

# LIVE OUT LOUD.

Ready to make some noise? Then the all-new 2012 Chevrolet Sonic is designed and built for you – and your world. Goodbye run-of-the-mill. Hello to a car that dials up the fun – and your expectations. How? With an attention-grabbing global design and performance that'll also make you stand up and take notice, highlighted by an available highly fuel-efficient 138 horsepower 1.4L turbocharged ECOTEC® engine. As for the connectivity and sound system technology – let's just say with a name like Sonic, it makes its presence felt loud and clear. Use the standard Bluetooth® hands-free phone connectivity to stay in touch. Plug your iPod® into the standard auxiliary audio input jack and let the soundtrack begin. Even better, use the available Bluetooth® audio connectivity to stream all your favourite tunes

from your mobile phone wirelessly. With driver control features like the standard StabiliTrak® electronic stability control system and ABS, plus up to 10 available airbags, Sonic lets you focus on fun by giving you genuine peace of mind. In fact, the 2012 Sonic equipped with the available Peace of Mind Package earned a coveted 2012 Insurance Institute for Highway Safety (IIHS) Top Safety Pick.\* That's on top of the National Highway Traffic Safety Administration's highest possible Overall Vehicle Score – five stars – for the same Sonic models.\*\* The all-new Sonic Sedan and Sonic 5-Door. Louder is definitely better.

\* Applies only to LTZ models or LS and LT models equipped with available Peace of Mind Package. For more information visit [iihs.org/ratings](http://iihs.org/ratings)  
\*\* Applies only to LTZ models or LS and LT models equipped with available Peace of Mind Package. U.S. Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program ([www.safercar.gov](http://www.safercar.gov)).

***"...SONIC DOESN'T JUST COMPETE, IT COULD BE THE CLASS LEADER."***

Sonic Sedan LTZ, shown in Silver Ice Metallic.

## MUSIC TO YOUR EYES.

You're not shy about demanding a ton of personality from a new car. Neither were Chevrolet's global team of designers, who collaborated to create a unique style that mixes European flair with distinctive accents like the pronounced circular headlight design. That's not the only way Sonic stands out – by bringing the wheels close to the corners,

it has a planted stance that exudes confidence. Take Sonic out on the street and you'll recognize how performance tuning and nimble handling makes for a more engaging way of zipping around city streets or out on the open road. Sonic's style – it not only strikes a chord, it's a chord that reverberates with its own dynamic approach to driving.

Sonic 5-Door LTZ, shown in Inferno Orange Metallic, available at extra cost.

## MORE THAN JUST HEAD SPACE.

Sonic has plenty of room for attitude – both yours and its own. But it also leaves room for all the necessities of life you never want to be without. In other words, it isn't just equipped with a good sound system; it also offers the space to bring the musical equipment with you – whatever you need to bring your own music to life. To be specific, Sonic's intelligent use of space creates a trunk capacity of 397 L in the Sedan.

Sonic 5-Door takes capacities to another level altogether, offering 539 L with the rear seats upright and a substantial 869 L with the rear seats folded down. And you can divide and conquer the space in back, with split-folding rear seatbacks that let you fold down either seat individually, or both together to maximize your loading options. Versatility is created with real imagination in Sonic – because you need your own space.

# AMPLIFY THE ENJOYMENT.

You bring your own joy to the journey. Sonic is designed and equipped to stoke your enthusiasm. Chevrolet's signature sporty dual cockpit design sets the stage for the good times that follow, as soon as you get into your optimal position in the four-way adjustable driver's seat. Then check out the style of the motorcycle-inspired instrument cluster. Select your tunes using the standard auxiliary audio input jack for your iPod® or other MP3 player. LT models add a CD player and MP3 playback and LTZ models feature SiriusXM Satellite Radio™\* – giving you

up to 130 channels of programming with a comprehensive range of genres to choose from and enjoy. And the standard Bluetooth® hands-free phone connectivity allows you to keep in touch, while available Bluetooth® wireless audio connectivity gives you yet another way to bring your tunes along. The rest you'll have to leave to your imagination until you take Sonic for a test drive. That's when you'll discover how you and Sonic are definitely on the same wavelength.

\* Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. Visit xmradio.ca for details.

***"...THE QUIETNESS IN THE CABIN WAS IMPRESSIVE, WITH LITTLE ROAD NOISE INTRUDING INSIDE AND AN ALMOST TOTAL ABSENCE OF WIND NOISE."***  
- NATIONAL POST, SEPTEMBER 2011

1. Another example of how Sonic does things differently – it offers three transmissions: a standard 5-speed manual, available 6-speed automatic and a 6-speed manual that's standard on LTZ.

2. Any resemblance to leading-edge motorcycle instrumentation is purely intentional. And all feelings of excitement this driving experience produces are also purely by design.

Sonic LTZ interior, shown in Jet Black with available equipment.

Sonic Sedan LTZ, shown in Crystal Red Tintcoat, available at extra cost.

#### WHY TURBO?

Sonic's available 1.4L turbocharged ECOTEC® engine makes turbo power affordable. Turbocharging directs substantially more air into each cylinder, enabling it to optimize each combustion cycle. At the same time, an intercooler cools the air entering the engine, allowing for more complete combustion. Even better – the ECOTEC® turbo delivers its power with minimal lag and, unlike many other turbocharged engines, it runs on regular fuel.

1

2

***“WHETHER SIMPLY CRUISING OR GIVING IN TO SOME PLAYFUL MOMENTS, THE SONIC’S HANDLING DYNAMICS WERE EXCELLENT.”***  
– NATIONAL POST, SEPTEMBER 2011

## SIPS WHILE IT ZIPS.

Sonic taps into your dual nature: fun, yet responsible. It does so by going beyond predictable engineering solutions. The standard 1.8L ECOTEC® four-cylinder engine generates 138 horsepower, while at the same time it's remarkably fuel efficient, thanks to Variable Valve Timing (VVT) that optimizes combustion to generate the most power using the least amount of fuel. But here's where things get really interesting. Sonic also offers an available 1.4L turbocharged ECOTEC® engine that

produces the same amount of horsepower as the base engine but increases the torque, making it much more responsive across a wide range of engine speeds for quicker acceleration and passing. And it's ridiculously fuel efficient – earning a highway fuel consumption rating of just 5.1 L/100km.\* Sonic – it really zips.

\*2012 Chevrolet Sonic LTZ equipped with standard 6-speed manual transmission. Based on Natural Resources Canada's 2012 Fuel Consumption Guide. Your actual fuel consumption may vary.

1. The 1.8L ECOTEC® four-cylinder engine, standard on Sonic LS and LT, generates 138 hp and 125 lb.-ft. of torque at 3800 rpm.

2. The 1.4L turbocharged ECOTEC® four-cylinder engine, standard on Sonic LTZ, generates 138 hp and 148 lb.-ft. of torque at just 2500 rpm.

# SONIC ALSO HAS A SERIOUS SIDE.

Sonic gives you the horses with its ECOTEC® power. But it also gives you the reins, with a standard four-wheel Anti-lock Braking System (ABS), traction control and StabiliTrak®. As an electronic stability control system, technologies like StabiliTrak® have been proven to reduce the risk of a fatal single-vehicle car crash by 36 percent.<sup>†</sup> The system intervenes automatically when it detects a lateral skid by adjusting factors like engine torque and the brake pressure delivered to the appropriate wheel to help return you to your intended driving line. The occupant protection also goes way beyond the expected, with up to 10 available airbags.<sup>††‡</sup> That helped Sonic, equipped with the available Peace of Mind

Package, earn a 2012 Insurance Institute for Highway Safety (IIHS) Top Safety Pick.<sup>\*\*</sup> The same Sonic models also earned the highest possible Overall Vehicle Score – five stars – from the National Highway Traffic Safety Administration.\* Real fun meets real peace of mind. Play safely – in Sonic.

\* Applies only to LTZ models or LS and LT models equipped with available Peace of Mind Package. U.S. Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program ([www.safercar.gov](http://www.safercar.gov)).  
 \*\* Applies only to LTZ models or LS and LT models equipped with available Peace of Mind Package. For more information visit [iihs.org/ratings](http://iihs.org/ratings)  
 † According to information published by the U.S. Department of Transportation's National Highway Traffic Safety Administration, July 2007.  
 †† Airbag inflation can cause severe injury or death to anyone too close to the airbag when it deploys. Be sure every occupant is properly restrained.  
 ‡ A NOTE ON CHILD SAFETY: Always use safety belts and proper child restraints, even in vehicles equipped with airbags. Refer to the vehicle Owner's Manual and child safety seat instructions for more information.

1. Sonic features 6 standard airbags,<sup>††</sup> 10 airbags are standard on LTZ and available on other models.

IT'S TIME TO ACCESSORIZE.

Now's the time to put your personal stamp on your vehicle with the addition of Chevrolet Accessories. They are the only accessories that were created as part of Sonic's development process. That ensures they offer the same quality of fit, finish and function as the rest of your vehicle. They are backed by the 3-year/60,000 km New Vehicle Limited Warranty\* and can be included in your lease or finance agreement. Ask your dealer for a complete list of the Chevrolet Accessories available for Sonic, or visit [chevrolet.ca](http://chevrolet.ca)

\* Whichever comes first, when permanently installed by the dealer at the time you purchase or lease your new vehicle, or for the remainder of the New Vehicle Limited Warranty if installed after the time of your vehicle purchase or lease, but no less than 12 months.

Chevrolet Accessories available for Sonic include:

- Custom exterior stripe package (9 to choose from, see dealer for details)
- Cargo net
- Cargo tray
- Door sill plates
- Pedal covers
- Premium floor mats.

ONSTAR®

OnStar® and 6 months of the Directions & Connections Plan\*\* are standard on all Sonic models. Take a look at the range of safety, security, information and communications features that are included. To find out more about the range of OnStar® features and services available, please visit [onstar.ca](http://onstar.ca)

Security Services

If your vehicle is stolen, onboard OnStar® GPS technology helps police locate it. OnStar® also includes remote door unlock, plus remote horn and light services.

Vehicle Diagnostics

You can receive monthly emails updating the status of your vehicle's key operating systems.

Turn-by-Turn Navigation

It's the simplest and smartest navigation system available. Simply push the OnStar® button and tell an Advisor where you are going. Instructions are then downloaded to your vehicle, giving you turn-by-turn directions to your destination.

Automatic Crash Response

The moment built-in OnStar® sensors detect a collision, they automatically alert an OnStar® Advisor of critical details, such as the type and severity of the crash – and your exact location. The Advisor relays the information immediately to emergency responders, directing them to your location and preparing them for what to expect at the scene.\*\*

Emergency Services

Press the red Emergency button, and you'll get a priority connection to a specially trained Advisor who will contact the appropriate emergency service provider and guide them right to your location.\*\*

Hands-Free Calling

This feature enables you to make and receive calls, while keeping your eyes on the road and your hands on the steering wheel. It's not only safer and more convenient, it's also the law in many Canadian provinces.

OnStar RemoteLink™ Mobile App

OnStar RemoteLink™ places the power of OnStar® right in the palm of your hand. Whether you're across the street or across the country, OnStar RemoteLink™ gives you unparalleled control and unprecedented connectivity to perform a series of functions remotely from your iPhone® or select Android™ devices.

Download and register the app at [onstar.ca](http://onstar.ca) and you'll have access to the following functions right at your fingertips:

- Lock or unlock your doors from any distance
- Start your engine remotely (if equipped)
- Activate your horn and lights to find your vehicle
- View real-time fuel information (range to empty, fuel remaining, current fuel consumption and lifetime fuel consumption)
- Check your remaining oil life and tire pressure
- Access your OnStar® account information
- Contact an OnStar® Advisor, Roadside Assistance or your preferred Chevrolet dealer.

\*\* Visit [onstar.ca](http://onstar.ca) for coverage map, details and system limitations. Services vary by model and conditions. OnStar® acts as a link to existing emergency service providers.

† Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. Visit [xmradio.ca](http://xmradio.ca) for details.

SONIC MODEL OVERVIEW

SONIC LS SEDAN/5-DOOR

Sonic LS includes these standard features:

- 138 hp 1.8L ECOTEC® 4-cylinder engine with Variable Valve Timing (VVT)
- GM Oil Life Monitoring System
- 5-speed manual transmission (6-speed automatic available)
- 4-wheel Anti-lock Braking System (ABS)
- StabiliTrak® electronic stability control system
- Traction control
- MacPherson strut independent front suspension and rear semi-independent torsion beam axle with coil springs suspension
- 15-in. steel wheels with wheel covers on Sedan; 15-in. painted aluminum wheels on 5-Door
- Liftgate-mounted spoiler on 5-Door
- Remote keyless entry system
- 6 airbags

- Driver Information Centre with compass
- Power door locks
- Tilt and telescopic steering column
- Steering wheel-mounted Bluetooth® and audio system controls
- Cargo security cover on 5-Door
- Front bucket seats with manual 4-way driver seat adjuster
- Cloth seating surfaces
- 60/40 split-folding rear seatbacks
- 4-speaker audio system with AM/FM stereo and auxiliary audio input jack
- Bluetooth® hands-free phone connectivity
- OnStar® with 6 months of the Directions & Connections Plan featuring Turn-by-Turn Navigation\* and OnStar RemoteLink™.

\* Visit [onstar.ca](http://onstar.ca) for coverage map, details and system limitations. Services vary by model and conditions.

\*\* Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. Visit [xmradio.ca](http://xmradio.ca) for details.

SONIC LT SEDAN/5-DOOR

Sonic LT enhances LS features with:

- Heated, power exterior mirrors
- Vehicle content theft alarm
- Air conditioning with air filtration system
- Power windows with driver-side express up/down
- Cruise control with steering wheel-mounted controls
- Premium cloth seating surfaces
- 4-speaker audio system with CD player, MP3 playback and auxiliary audio input jack.

SONIC LTZ SEDAN/5-DOOR

Sonic LTZ enhances LT features with:

- 138 hp 1.4L turbocharged ECOTEC® 4-cylinder engine with Variable Valve Timing (VVT)
- 6-speed manual transmission (6-speed automatic available)
- 17-in. painted aluminum wheels
- Fog lights
- 10 airbags
- Tire pressure monitoring system
- Leather-wrapped steering wheel with Bluetooth®, cruise and audio system controls
- Perforated leatherette seating surfaces
- Heated front bucket seats
- 6-speaker audio system
- USB port with additional auxiliary audio input jack
- Bluetooth® wireless audio connectivity
- SiriusXM Satellite Radio™\*\*

STAY PLUGGED IN.

Communications and entertainment go mobile in Sonic. You can stay in touch with your friends, while you listen to your favourite tunes on an excellent sound system. Choose the electronic equipment you want to stay connected and entertained.

SiriusXM Satellite Radio™†

You can choose from up to 130 channels of SiriusXM Satellite Radio™. It's standard on LTZ and available on LT, offering everything from a vast range of musical genres, to news, talk, comedy and sports channels – including more than 1000 NHL games.

USB Port

A USB port enables you to operate an MP3 player and access music on a flash drive. Standard on LTZ and available on LT.

Bluetooth®

Bluetooth® hands-free phone connectivity – standard on all models – enables you to make, answer and end calls on compatible mobile phones, using available steering wheel-mounted controls. Wireless audio connectivity allows you to stream music directly from your phone – it's standard on LTZ and available on LT.

WARRANTY

IT ISN'T FINE PRINT – IT'S A COMMITMENT.

Chevrolet puts the same care into its warranty and support programs that it does into the cars and trucks it builds. So you can add peace of mind knowing that every Chevrolet is backed by the best coverage in Canada:

- 3-year/60,000 km New Vehicle Limited Warranty\*
- 5-year/160,000 km Powertrain Component Limited Warranty, with \$0 deductible on repairs and the warranty is fully transferable at no charge\*
- 5-year/160,000 km Courtesy Transportation\*
- 5-year/160,000 km 24/7 Roadside Assistance\*
- 6-year/160,000 km rust-through perforation coverage\*
- 8-year/130,000 km coverage on catalytic converters and powertrain control modules (PCMs).\*

\* Whichever comes first. Conditions and limitations apply, see dealer for details.

OTHER OWNERSHIP PRIVILEGES AND PROGRAMS:\*\*

- **GM Protection Plan (GMPP)** – the only extended service plan backed by the resources and commitment of General Motors, GMPP may be purchased at the time of sale or subsequently during the New Vehicle Limited Warranty period
- **GM Goodwrench Service** – with GM-certified technicians and GM-approved parts, nobody knows your GM vehicle better
- **Chevrolet Owner Centre** – as an owner, take advantage of the Chevrolet Owner Centre. This online owner's destination gives you access to coupons, contests, current offers and the latest driving and maintenance tips. Find out more at [ChevroletOwner.ca](#)

\*\* Conditions and limitations apply.

TO HELP YOU PURCHASE OR LEASE A NEW VEHICLE:

- **Purchase Financing and Leasing** – on the spot financing, see dealer for full details†
- **GM Student Bonus Program** – students or recent graduates of high school, college or university\*\* may be entitled to receive a Student Bonus vehicle redemption allowance of \$500 or \$750†† (tax inclusive) (purchased vehicle dependant) to use towards the purchase, lease or finance of one eligible new Chevrolet vehicle
- **The GM Card** – GM cardholders may redeem up to \$3500 GM Card® Earnings (subject to Vehicle Redemption Allowances) toward the Total Purchase Price on eligible new GM vehicles.†† For full program details please visit [thegmcard.ca](#)

† Subject to eligibility. †† Program subject to change. \*\* Conditions and limitations apply.

INFORMATION RESOURCES:

You can find more information about these programs from your GM dealer, or at these information centres:

- The GM website at [gm.ca](#)
- The GM Customer Care Centre at **1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830** for TDD users).

A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of the printing, please check with your GM dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

A WORD ABOUT ASSEMBLY

GM vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in GM vehicles. Certain equipment ordered may be unavailable at the time of assembly and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.
