**THE PLACE TO GET TIRES  
MATCHED EXACTLY  
TO YOUR TOYOTA**

Your Toyota's tires are a specifically engineered component of your vehicle, helping to provide its unique driving and safety characteristics. That's why it's important to use tires that are exactly matched to your Toyota. Getting your tires from the Toyota Tire Center is your assurance that you'll get those tires—and only those tires.

Your Toyota tires will come with two years of road hazard protection – on us. Consult with your dealership representative for warranty information.

### THE BIG 7

There are 7 factors that go into exactly matching tires to your specific Toyota model and year:

- 1 Size
- 2 Speed Rating
- 3 Load Rating
- 4 Tread Wear Rating
- 5 Traction Rating
- 6 Temperature Rating
- 7 Overall Brand Quality

### YOUR TOYOTA TIRE EXPERT KNOWS

For our tire experts, there's no mystery in determining the exact match for your Toyota. We want to do the work for you and take the trouble out of sorting through the different factors.

Fortunately, our Assistant Service Managers are true tire experts! They'll suggest the exact tires your Toyota needs to keep on performing and driving like the day you got it!

### Added Bonus

24-month Road Hazard Protection included with Toyota Tire Center tires.

See a Service Advisor for details.

**2-Year Road Hazard Protection included with qualifying Toyota Tire Center tires!**
