JR Products Push-To-Open Touch Catch

Mounts inside the door and provides a secure closure. Operated by simply pushing on the cabinet door to release the catch, then by closing the cabinet to secure it. Adjustable for a variety of applications. Packaged.

45279  Push-To-Open Touch Catch, with mounting screws #70455  24

JR Products Lockable Draw Pull Latch

• Used on multiple applications including cargo and light entry doors, engine covers.
• Constructed of nickel plated steel.

48753  3” #11805  24
48752  4” #11795  36

JR Products Pull-To-Open Cabinet Catch

Used on many cabinet doors. Installed inside the door—the enclosed screws then protrude to the outside where a single-hole cabinet knob is attached. Includes a variety of application screws to fit most door widths. Operated by simply pulling on the cabinet knob to release the catch.

45276  Cabinet Catch, Pk/2  #70395  36

JR Products Roller Compartment Door Catch

• Holds the door open against the sidewall.
• Constructed of stainless steel to prevent rusting. • One catch per door is all that is needed. • Mounting screws included.

48785  Roller Compartment Door Catch, Pk/1, 0.09 Lb #70185  24

FJM Security Products

Combi-Cam

Pick a combination that is easy for you to remember. You can be assured that your number is secure with over 1,000 combinations possible.

Durable All-metal Construction
The Combi-Cam is the best quality cam lock with all solid Die-cast zinc components

Easy to Use
The Combi-Cam is very easy to use. Simply give another person the 3 digit number to open the cam. The 3 dial access is a big improvement over the "gym locker" Dial System because it is more secure and does not require confusing sequential steps. With the Combi-Cam, if you are off one number, simply correct that number... NO NEED TO START OVER AGAIN (which is VERY frustrating!):

Combi-Cam Lock, 1-1/8” cylinder length (Material thickness up to 7/8”):
48812 Chrome #7850R-L 100
48813 Black #7850R-L-BLACK 100

Combi-Cam Lock, 7/8” cylinder length (Material thickness up to 5/8”):
48814 Chrome #7850R-M 100
48815 Black #7850R-M-BLACK 100

Combi-Cam Lock, 5/8” cylinder length (Material thickness up to 3/8”):
48816 Chrome #7850R-S 100
48817 Black #7850R-S-BLACK 100

• Comes with three cams, (short & long straight cam, and offset cam).
• Easily replaces #751 keyway

JR Products Shur-Latch

Surface mount cabinet/door latch. Installed by using its two-piece design to create a strong base that resists stress from the opening and closing operation. Diameter: 2.5”. Packaged. Includes mounting screws.

45273 Shur-Latch #70315  20

**BRD SUPPLY**

**BALL BEARING DRAWER SLIDES**

Give your RV that residential “feel” with BRD’s 45mm ball bearing slides. These quality slides are full extension, 100-lb. capacity and have met the ANSI BIFMA testing required by the housing industry.

**Pair (With hardware):**
- 41116 12" #D412 6
- 41123 14" #D414 6
- 41124 16" #D416 6
- 41127 18" #D418 6
- 41145 20" #D420 6
- 41148 22" #D422 6
- 41151 24" #D424 6

**FLOATING BACKSOCKET**

Floating backsockets allow ball bearing slides to float from side to side to prevent binding and breaking. Each time the drawer is opened and closed the backsocket automatically re-aligns to accommodate movement of the RV.

**41195 Floating Backsocket, L/R (With mounting hardware) #D400 12**

**STATIONARY BACKSOCKET**

All steel backsocket for ball bearing slides. Backsocket allows the drawerslide to be mounted when no cabinet sides exist.

**41152 LS Stationary, Pair (With mounting hardware) #45602 12**

**BRD SUPPLY**

**TRAVEL LOCK DRAWER SLIDES**

BRD offers a European style drawer slide with the RV front Drop Lock feature. Drawer slides allow the drawer to lift up and glide out on two solid stud acetal rollers. Single captive design allows the slide to adjust to the constant movement of an RV. These slides allow easy installation with a front tab mounting feature.

**Set of 4 (With mounting screws):**
- 41053 12" #D312 6
- 41070 14" #D314 6
- 41078 16" #D316 6
- 41079 18" #D318 6
- 41091 20" #D320 6
- 41093 22" #D322 6
- 41106 24" #D324 6

**BACKSOCKETS**

Backsockets with mounting screws. “C” shaped.

**41109 LS Adjustable, L/R #10025 12**

**JR PRODUCTS**

**90° ANGLE BRACKETS**

Small enough for easy concealment and the center gusset adds extra strength and stability. Constructed of high-quality steel and won’t break or be affected by temperature changes. Great replacement for plastic brackets found in many RV and marine applications.

**45125 Multi-Purpose Angle Brackets (with four brackets and eight #6 x 1/2" Pan head screws), Pk/4 #11895 24**

**TABLE LEAF SUPPORTS**

These models come with the patented Saf-T-Ring release, which eliminates any sharp corners on the release handle making them even easier to operate.

**43229 6” Leaf Support #20755 24**
**43233 12” Leaf Support #20765 22**

**TABLE SUPPORT**

30.25” extruded aluminum wall table support. One piece mounts on side wall, the other mounts on edge of table. Ledge on wall section lets table rest for easy installation.

**40354 Table Support #CDS-40354 50**

---

**RV DESIGNER DRAWER SLIDE KIT**

Bungee Cord Kit #4796F •
CUSTOM DESIGN YOUR OWN DETMAR TABLE!
Just choose a top and a mount, add a leg, and you’re all set.

**TABLE TOPS**

*Octagonal:* Measures 20” across. Comes with 4 large molded-in recesses to accommodate insulated cup holders. 27” installed table height.

*Rectangular:* Measures 16” by 28” and features a handsome woodgrain surface with four molded in cup holders. 26” installed table height.

56721 Rectangular Table Top, Off-White #12-1102C  
56722 Octagonal Table Top, Off-White #12-1103C  

**TABLE LEG**

Polished stainless steel leg measures 2” in diameter and 26” in length. Made of corrosion resistant 304 stainless steel.

56733 Table Leg #12-1122  

**TABLE MOUNTS**

**RECESSED FLUSH MOUNT**
Molded of high-impact plastic, receptacle mounts flush to floor. Base measures 6 1/2” in diameter with a 1 1/4” recess. Table leg hole has molded in plug eliminating need to cap hole when leg is not in place. Molded to accept #10 x 1 1/4” oval head SM screws. Fits 2” diameter legs.

56734 Recessed Mount #12-1127  

**SURFACE MOUNT**
Molded of high-impact plastic, this receptacle mounts flush to underside of table or to floor. Base measures 6 1/2” in diameter. Molded to accept #10 x 1 1/4” pan head screws. Fits 2” diameter legs.

56735 Surface Mount #12-1131  

**TABLE HARDWARE • TIE DOWNS**

In Section G: Tools, Fasteners, Window, Screen, Door Hardware, Locks, Baggage Door, Cabinet, Shelf & Table, Tie Downs, Trim/Molding, Seals, Gutter.
**RV DESIGNER INSERT TRIM**

**Narrow Insert Trim** - a few RV manufacturers use this narrow channel.

- 3/4" wide x 25' roll, Narrow:
  - 46105 Colonial White #E331
  - 48093 White #E330

**Standard Insert Trim** - This is the standard, 1" trim used by most RV manufacturers. Cut with scissors. Easy to install.

- 1" wide x 25' roll, Standard:
  - 46102 Beige #E325
  - 46104 Black #E329
  - 46103 Brown #E327
  - 46101 Colonial White #E323
  - 48100 White #E321

**Heavy Duty Insert Trim** - Thicker material lasts longer than standard trim. Longer wings grip the track better. Fits standard 1" molding.

- 1" wide x 25' Roll, Heavy Duty:
  - 46967 Black #E369
  - 46964 Colonial White #E363
  - 46963 White #E361

- 1" wide x 100' Roll, Heavy Duty:
  - 47563 Black #E469
  - 47560 Colonial White #E463
  - 47559 White #E461

**KWIK TEK TRIPLE HOOK RATCHET TIE DOWN, 8' WITH SOFT HOOK**

A ratchet is the only way to get your PWC tied down to the trailer tight with only one tie down. 3 coated hooks, a "soft hook" and the 8' length make this the universal tie down for ALL PWC’s and trailers. Great for ATVs and motorcycles too.

- 10387 Ratchet Tie Down, Triple #TDR-38

**PRIME PRODUCTS BALL BUNGEE**

Ball style bungee cords make it easy to tie off power cords and water hoses and keep them from becoming an unruly mess. The ball on the end makes it easy to secure and remove bungee cord. To create a longer cord simply loop two bungees together.

- Ball Bungee:
  - 45444 7" 4/Pk #15-0307
  - 45445 12" 3/Pk #15-0312

**JR PRODUCTS PREMIUM VINYL INSERT**

Our premium vinyl insert is preformed to fit more securely into your screw cover trim. Made of the same thick vinyl used by many of the original manufacturers, this insert is perfect for replacing worn, damaged, or weathered trim. An inexpensive way to spruce up the exterior of your RV and simple to install. RoHS Certified.

- JR Products Premium Vinyl Insert, 25 ft. Roll, Shrink Wrapped:

ECONOMY RUBBER SEAL W/WIPE FOR SLIDE OUT ROOMS

Economical rubber base includes Bulb, Seal and wiper. Comes with strong adhesive w/release liner. Simply cut to length, removes release liner and apply pressure to adhere to side wall for a positive seal around your Slide Out Room.

Rubber Slide Out Seal w/Tape:
45069 White, 5/8"W x 1-15/16"H x 35'L #018-314 t

JR PRODUCTS
EXTENDED RAIN GUTTER SPOUTS

These one-piece extended rain gutter spouts are the longest on the market and will keep your RV free of black streaks by directing the water away from the sidewalls. The eye pleasing design moves the water volume faster and further away than any other rain gutters spouts. Made of durable plastic with UV inhibitors for years of use. Spouts have a one-piece design so you don't have to use clip-ons. They attach to your RV under the existing aluminum track and never need to be removed.

Extended Rain Gutter Spouts:
28439 Rigid, Pk/2 #655-PW-A t
28442 Flexible, Pk/2 #655-FLEX-PW-A 28

JR PRODUCTS
