PERFORMANCE

PAGE 21

REAR WIND DEFLECTOR

Add some aerodynamic style to your iM with this color-keyed rear wind deflector.

- Paint color precisely matched to the iM color palette
- Built to exacting Toyota standards for long-term durability and performance

BODY SIDE MOLDING

Help protect your iM while injecting a jolt of style with body side moldings. They're color-keyed to match your paint exactly, and fit your iM perfectly.

- Helps provide exterior door protection from scratches, dings and chipping
- Color-matched to the factory paint of the vehicle

LOWER BODY GRAPHIC

Add some personality and style to your iM with precision-cut graphics.

- Dynamic, horizontal lower body graphic adds a unique look
- Extends along the lower rocker molding from the front door to the rear of the vehicle
- Dark graphite color ensures the graphic stands out on most iM colors
- Made from tough UV-resistant vinyl material to protect against yellowing, fading and peeling

ALLOY WHEEL LOCKS

Help protect your wheels—and look snazzy while doing it—with these triple-nickel chrome-plated wheel locks.

- Weight-matched to the stock lug nut weight, making rebalancing unnecessary
- Special key tool and collar guide enable simple, five-minute installation
- Triple-nickel chrome plating helps ensure superior corrosion protection and enduring shine
- Resistant to lock-removal tools; operated by a single unique key

MUDGUARDS

Mudguards help keep the lower side panels of your machine looking good while protecting against chipping.

- Precise fit to match the vehicle body panels and structure
- Meets factory ground clearance entry and departure angles

REAR BUMPER PROTECTOR

Help keep the top surface of your rear bumper scuff-free with the logoed rear bumper protector.

- Designed and cut for an exact fit to the vehicle's rear bumper
- High-grade, durable urethane film with UV protection

PAINT PROTECTION FILM

Like a clear suit of armor, Genuine Toyota paint protection film¹ helps guard your vehicle from road debris that can chip and scratch the finish. Manufactured from durable, nearly invisible urethane film layers, which contain UV protectants to help resist yellowing, the film is designed for specific sections of the vehicle prone to chipping.

- Paint protection film is available in kits for select portions of the hood/fenders, and for the front bumper (each sold separately)
- Urethane material provides protection and resists discoloration
- Features multiple layers for strength and durability

INTERIOR LIGHT KIT

Change the color of your car? Not easy. Change the color of the interior lights? Easy. The interior light kit casts a glow around the footwell area in your choice of seven colors, to help match your mood.

- Seven LED color choices (blue, turquoise, green, yellow, red, purple or white)
- Lights come on when doors are opened or when the key is in the “on” position
- Light stays on while driving, but the user can toggle to the “off” mode

CARPET FLOOR MATS

Let these floor mats take the wear and tear and keep your carpet looking as good as when you first bought your iM. They're cut to perfectly fit and feature an embroidered iM logo².

- Made of high-grade, 20-oz. plush nylon carpeting with an attractive border
- Nibbed backing and quarter-turn fasteners (on the driver's side) help keep the mats in position
- Removable and easy to clean

² See numbered disclosures on page 23

ALL-WEATHER FLOOR MATS

Leave no trail untrodden. Just don't smear it on the carpet. These all-weather floor mats can withstand most conditions you encounter, while keeping your carpet nice and tidy².

² See numbered disclosures on page 23

- Durable rubber/vinyl material with ribbed channels and raised edges
- May be used instead of carpet floor mats
- Nibbed backing and quarter-turn fasteners (on the driver's side) help keep the mats in position
- Removable and easy to clean

CARPET CARGO MAT

Maintain your iM's cargo area so that it looks as good as the day you bought it with the carpet cargo mat.

- Made of high-grade, plush nylon carpeting with an attractive border
- Diamond-patterned backing helps keep the mats in position
- Removable and easy to clean
- Features the iM logo

CARGO NET – ENVELOPE

Enhance the utility of your cargo space with this cargo net, which secures and organizes your gear³.

- Netting accommodates items of various shapes and sizes to ensure they don't shift around or tip over
- Folds flat for storage when not in use
- Easy to install; attaches to defined points in rear cargo area

³ See numbered disclosures on page 23

CARGO TOTE

Moving vehicles and grocery bags don't always play nice with each other. Keep bags upright and in place with a cargo tote³.

- Features carrying handles and removable divider panels
- Soft-sided tote folds flat when not in use and pops up when needed
- Tough outer fabric is durable and water resistant

³ See numbered disclosures on page 23

CARGO TRAY

Keep damage from spills and everyday grit to a minimum with the tough, flexible and lightweight cargo tray³.

- Easy to install and remove
- Cleans with soap and water
