

A NEW LIQUID ASSET

from the leader in RV sanitation!

From the makers of **BIO-PAK®**, **PORTA-PAK®** & **ELEMONATE®** portion control products comes a great new liquid holding tank treatment. **BIO-ACTIVE®** removes odors and breaks down waste and toilet paper using a powerful, environmentally friendly formula.

**Now the Walex family of RV & marine products gives
your customers more choice and convenience than ever!**

Only 2 oz. per 40 gallons!

OP PRODUCTS INC. PURE POWER BLUE*

WASTE DIGESTER & ODOR ELIMINATOR

Pure Power Blue is the ultimate treatment to safely, economically & effectively maintain holding tanks & all related plumbing components. Our advanced solution of 100% biodegradable, non-toxic, enzyme-producing bacteria puts Pure Power Blue in a class by itself. This environmentally friendly formula actually enhances the naturally occurring bacterial activity in septic systems, dump station facilities & sewage treatment plants.

- Liquefies all waste. • Liquefies all toilet paper.
- Eliminates gray & black tank odors. • Keeps sensors clean. • Cleans and lubricates valves. • No dyes or strong perfumes. • 100% environmentally safe.
- NO FORMALDEHYDE! • Extremely low cost per treatment. *This is the ultimate holding tank treatment!*

OP PRODUCTS INC. PURE POWER

Waste Digester & Deodorizer for RVs

Super concentrated bacteriological formula - use only 2 oz. per treatment in both black & gray tanks! Let the natural efficiency of bacteria & enzymes keep your holding tanks clean and odor-free. Put the power of this proprietary microbial formula to work for you and see what a difference it makes. This chemical-free solution is accepted at all campgrounds, RV parks, and RV/Marine dump stations. Safe to use in all septic systems. Will not harm children or pets. Fresh wintergreen fragrance.

Pure Power Liquid:

- 28005** 4oz. (6/Pack) #22017 12
27575 16oz. #22001 12
27576 32oz. #22002 12
27577 64oz. #22003 6
28405 128oz. #22128 4

OP PRODUCTS PURE POWER BIO TAB

Pure Power Bio Tabs contain the same powerful bacteria & enzymes found in the liquid formulation. Easy to use - just drop one tablet per 40 gallons of tank capacity. Effervescing tablets dissolve in minutes and begin working immediately. Works in both gray and black water tanks. Resealable pouch allows for convenient storage. Fresh lemon scent.

Pure Power Bio Tabs:

- 28006** Bio Tabs, 10/Pack #22015 12
28091 Bio Tabs, 25/Pack #22016 8

OP PRODUCTS SEPTIC POWER SEPTIC SYSTEM DE-CLOGGER & MAINTAINER

Keeps your septic system healthy. The whole objective to maintaining a properly functioning septic system is to keep the bacterial colonies healthy and multiplying in the tank, which will keep the sludge level down and reduce inconvenient pump-outs. Increases in the sludge level may overload the system and create a messy and expensive problem. Excessive use of bleach, acids, disinfectants, or other caustic cleaners can cause sludge build-up. A normal system needs regular applications of Septic Power to prevent sludge build-up and maintain a healthy, flowing system.

- 27579** Septic Power, 32oz.
 #44001 12

PURE POWER BLUE

Waste Digester & Odor Eliminator

with **BioBlastPlus™** Odor Control Technology

Chemical Free • Completely Biodegradable • Ultimate Performance

Pure Power Blue is an all-new biological formula developed to perform without fail under any temperature condition. With its proprietary *BioBlastPlus™* odor control technology *Pure Power Blue* is the only holding tank treatment available today that can offer all natural, all temperature *instant and continuous* odor control in both black and gray tanks.

Over a decade in the making, the new *Pure Power Blue* is truly the ultimate RV holding tank treatment, featuring:

- Economical **2 oz.** treatment for black or gray tanks
- Unconditional odor control
- Complete breakdown of waste and toilet paper
- 100% non-toxic, biodegradable formula

Clean and green starts with Blue.

THETFORD TOILET SEAL LUBRICANT/ CONDITIONER

- Petroleum free lubricant extends toilet seal life. • Helps prevent sticking and promotes smooth toilet operation.
- Penetrates seal to lubricate and condition entire seal. • Use throughout season and for winterization.
- Compatible with Thetford chemicals and RV/Marine antifreeze.

28382 Toilet Seal Conditioner/ Lube #36663 **g**

THETFORD SPECIALTY CHEMICALS

LEVEL GAUGE CLEANER

- Repairs level sensors failure from tissue, waste, sludge and soap scum build-up.
- Superior probe and tank cleaner. • Solve a problem or, with regular use, prevents one.
- Works in both gray and black water tanks.
- Patented formula. • Design for the Environment (DfE).

27416 Level Gauge Cleaner, DfE, 24 oz. Bottle (19 oz. Dry Weight) #24545 **g**

GREY WATER ODOR CONTROL

- Sink and shower additive that dissolves grease, and cooking and cleaning residues.
- Eliminates and prevents odors in drains and vents. • Prevents grease build-up in holding tank. • Won't damage valve seals.

27414 Grey Water Odor Control, Liquid, 24 oz. Bottle #15842 **g**

DRAIN VALVE LUBRICANT

- Lubricates holding tank systems and drain valves. • Prevents seal wear and sticky drain valves. • Restores easy valve operation.
- Coats plumbing line for smooth tank outflow.
- Works in both grey and black water tanks.

27415 Drain Valve Lubricant, Liquid, 20 oz. Bottle #15843 **12**

TISSUE DIGESTER

- Prevents tissue buildup in the black water tank and drain lines. • Effectively breaks down tissue in holding tanks and helps relieve a tissue-clogged line. • Keeps drain lines clean and free-flowing. • Digests waste and cleans tank.
- Patented formula. • Design for the Environment (DfE).

27104 Tissue Digester, DfE, 24 oz. Bottle (19 oz. Dry Weight) #15844 **g**

ABSOLUTELY NO HOLDING TANK ODORS!

THETFORD ECO-SMART™ PRODUCTS HOLDING TANK DEODORANT

EcoLogo is North America's oldest, most-recognized and respected environmental standard and certification organization. It is the only standard accredited by the Global Eco-Labeling Network that meets the international standard for environmental labels. To meet stringent EcoLogo criteria, a holding tank additive must:

- Control odors and help decrease waste materials. • Be biologically-based and non-toxic.
- Not harm humans or riparian and aquatic species. • Not accumulate in the environment.
- Have limited surfactants that biodegrade.

FORMALDEHYDE-FREE FORMULA

- Quickly breaks down and liquefies waste and tissue to prevent messy clogs. • Superior odor control. • Detergent additive keeps tanks clean.
- Non-staining green dye washes clean with soap and water. • Liquid or Toss-Ins, the ultimate in convenience!

Formaldehyde-free Formula
(Not available in Canada):

THETFORD

ARIA DELUXE II TOILETS by THETFORD

Cosmetic and performance enhancements compared to the Aria Deluxe I:

- **BEIGE BUTTONS – MORE NEUTRAL.**
- **SMALLER FLUSH NOZZLE – PROVIDES POWERFUL FLUSH! STAYS CLEANER.**
- **REDESIGNED MECHANISM – ELIMINATES CHANCE FOR TISSUE JAMS.**

Fingertip convenience! To flush: Just press... then walk away! To add water: Press and hold.

Great performance!

- Pulsating flush provides superior washdown. Microprocessor-driven dual nozzles create an oscillating flow.
- Saves water. Uses about half as much per flush as the competition.

Full-size comfort.

- Higher comfort level built in. The high-profile seat height is 17 1/2" – most requested by RVers.
- Elongated full residential-size seat and bowl allow owner customization.

Covered by Thetford's 3-Year Warranty. • 24 7/16" Deep x 12 3/4" Wide. • High profile is 17 1/2" H (lid closed), 36" lid (raised). • 11" wall to outlet centerline rough-in.
