STAB type bulb

Vanity Light Sold Separately

REPLACEMENT BULB ONLY

For Progressive Dynamics Vanity Light

Soft white 15-CP bulb is not harsh to the eyes.

14659 12-Volt Bulb only *#107006* **25**

FLUORESCENT TUBES

Replacement tubes for fluorescent lights. Bulk.

18288 20 Watt, 24" *#F20T12CW* **10**

THIN-LITE CIRCLINE FLUORESCENT TUBE

10347 8" Circ. Tube ,
22-Watt, 12-Volt
#FC8T9/CW **12**

DRY ☲ LAUNCH

DRY LAUNCH ID LIGHT BAR, SUBMERSIBLE, OVER 80"

Low profile, Lexan. Meets all requirements for trailers over 80". One-piece design.
14" W x 1-1/2" H x 7/8" D. Bulb #168

19368 Over 80" Light Bar
*#327RBX-9964* **1**

ANDERSON MARINE SUBMERSIBLE LIGHT BAR

Submersible identification bar light for over-80" applications. Stainless steel bar is corrosion-resistant with three sealed lights. Pre-wired with 60" lead wire; grounds through mounting hardware. Mounts on 8-1/2" centers.

12356 Submersible Light Bar
#E151-3RL **6**

COMMAND ▌◖◖ COMMAND ELECTRONICS INC

LED THIRD BRAKE LIGHT

Easy vertical surface mount LED third brake light for flat surfaces. Screw mounted, water-tight design. SAE approved. 11-1/8" L x 1-1/4" W x 3/4" D.

**16828** LED Third Brake Light
#003-82 **10**

HUSKY DELUXE MAGNETIC TOWING LIGHT KIT

Made for RV, commercial and agricultural use. Includes heavy duty 4-way zinc plug and socket, wiring instructions, plus a blow molded protective storage and carrying case.
Meets all DOT requirements.
30' shielded cable. Features commercial grade magnets with vinyl protective covers. No need to tap into towed vehicle's electrical system. Can be used on multiple vehicles.

11314 Deluxe Tow Light Kit *#11314* **6**

HUSKY MAGNETIC TOWING LIGHTS

The Husky towing lights have over 35% more holding power and larger magnets than competitive models. They include a plug cover to keep dirt and corrosion out. The magnets come with an e-coated magnet cap to eliminate rust and protect the vehicle from scratches. Wired to industry standard 4-way flat connector. Comes in a clam shell that can be used as a storage container. Includes tow vehicle hook-up plug and long 20' cord. Useful for RV, agricultural, industrial, marine and automotive needs. Complete with instructions.

**17929** Magnetic Towing Lights *#17929* **10**

HUSKY LED MAGNETIC TOWING LIGHTS

Consumes 85% less power than traditional incandescent lights and has an average life of 100,000 hours!

LED Magnetic lights are SAE approved. LED lights consume 85% less power than incandescent versions, and have a service life rated at 100,000 hours. The shock and vibration-resistant design make them less susceptible to damage from dropping and vibration. The head assembly is encapsulated in resin for long-lasting, waterproof, trouble-free use. Husky towing lights have over 35% more holding power and larger magnets than competitive models. They include a plug cover to keep dirt and corrosion out. The magnets come with an e-coated magnet cap to eliminate rust and protect the vehicle from scratches. Wired to industry standard 4-way flat connector. Comes in a clam shell that can be used as a storage container. Includes tow vehicle hook-up plug and long 20' cord. Useful for RV, agricultural, industrial, marine and automotive needs. Complete with instructions.

13818 LED Tow Lights *#13818* **1**

HUSKY Incandescent Pre-Wired Fender Light Assembly

Functions as both amber front clearance light and red rear clearance light for over-80" applications. Features a reflectorized lens, eliminating the need for a separate reflector to meet DOT requirements. Mount on top or side of most fenders to mark widest point on trailer. Assembly contains two MC-44 lights and fender-mount bracket.

HUSKY LED Trailer Lights

LEDs are brighter than conventional lights. No bulbs to replace—ever! Use 90% less energy. Safe, dependable service. 100% maintenance free. All products conform to DOT/SAE/FMVSS/CMVSS 108 requirements where applicable.

Description	Part #	
HUSKY Waterproof LED Stop/Turn/Tail & Parking/Rear Turn Signal Lights		
10-Diode 6" Oval Lights for Recess Mount		
Features sonically sealed, waterproof lens and housing in a single unit. All-weather molded plastic housing and durable lens protect against corrosion. Accepts industry standard 3-prong plug for easy retrofit of incandescent lights. Requires mounting grommet and plug for complete installation. Dim.: 6-7/16" x 2-5/16"		
Red Stop/Turn/Tail Light, Bulk	17806	
Red Stop/Turn/Tail Light, 6-Diode Only, Packaged	17988	
Amber Parking/Rear Turn Signal, Bulk	17802	
10-Diode 4" Round Stop/Turn/Tail Light, Recess Mount		
Accepts industry standard 3-prong plug for easy retrofit of incandescent lights. Features sonically sealed, waterproof lens and housing in a single unit. All-weather molded plastic housing and durable lens protect against corrosion. Requires mounting grommet and plug for complete installation. Dim.: 4-5/16" dia.		
Stop/Turn/Tail Light, Bulk	17734	
Stop/Turn/Tail Light, 7-Diode Only, Packaged	18037	
11-Diode 15" Stop/Turn/Tail Light, for Over 80" Trailers		
Sealed, surface mount, over 80" LED stop/turn/tail lights with sleek low-profile design—only 5/8" thick! Includes 11 diodes for bright, dependable performance. Polycarbonate lens is sonic welded to housing for durability. All-weather molded plastic housing and durable lens protect against corrosion. Separate ground wire. Features red LED's and red lens. Dim.:15" x 1-3/8" x 5/8".		
Thin Line Stop/Turn/Tail Light, Bulk	17807	
10-Diode 6" Oval Flange Mount Lights		
Sealed, flange mount. 10 super diodes for bright, dependable performance. Meets DOT FMVSS 108 requirements in any 360 degree position. Surface mount unit does not require panel cutout. Features sonically sealed, waterproof lens and housing in a single unit. All-weather molded plastic housing and durable lens protect against corrosion. Separate ground wire. Dim.: 7-9/16" x 3-5/16" with contour. 3/4" thick.		
Red Stop/Turn/Tail Light	17832	
Amber Parking/Rear Turn Signal	17813	
7- & 8-Function Over 80" Combination Tail Lights		
Waterproof universal mount for over 80" applications. 17732 is 7-function: stop, turn, tail, rear clearance, rear reflex, side marker, and side reflex; eight-function 17733 includes license illuminator as well. All-weather molded plastic housing and durable lens protect against corrosion. Both include separate ground wire and screw-on, replaceable lens. Dim.: 8-1/16"L x 2-7/8"H x 2-13/16"deep.		
Passenger Side 7-Function	17732	
Driver Side 8-Function	17733	
6- & 7-Function Combination Tail Lights		
Universal stud-mount stop/turn/tail lights for under 80" applications. 17833 is 6-function: stop, turn, tail, rear reflex, side marker, and side reflex. Seven-function 17834 is same as 17833 plus license illuminator. All-weather molded plastic housing and durable lens protect against corrosion. Features screw-on, replaceable lens. Mounts on 2" centers, includes separate ground wire. Dim.: 4-3/4" square; 5-3/16" with side marker; 2-5/16" deep.		
Passenger Side 6-Function (Lens CDS#13786)	17833	
Driver Side 7-Function (Lens CDS#13786)	17834	
Waterproof LED Trailer Light Kit. Includes 2 LED Stud-Mount Tail Lights, License Bracket and 25' of Wiring Harness and Hardware, Packaged	17982

Description	Part #	
HUSKY Sealed LED Marker/Clearance Lights		
2-1/2" Marker Clearance Lights, Surface		
Aerodynamic design is not only brighter than its predecessor, but also has a more consistent, even spread of light output. Surface mount design in amber or red for clearance, side marker or identification light. Features sonically sealed, waterproof lens and housing in a single unit. Single wire design grounds through mounting hardware. Two-wire design includes both lead wire and ground wire for mounting to all surfaces.		
2-Diode Amber LED Clearance Light, Bulk	**17459**	
2-Diode Red LED Clearance Light, Bulk	**17463**	
2" Round Sealed LED Marker/Clearance Lights		
Multiple diode LED clearance or side marker light. Features sonically sealed, waterproof lens and housing in a single unit. Accepts industry standard 2-prong plug for easy retrofit of incandescent lights. Requires mounting grommet and plug for complete installation.		
4-Diode Amber LED Clearance Light, Bulk	**17464**	
4-Diode Amber LED Clearance Light, Packaged w/Grommet & Plug	**18038**	
4-Diode Red LED Clearance Light, Bulk	**17472**	
4-Diode Red LED Clearance Light, Packaged w/Grommet & Plug	**18096**	
2-1/2" Round Sealed LED Marker/Clearance Lights		
Same features as the 2" listed above.		
4-Diode Amber LED Clearance Light, Bulk	**17473**	
4-Diode Amber LED Clearance Light, Packaged w/Grommet & Plug	**18117**	
4-Diode Red LED Clearance Light, Bulk	**17477**	
4-Diode Red LED Clearance Light, Packaged w/Grommet & Plug	**18118**	
2-1/2" Round LED Marker/Clearance Lights with Reflectorized Lens		
LED clearance or side marker light features a reflectorized lens eliminating the need for a separate reflector to meet DOT requirements. Sonically sealed, waterproof lens and housing combined into a single unit. Accepts industry standard 2-prong plug for easy retrofit of incandescent lights. Requires mounting grommet and plug for complete installation.		
8-Diode Amber LED Clearance Light, Bulk	**17480**	
8-Diode Red LED Clearance Light, Bulk	**17492**	
2-1/2" x 1-3/16" Mini Thin Lite Sealed LED Marker/Clearance Lights		
LED clearance or side marker light. Features sonically sealed, waterproof lens and housing in a single unit. Accepts industry standard 2-prong plug for easy retrofit of incandescent lights. Single wire design grounds through mounting hardware. Two-wire design contains both lead wire and ground wire for mounting to all surfaces.		
3-Diode Amber LED Clearance Light w/Chrome Base, Bulk	**17548**	
3-Diode Red LED Clearance Light w/Chrome Base, Bulk	**17564**	
Sealed 3-Piece Identification Light Bars		
ID light bar with (3) replaceable AL-91RB and 50" lead wire, for over 80" applications. Features sonically sealed, waterproof light capsules. Contains both lead wire and ground wire for mounting to all surfaces. Features all-weather molded plastic housing and durable lens to protect against corrosion.		
9-Diode LED ID Light Bar w/Black Polymer Base 16-1/2", Bulk	**17575**	
9-Diode LED ID Light Bar w/Stainless Steel Base 14-1/4", Bulk	**17576**	
Thin Lite 4" Sealed LED Marker/Clearance Lights for Surface Mount		
17495/17497 and 17533/17540 six diode LED clearance or side marker light. Features sonically sealed, waterproof lens and housing in a single unit. Multi-diode design optimizes light output. Mounts on industry standard 3" centers. Single wire design grounds through mounting hardware. Select 17495, 17496 or 17497 version for light only or choose 17533, 17537 or 17540 versions for light with A-65PB bracket/plug assembly. Dim.: 4-1/8"L x 1-1/4"W x 1-3/16"D.		
6-Diode Amber Light Only, Bulk	**17495**	
6-Diode Amber Light w/Base & Plug, Bulk	**17533**	
6-Diode Red Light Only, Bulk	**17497**	
6-Diode Red Light w/Base & Plug, Bulk	**17540**	
6-Diode Amber/Red Fender Light Only, Bulk	**17496**	
6-Diode Amber/Red Fender Light w/Base & Plug, Bulk	**17537**

HUSKY Incandescent Truck & Trailer Lighting

All lights in the Husky program are manufactured to ISO/TS–16949 quality standards to ensure dependable performance.
• Popular 4" round and 6" oval sealed stop/turn/tail lights feature bulb shock mounts to prolong bulb life.
• Waterproof, submersible and traditional combination tail lights offered in singles and kits.

Description	Part #
HUSKY Stop/Turn/Tail & Parking/Rear Turn Signal Lights	
4-3/8" Stud Mount Combination Tail Lights	
4-3/8" round stop/turn/tail lights with black polymer housings. 17636 is 3-function stop, turn, tail light, and 17643 is same as 17636 plus license illuminator. Mounts with two 1/4" studs on 2" centers. Features plastic housing, snap-on replaceable lens and easy to change replaceable bulb. Grounds through mounting studs.	
Red Stop/Turn/Tail Light, Bulk (Lens CDS#13787)	**17636**
Red Stop/Turn/Tail Light w/License Light, Bulk	**17643**
4" Round Parking/Turn (Amber) – Stop/Turn/Tail Lights (Red)	
Sealed parking and rear turn signal (amber) – stop/turn/tail lights (red) for flush mount. Features sonically sealed, waterproof lens and housing in a single unit. Shock proof socket guarantees long bulb life. Accepts industry standard 3-prong plug. Requires mounting grommet and plug for complete installation.	
Amber Parking/Rear Turn with Grommet and Plug, Bulk	**17652**
Red Stop/Turn/Tail Light Only, Bulk	**17656**
Red Stop/Turn/Tail Light with Grommet and Plug, Bulk	**17655**
Red Stop/Turn/Tail Light with Grommet and Plug, Clam Packaging	**18190**
6" Oval Parking/Turn (Amber) – Stop/Turn/Tail Lights (Red)	
Sealed, flush mount parking and rear turn signal (amber) – stop/turn/tail lights (red). Features sonically sealed, waterproof lens and housing in a single unit. Shock proof socket guarantees long bulb life. Accepts industry standard 3-prong plug. Requires mounting grommet and plug for complete installation.	
Amber Parking/Rear Turn Signal Only, Bulk	**17657**
Amber Kit with Grommet and Plug, Bulk	**17670**
Red Stop/Turn/Tail Light Only, Bulk	**17660**
Red Kit with Grommet and Plug, Bulk	**17725**
Red Kit with Grommet and Plug, Clam Packaging	**18193**
Sealed 6" Oval Mid-Ship Light	
Sealed amber mid-ship turn signal and side marker light. Meets FMVSS 108 requirements for side turn signal with added side marker and reflector functions. Features sonically sealed, waterproof lens and housing in a single unit. Shock proof socket guarantees long bulb life. Accepts industry standard 3-prong plug. Kits include 17416 grommet and 17411 plug.	
Amber Kit with Grommet and Plug, Bulk	**17726**
Over 80" Combination Tail Lights	
Universal stud-mount stop/turn/tail lights for over 80" applications. 17650 is 7-function: stop, turn, tail, rear clearance, rear reflex, side marker, and side reflex. Eight-function 17651 is same as 17650 plus license illuminator. Feature built-in rear clearance light, eliminating the need for a separate light to meet DOT requirements. Same great features as the 17727 & 17728. Dim.: 4-9/16" square; 6-1/8" with side reflex.	
Passenger Side 7-Function, Bulk (Lens CDS#13056 and 11908)	**17650**
Driver Side 8-Function, Bulk (Lens CDS#13056 and 11908)	**17651**
Universal Under 80" Combination Tail Lights	
Universal stud-mount stop/turn/tail lights for under 80" applications. 17727 is 6-function: stop, turn, tail, rear reflex, side marker, and side reflex. Seven-function 17728 is same as 17727 plus license illuminator. Grounds through mounting studs. Mounts on 2" centers. Features screw-on, replaceable lens and easy to change replaceable bulb. Shock proof socket guarantees long bulb life. All-weather molded plastic housing and durable lens protect against corrosion. Designed with plug-n-go connections for quick connect wiring. Dim.: 4-9/16" square; 5-1/4" with side reflex.	
Passenger Side 6-Function, Bulk (Lens CDS#13788)	**17727**
Passenger Side 6-Function, Clam Packaging (Lens CDS#13788)	**18128**
Driver Side 7-Function, with License Light, Bulk (Lens CDS#13788)	**17728**
Driver Side 7-Function, with License Light, Clam Packaging (Lens CDS#13788)	**18120**
Waterproof Over 80" Combination Tail Lights	
Waterproof universal mount stop/turn/tail lights for over 80" applications. 17586 is 7-function: stop, turn, tail, rear clearance, rear reflex, side marker, and side reflex; eight-function 17587 include license illuminator as well. Features screw-on, replaceable lens and easy to change replaceable bulb. All-weather molded plastic housing and durable lens protect against corrosion. 17586/17587 include separate ground wire. Dim.: 8-1/16"L x 2-7/8"H x 2-13/16"deep.

HUSKY Truck & Trailer Lighting

All lights in the Husky program are manufactured to ISO/TS–16949 quality standards to ensure dependable performance.
• Popular 4" round and 6" oval sealed stop/turn/tail lights feature bulb shock mounts to prolong bulb life.
• Waterproof, submersible and traditional combination tail lights offered in singles and kits.

Description	Part #	
HUSKY Back-Up Lights and Trailer Light Kits		
Sealed 4" Round Back-Up Light		
Flush mount sealed back-up light. Features sonically sealed, waterproof lens and housing in a single unit. Shock proof socket guarantees long bulb life. All-weather molded plastic housing and durable lens protect against corrosion. Accepts industry standard 2-prong plug. Requires mounting grommet and plug for complete installation. 17421 kit includes the 17408 grommet and A-45CB straight pigtail. Dim.: 4-1/4"L x 2-1/16"W.		
Clear Kit with Grommet and Plug, Bulk	**17421**	
6" Oval Back-Up Lights		
Flush mount back-up light. Features sonically sealed, waterproof lens and housing in a single unit. Shock proof socket guarantees long bulb life. All-weather molded plastic housing and durable lens protect against corrosion. Accepts industry standard 2-prong plug. Requires mounting grommet and plug for complete installation. 17423 kit includes the 17416 grommet and A-45CB straight pigtail.Dim.: 6-1/2"L x 2-1/4"W.		
Clear Back-Up Light Only, Bulk	**17422**	
Clear Kit with Grommet and Pigtail, Bulk	**17423**	
4" Round Sealed Clear DOT LED Back-Up Light		
Sealed, flush mount, clear LED back-up light. 36 diodes. Meets DOT FMVSS 108 requirements in any 360 degree position. Features sonically sealed, waterproof lens and housing in a single unit. All-weather molded plastic housing and durable lens protect against corrosion. Accepts industry standard 2-prong plug for easy retrofit of incandescent lights. Requires mounting grommet and plug for complete installation. Certified for back-up light function.		
36-Diode 4" Flush Mount LED Back-Up Light, Bulk	**17424**	
Stud-Mount Trailer Light Kits		
Bulk kits (17838 and 17859) include two universal stud mount tail lights, a corrosion proof license plate bracket and two amber stud mount marker clearance lights.
