adjustable driver's seat with lumbar support; 4-way adjustable front passenger seat with seatback pocket
- Blue-accented interior, including blue stitching on dash, doors and seat; and black anti-slip in-dash storage trays with blue ambient lighting
- 8-in. touch-screen with Entune™ 3.0²³ Audio Plus
- Digital rearview mirror with HomeLink^{®17} universal transceiver

Packages/Options

- XSE Weather Package includes:
 - Heated steering wheel
 - Rain-sensing variable intermittent windshield wipers with de-icer function
- Entune™ 3.0²³ Premium Audio with Dynamic Navigation⁴⁰ and JBL[®] w/Clari-Fi^{®39} includes:
 - 8-in. touch-screen
 - 11 speakers (in nine locations) including subwoofer
- XSE Technology Package (requires Entune™ 3.0²³ Premium Audio with JBL^{®63}) includes:
 - Intelligent Clearance Sonar⁵⁷ with Rear Cross-Traffic Braking (PKSB)⁵⁸
 - Qi-compatible wireless smartphone charging⁴⁴ with charge indicator light
- Panoramic glass roof with front power tilt/slide moonroof (requires XSE Technology Package)

Limited

Adds to or replaces features offered on XLE Premium

Powertrain

- Available Dynamic Torque Vectoring All-Wheel Drive (TV-AWD) with Multi-terrain Select and Rear Driveline Disconnect

Exterior Features

- Dark gray metallic-colored hexagon-patterned front grille
- Chrome-accented color-keyed outside door handles with front-row touch-sensor lock/unlock feature
- Puddle lights

Interior Features

- Digital speedometer and instrumentation with analog tachometer, coolant temperature and fuel gauges; 7-in. digital Multi-Information Display (MID) with customizable settings, odometer, tripmeters, clock, outside temperature; rear-passenger seatbelt indicators, fuel economy information, trip timer, shift-position and scheduled maintenance indicators, and warning messages
- SofTex[®]-trimmed¹¹ heated front bucket seats; 8-way power-adjustable driver's seat with two-position memory function and lumbar support; 4-way adjustable front passenger seat with seatback pocket
- Soft-touch dash, door and armrests with stitched dash, door and center console accents, and anti-slip interior door grip
- Dark-brown-accented interior, including dark-brown stitching on dash, door and seat stitching; and dark-brown cup holder trim and anti-slip in-dash storage trays with blue ambient lighting
- 8-in. touch-screen with Entune™ 3.0²³ Premium Audio with Dynamic Navigation⁴⁰ (includes six speakers)
- Digital rearview mirror with HomeLink^{®17} universal transceiver
- Intelligent Clearance Sonar⁵⁷ with Rear Cross-Traffic Braking (PKSB)⁵⁸

Packages/Options

- Limited Grade Weather Package includes:
 - Heated steering wheel
 - Perforated heated and ventilated front bucket seats
 - Rear outboard reclining passenger heated seating with perforated inserts
 - Rain-sensing variable intermittent windshield wipers with de-icer function
- Entune™ 3.0²³ Premium Audio with Dynamic Navigation⁴⁰ and JBL[®] w/Clari-Fi^{®39} includes:
 - 8-in. touch-screen
 - 11 speakers (in nine locations) including subwoofer
- Limited Grade Advanced Technology Package (requires Entune™ 3.0²³ Premium Audio with JBL^{®63}) includes:
 - Smart Key System¹⁶ on all doors and liftgate
 - Hands-free power liftgate with jam protection⁶
 - Bird's Eye View Camera¹⁰ with Perimeter Scan, overhead 360-degree view in low-speed Drive and Reverse, and curb view
 - Qi-compatible wireless smartphone charging⁴⁴ with charge indicator light
- Panoramic glass roof with front power tilt/slide moonroof (requires Limited Grade Advanced Technology Package)

Limited Hybrid

Adds to or replaces features offered on Limited

Powertrain

- Hybrid 2.5-Liter Dynamic Force 4-cylinder engine
- Hybrid system net power: 219 net hp
- Electronically Controlled Continuously Variable Transmission (ECVT) with sequential shift mode
- Electronic On-Demand All-Wheel Drive (AWD)
- Drive mode dial with Sport, ECO and Normal Modes
- Trail and EV Mode⁶⁶ select buttons

Exterior Features

- 18-in. 5-spoke super chrome-finished sport alloy wheels with 225/60R18 tires
- LED Daytime Running Lights (DRL) accent lighting with on/off feature
- LED projector-beam headlights with chrome bezels, Automatic High Beams (AHB)² and auto on/off feature

Interior Features

- Digital speedometer and instrumentation with analog hybrid power meter, coolant temperature and fuel gauges; 7-in. digital Multi-Information Display (MID) with customizable settings, odometer, tripmeters, clock, outside temperature; rear-passenger seatbelt indicators, hybrid energy monitor, fuel economy information, trip timer, shift-position and scheduled maintenance indicators, and warning messages

CARS BUILT FOR THE WAY YOU LIVE

At Toyota, we build cars for how you live. From building advanced safety features designed to help prevent crashes to driving cross-country to understand how we can make your driving experience better, our work starts with understanding your needs. Building cars for how you live also means thinking about tomorrow — from fuel efficiency and environmental innovations, to things beyond cars, like a bicycle that you can control with your mind. And because what we learn building cars can help improve lives in other places, we do things like help communities rebuild their homes quickly after a disaster and work with soup kitchens to help them serve more people faster. Toyota. Built for how you live. Together we are going places.

DISCLOSURES

1. Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. If you would prefer a vehicle with no or different options, contact your dealer to check for current availability or the possibility of placing a special order. 2. Automatic High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See *Owner's Manual* for additional limitations and details. 3. The Adaptive Front-Lighting System helps improve vision at night. Situations such as a dirty windshield, rapidly changing light conditions or hilly terrain will limit effectiveness, requiring the driver to manually turn off the system. See *Owner's Manual* for additional limitations and details. 4. Extra-cost color. 5. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See *Owner's Manual* for additional limitations and details. 6. The hands-free sensor can be affected by water, weather, dirt and other conditions. It may not operate promptly, or may operate unintentionally, under certain conditions. See *Owner's Manual* for additional limitations and details. 7. AWD models only. 8. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. 9. The integrated panoramic backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. 10. The Bird's Eye View Camera does not provide a comprehensive view of the area surrounding the vehicle. You should also look around outside your vehicle and use your mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. 11. SoFlex™ is a registered trademark of Toyota Motor Sales, U.S.A., Inc. 12. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc., and any use of such marks by Toyota is under license. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. 13. Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. DRCC not available on manual transmissions. See *Owner's Manual* for additional limitations and details. 14. Lane Departure Alert is designed to read visible lane markers under certain conditions, and provide visual and audible alerts when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. 15. Lane Tracing Assist (LTA) is designed to read visible lane markers and detect other vehicles under certain conditions. When potential lane departure is detected, LTA provides a visual warning and either an audible alert or vibration in the steering wheel and can apply a slight steering force. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. LTA not available on manual transmissions. See *Owner's Manual* for additional limitations and details. 16. The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. 17. HomeLink® and the HomeLink® house icon are registered trademarks of Gentex Corporation. 18. Toyota Safety Connect® is dependent upon an operative telematics device, a cellular connection and other factors outside of Toyota's control, which can limit the ability to reach the response center or receive emergency support or otherwise limit the functionality or availability of the system. Terms and conditions of subscription service agreement apply. To learn about Toyota's data collection, use, sharing and retention, please visit <https://www.toyota.com/privacyvts/>. Stolen vehicle police report required to use Stolen Vehicle Locator. 19. When the system is on, Automatic Electric Parking Brake is designed to automatically engage the Electric Parking Brake under limited conditions. It may not hold the vehicle under all conditions and does not function when the vehicle is in Reverse. Automatic Electric Parking Brake is not a substitute for manual use of the Electric Parking Brake. See *Owner's Manual* for additional limitations and details. 20. When the system is on, Brake Hold is designed to keep the brakes engaged after the driver brings the vehicle to a complete stop. It may not hold the vehicle under certain conditions and does not function when the vehicle is in Reverse. Brake Hold is not a substitute for safe and attentive driving. See *Owner's Manual* for additional limitations and details. 21. May not be compatible with all mobile phones, MP3/WMA players and like models. 22. Do not exceed 120V. See *Owner's Manual* for additional limitations and details. 23. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change at any time without notice. See [toyota.com/audiomultimedia](https://www.toyota.com/audiomultimedia) for details. To learn about Toyota Entune™ 3.0's data collection, use, sharing and retention, please visit <https://www.toyota.com/privacyvts/>. Stolen vehicle police report required to use Stolen Vehicle Locator. 24. The Scout® GPS Link app is compatible with select vehicle models. Availability and accuracy of the information provided by Scout® GPS Link is subject to change at any time without notice and is dependent upon many factors, including smartphone connectivity, capability and cellular reception. Always use safe driving practices and follow all traffic rules. Data charges may apply. Scout® and Telenav® are registered trademarks of Telenav, Inc. 25. The Scout® GPS Link trial is at no extra cost and begins when the app is downloaded on the vehicle. Contact the Toyota Customer Experience Center at 800-331-4331 for length of trial period. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply. 26. Always drive safely, obey traffic laws and focus on the road while driving. Siri® is available on select iPhone®/iPad® models and requires Internet access. Siri® is not available in all languages or all areas and features vary by area. Some Siri® functionality and commands are not accessible in the vehicle. Data charges may apply. See [apple.com](https://www.apple.com) and phone carrier for details. Siri® is a registered trademark of Apple Inc. 27. Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® connected with an approved data cable into the USB media port. Apple CarPlay® is a registered trademark of Apple Inc. 28. Advanced voice recognition capabilities vary by head unit. 29. The Safety Connect® trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in paid subscription is required to access the service. Terms and conditions apply. 30. Verizon Wireless is the network provider for Wi-Fi Connect, which uses Verizon's 4G LTE network to transmit data. Data usage applies. Coverage not available everywhere; see vzw.com. See verizonwireless.com/bestnetwork for details. LTE is a trademark of ETSI. Other terms apply. Up to 5 devices can be supported using in-vehicle connectivity. Verizon Wireless data subscription required upon end of 6-month trial period or use of 2 GB data (whichever comes first). Use of Wi-Fi Connect subject to Verizon Wireless' Customer Agreement (verizonwireless.com/legal/notices/customer-agreement/), Privacy Policy (verizon.com/about/privacy/privacy-policy-summary/), and data use policies (verizonwireless.com/support/vz-email-legal/). 31. The Wi-Fi Connect trial period is at no extra cost and begins on the date of activation. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply. 32. HD Radio™ Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio™ and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp. 33. SiriusXM® audio services require a subscription sold separately by Sirius XM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers. ©2018 Sirius XM Radio Inc. SiriusXM and all related marks and logos are trademarks of Sirius XM Radio Inc. 34. SiriusXM All Access trial length and service availability may vary by model, model year or trim. 35. Information provided is based on the last time data was collected from the vehicle and may not be up to date. Service Connect is dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Toyota's control, which can limit the ability or functionality of the system. To learn about Toyota Entune™ 3.0's data collection, use, sharing and retention, please visit <https://www.toyota.com/privacyvts/>. 36. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the respective trial period expires, enrollment in paid subscription is required to access the service. Terms and conditions apply. 37. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote Connect is dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Toyota's control, which can limit the ability or functionality of the system. Registration and app download are required. App and services subject to change at any time without notice. See usage precautions and service limitations in *Owner's Manual*. To learn about Toyota Entune™ 3.0's data collection, use, sharing and retention, please visit <https://www.toyota.com/privacyvts/>. Remote start/stop not available on manual transmission-equipped vehicles. 38. The Remote Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply. 39. JBL® and Clari-Fi® are registered trademarks of Harman International Industries, Inc. 40. Dynamic Navigation is dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Toyota's control, which can limit the ability or functionality of the system. To learn about Toyota Entune™ 3.0's data collection, use, sharing and retention, please visit <https://www.toyota.com/privacyvts/>. Use common sense when relying on information provided. Services and programming subject to change at any time without notice. Services not available in every city or roadway. Subscription required upon end of trial service period. See *Navigation System Owner's Manual* for additional details. 41. The Dynamic Navigation three-year trial begins the earlier of when the vehicle hits 100 miles or a year after the multimedia system manufacture date, regardless of when you purchase or lease the vehicle. Terms and conditions of subscription service agreement apply. 42. Destination Assist Connect is dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Toyota's control, which can limit the ability or functionality of the system. Use common sense when relying on this information. To learn about Toyota Entune™ 3.0's data collection, use, sharing and retention, please visit <https://www.toyota.com/privacyvts/>. See *Owner's Manual* for additional details. 43. The Destination Assist Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions of subscription service agreement apply. 44. Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system, avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns. 45. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. System effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. 46. The TSS Pre-Collision System is designed to help avoid or reduce the crash speed and damage in certain frontal collisions only. It is not a substitute for safe and attentive driving. System effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. 47. The Pedestrian Detection system is designed to detect a pedestrian or bicyclist ahead of the vehicle, determine if impact is imminent and help reduce impact speed. It is not a collision avoidance system and is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian, and weather, light and road conditions. See *Owner's Manual* for additional limitations and details. 48. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert, and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. 49. Full-Speed Range Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on road, weather and traffic conditions. See *Owner's Manual* for additional limitations and details. 50. Do not rely exclusively on Road Sign Assist (RSA). RSA is a driver support system that utilizes the vehicle's forward-facing camera and navigation system to recognize certain road signs and provide information to the driver via the multi-information display and/or Head-Up Display. Effectiveness is dependent on road, weather, vehicle and sign conditions. Use common sense when using RSA and do not drive distracted. See *Owner's Manual* for additional limitations and details. 51. Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. 52. Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, and tire and road conditions. See *Owner's Manual* for additional limitations and details. 53. Smart Stop Technology® operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology® is not a substitute for safe and attentive driving and does not guarantee instant stopping. See *Owner's Manual* for additional limitations and details. 54. All the air bag systems are Supplemental Restraint Systems. All airbags (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See *Owner's Manual* for additional limitations and details. 55. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See *Owner's Manual* for details. 56. Do not rely exclusively on the Rear Cross-Traffic Alert system.

DISCLOSURES (continued)

Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See *Owner's Manual* for additional limitations and details. **57.** Intelligent Clearance Sonar is designed to assist drivers in avoiding potential collisions at speeds of 9 mph or less. Certain vehicle and environmental factors, including an object's shape, size and composition, may affect the system's effectiveness. Always look around outside the vehicle and use mirrors to confirm clearance. See *Owner's Manual* for additional limitations and details. **58.** Do not rely exclusively on the Rear Cross-Traffic Braking system. Always look over your shoulder and use your mirrors to confirm rear clearance. The system cannot prevent all collisions, and performance is dependent on road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **59.** Trailer-Sway Control (TSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **60.** Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **61.** Downhill Assist Control (DAC) is designed to help the driver maintain vehicle control and speed on steep, downhill descents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether DAC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **62.** The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a Smart Key fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key/fob, it can be costly to replace. If you lose a key or fob, your Toyota dealer can help. Alternatively, you can find a qualified independent locksmith to perform high-security key services by consulting your local Yellow Pages or by contacting www.aloa.org. **63.** JBL® is a registered trademark of Harman International Industries, Inc. **64.** Before towing, confirm Stop and Start Engine System is disengaged (V6 gas models only). **65.** Meets Tier 2/Bin 3 Federal emissions standard. **66.** CAUTION! When driving a hybrid vehicle, pay special attention to the area around the vehicle. Because there is little vehicle noise in EV Mode, pedestrians, people riding bicycles or other people and vehicles in the area may not be aware of the vehicle starting off or approaching them, so take extra care while driving. EV Mode works under certain conditions at low speeds. See *Owner's Manual* for additional limitations and details. **67.** Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. **68.** Payload Capacity is the calculation of GVWR minus curb weight and should be used for comparison purposes only. The maximum amount of passenger and cargo weight your vehicle can carry is the Load Carrying Capacity indicated on the label(s) on the driver's doorjamb. **69.** Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. "Added vehicle equipment" includes additional standard/optional equipment and accessories added by the manufacturer, dealers, and/or vehicle owners. The only way to be certain of your vehicle's exact curb weight is to weigh your vehicle without passengers or cargo. **70.** 2019 EPA-estimated 26 city/35 hwy/30 combined mpg for RAV4 LE FWD, XLE FWD, XLE Premium FWD and Limited FWD; 27 city/34 hwy/30 combined mpg for LE AWD; 25 city/33 hwy/28 combined mpg for XLE AWD, XLE Premium AWD, Adventure and Limited AWD; and 41 city/38 hwy/40 combined mpg for RAV4 LE Hybrid, XLE Hybrid, XSE Hybrid and Limited Hybrid. Actual mileage will vary. **71.** Cross bars not recommended for luggage. See *Owner's Manual* for additional limitations and details. **72.** The Toyota RAV4 is designed to meet most off-road driving requirements, but off-roading is inherently dangerous and may result in vehicle damage. Toyota encourages responsible operation to help protect you, your vehicle and the environment. Seatbelts should be worn at all times. Do not allow passengers to ride in cargo area. **73.** iPhone® is a registered trademark of Apple Inc. All rights reserved. **74.** This floor mat/floor liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat/floor liner on top of an existing floor mat/floor liner. **75.** The Toyota Genuine Accessory Warranty will only apply when the installation is performed by a trained Toyota-approved installer. Please see dealer for details. **76.** The universal tablet holder is intended for passengers only. Drivers should always be sure to obey traffic regulations and maintain awareness of the road and traffic conditions at all times. Use of aftermarket accessories may pose an increased risk of injury to occupants in the event of an accident. Tablet sold separately.

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Toyota RAV4 is designed to meet most off-road driving requirements. Abusive use may result in bodily harm or damage. Toyota encourages responsible operation to protect you, your vehicle and the environment. Seatbelts should be worn at all times. Please do not allow passengers to ride in the cargo area. Towing hitch receiver/ball mount kits are not intended to provide crash protection.

For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes and/or shown with options. Actual models may vary.

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Hybrid-Related Component Coverage: Hybrid-related components, including the HV battery, battery control module, hybrid control module and inverter with converter, are covered for 8 years/100,000 miles. The HV battery may have longer coverage under emissions warranty. Refer to applicable *Warranty and Maintenance Guide* for details.

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable *Warranty and Maintenance Guide* for details.

Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable *Warranty and Maintenance Guide* or see your Toyota dealer.

For Toyota Mobility program details, go to www.toyota.com/mobility or call the Toyota Customer Assistance Center at 1-800-331-4331
