

2012 CADILLAC CTS

## *FROM GOOD TO GREAT.*

Good isn't too hard to achieve. But great? That's something different. Great takes putting in the long hours. Burning the midnight oil. Believing in the big ideas, and sweating the small stuff, and steadfastly refusing to settle for less than the very best. Great comes, in other words, from people living their passion, people like the team behind Cadillac's 2012 CTS family of luxury driving machines. Thanks to them, CTS showcases an unsurpassed commitment to excellence in automotive design and technology in every model – Coupe, Sport Sedan, Sport Wagon, and of course, the awesome V-Series variants. If you're ready to make the leap from good to great, then it's time to go for a drive.

**At Left:** CTS Coupe, shown in Crystal Red Tintcoat, an extra-cost option, with available CTS Touring Package.

## CTS COUPE.

IT'LL TAKE YOUR BREATH AWAY.

The excitement of CTS Coupe begins the moment you first set eyes on it. With its bold profile and ingenious hidden door handles, the car is sheer drama in steel and glass, attracting envious looks and compliments in every setting. When experienced from the well-bolstered eight-way power adjustable driver's seat, CTS Coupe is even more thrilling. This is a genuine two-plus-two luxury sports car, powered by a highly refined 318-horsepower V6 engine and with the lightning-quick reflexes that only a premium ZF steering system and unique, performance-oriented suspension tuning can provide. In the driver-focused cabin, the emphasis is equal parts luxury, striking style and confident control. Put it all together and the end result is simply breathtaking.

1

1 The bright chrome finish and dihedral shape of CTS Coupe's centre-mounted dual exhaust outlets make a powerful accent for the car's dramatic rear styling.

2

2 The CTS Coupe cabin combines technical sophistication with beautiful premium details, like the French stitching you will find on the seats and dash.

At Right: CTS Coupe, shown in Radiant Silver Metallic with available Sport Package.

## CTS SPORT SEDAN.

### BEAUTY THAT RUNS DEEP.

With its uniquely commanding presence, clean, sculpted surfaces and bold details, CTS Sport Sedan is a rolling showcase of leading-edge automotive design. And for those in the know, this is a car that's just as impressive below the surface. You'll find premium hardware everywhere in CTS Sport Sedan. Take, for example, the standard 270-horsepower 3.0-litre V6 engine. With advanced technologies like direct fuel injection and Variable Valve Timing, it easily outmuscles Audi's A4, the BMW 328i and 528i and the Mercedes-Benz C300 and E350.\* Other hidden highlights include a sophisticated track-tuned suspension, the StabiliTrak® electronic stability control system and Panic Brake Assist. The superior appointments found inside the CTS Sport Sedan cabin, of course, speak for themselves.

\* Based on latest competitive information available at time of printing.

1

**1** The available CTS Touring Package includes a dark accented grille shown here, plus, on Sport Sedan and Sport Wagon models, chrome door handles, along with a host of interior upgrades.

2

**2** The CTS Sport Sedan cabin blends technical precision and beautiful hand-crafted details with leading-edge technologies, including standard Bluetooth® phone connectivity.

At Left: CTS 3.0L Sport Sedan, shown in Radiant Silver Metallic with available CTS Touring Package.

## CTS SPORT WAGON.

LIVE WITHOUT LIMITS.

CTS Sport Wagon delivers all the world-class luxury, style and agile performance drivers have come to expect from CTS, plus a higher level of versatility that opens up new worlds of possibilities. Behind the 60/40 split-folding rear seats, there's a generous 720 litres of room for cargo. Fold the seats away and that expands to 1642 litres – far more than you'll find in the 2012 Audi A4 Avant.\* Loading and unloading is a breeze, thanks to a standard programmable power rear liftgate. If you need to transport even more gear, CTS Sport Wagon's standard roof load management system and available crossbars make it a simple matter to install the cargo rack or box of your choice.

\* Based on latest competitive information available at time of printing.

**1 Drivers who park in garages** with low ceilings will appreciate CTS Sport Wagon's standard power liftgate, which can be programmed to open to a specific height.

**2 CTS Sport Wagon's standard 60/40 split-folding rear seatbacks** make it easy to carry passengers and long or bulky cargo items at the same time.

At Left: CTS 3.6L Sport Wagon, shown in Thunder Grey ChromaFlair®, an extra-cost option, with available Sport Package.

## OBSESSION IS A GOOD THING.

For a prime example of the CTS team's passion for pushing the envelope, look no further than the cabin. Styled to reflect the latest thinking in contemporary design and equipped to deliver higher levels of comfort, convenience and control, CTS's interior makes competitive cars look austere by comparison. The surfaces of the doors, instrument panel and console are fitted in trim that's cut, wrapped and sewn by master craftsmen. For your listening enjoyment, the pure sound reproduction of a Bose® audio system is standard on every model. Midnight Sapele Pommele wood trim, heated and ventilated Recaro® performance bucket seats, a heated power adjustable steering wheel, an ambient lighting package, and an array of other features are also available.

**1** CTS's available **Navigation System** features a pop-up touch screen and a 40 GB Hard Drive Device (HDD). It recesses into the dash when not in use.

**2** **Alloy Sport Pedals, sueded trim on the steering wheel**, shifter and seat inserts and genuine Midnight Sapele wood accents are a few of the fine features included with the available CTS Touring Package.

**3** For 2012, **CTS 3.6L and CTS-V models** can be equipped with the exceptional comfort and support of power adjustable Recaro® front bucket seats with sueded inserts.

## PURE-BRED PERFORMANCE.

At the heart of every great car lies a great engine. Or, in the case of CTS, three great engines. The standard engine in CTS Sport Sedan and Sport Wagon is a leading-edge 270-horsepower 3.0-litre V6. For those who demand even more performance, an equally advanced 318-horsepower 3.6-litre V6 is standard on CTS Coupe and available on Sport Sedan and Sport Wagon models. The ultimate CTS, of course, is the awesome 556-horsepower CTS-V, shown at right. For key information on CTS-V Coupe, Sport Sedan and Sport Wagon, see pages 14-17 of this brochure. No matter which engine you choose, you'll enjoy the responsiveness of a sophisticated, track-tuned, fully independent suspension and the confidence of four-wheel disc brakes with ABS and Panic Brake Assist. All-Wheel Drive is available on all V6-powered CTS models, for extra surefootedness in slippery conditions.

**1** Before they were deemed ready for Canadian roads, CTS and CTS-V were put through their paces on the world's toughest test track: Germany's 20.8-km Nürburgring Nordschleife.

**2** With 318 hp and highway fuel consumption of just 6.8 L/100 km,\* the 3.6L V6 delivers a remarkable combination of power and efficiency.

**3** CTS's available All-Wheel-Drive (AWD) system automatically redistributes engine torque to the wheels with grip to help maintain your forward momentum.

\* 2012 CTS Coupe and Sport Sedan with 3.6L V6 engine and 6-speed automatic transmission. Based on GM testing in accordance with approved Transport Canada test methods. Your actual fuel consumption may vary.

At Right: CTS-V Coupe, shown in Thunder Grey ChromaFlair®, an extra-cost option, with available features.

# CTS-V: THE 556-HORSEPOWER LORD OF THE 'RING.

With its 556-horsepower supercharged 6.2-litre V8 engine, CTS-V – available in Coupe, Sport Sedan and Sport Wagon forms – isn't just the most powerful Cadillac ever built. It's one of the most powerful production cars in the world. And sheer thrust is just part of the equation. With premium chassis hardware like Brembo® vented disc brakes and a performance-tuned Magnetic Ride Control® suspension, CTS-V delivers balanced performance of the very highest order. At Germany's fearsome Nürburgring race track, a CTS-V Sport Sedan completed the Nordschleife course in under 8 minutes – an astounding performance for a luxury car on regular production tires. No wonder *Car and Driver* magazine named the CTS-V lineup to their 2011 list of the 10Best Cars.

**1 Supercharged and intercooled**, CTS-V's state-of-the-art 6.2L LSA V8 engine produces a tremendous 556 hp and 551 pounds-feet of torque.

**3 CTS-V Sport Wagon** offers a blend of blistering performance, luxury and utility that nothing else can match. It's destined to be a much sought-after collector's item.

**2 A dramatic V-series grille**, 19-inch alloy wheels, high-performance low-profile tires and a rear decklid spoiler are a few of the exterior touches that distinguish CTS-V Sport Sedan.

**4 Cadillac Racing campaigns** specially prepared CTS-V race cars against competitors like the Porsche 911 GT3 in the World Challenge GT series.

**At Right:** CTS-V Coupe, shown in Thunder Grey ChromaFlair®, an extra-cost option, with available features.

## CTS-V.

### THRILLING DOWN TO THE LAST DETAIL.

In creating CTS-V's unique blend of luxury and ultra-high performance, Cadillac's engineers and designers overlooked nothing. The available heated and ventilated Recaro® seats deliver outstanding comfort. They're also contoured and bolstered to hold you firmly in place as you test the limits of the car's high-tech suspension – on the track, of course. Sueded microfibre inserts in the seats and an available sueded steering wheel and shifter package contribute to an even surer grip. A standard Navigation System with a pop-up touch screen helps guide you to destinations throughout North America.\* For even more drama and exclusivity, dark-stained Midnight Sapele genuine wood accents are available for the instrument panel, console and doors.

\* At time of print, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas.

**1 The available Recaro® front bucket seats** feature pneumatic bolsters in the cushions and backrests to help every driver achieve exactly the right fit.

**2 LED tracer lights** on the CTS-V tachometer track the needle as it rises and falls. They flash as the engine approaches redline to signal the need for an upshift.

At Left: CTS-V Coupe interior, shown with available Recaro® performance seats in Ebony with Saffron sueded inserts.

# SAFETY CONSIDERED FROM EVERY ANGLE.

A multi-dimensional concern for safety is an integral part of the CTS concept. The top priority is helping you stay out of danger whenever possible. The responsive chassis and four-wheel disc brakes are key to achieving that goal, supplemented by advanced systems like the StabiliTrak® electronic stability control system, ABS and Panic Brake Assist. Should a collision prove unavoidable, front and rear crush zones, a steel safety cage and six standard airbags come into play to help reduce any risk of injury. And afterwards, OnStar® can automatically dispatch the appropriate emergency service personnel to your exact location and provide the assistance you need.\*

\* Visit [onstar.ca](http://onstar.ca) for coverage map, details and system limitations. Services vary by models and conditions. OnStar® acts as a link to existing emergency service providers.

**1 Side blind zone alert** provides a warning in the exterior rear-view mirror when there's a vehicle in your "blind spot". It's standard on CTS-V Coupe and available on CTS Coupe.

# ONSTAR®: DRIVE CONNECTED.

Among the many powerful reasons for choosing CTS over a competitive luxury sports coupe, sedan or wagon, OnStar® is one of the very best. OnStar® is standard on every CTS model with 1 year of the Directions & Connections Plan featuring Turn-by-Turn Navigation\* and the OnStar RemoteLink™ mobile app. Described below are just some of the remarkable services that OnStar® can perform to enhance your safety, security and convenience.

## STOLEN VEHICLE ASSISTANCE

In the unlikely event that your CTS should be stolen, OnStar® can help recover it. Using GPS technology, OnStar® can locate your vehicle and track its movements. OnStar® can relay that information to authorities who can use it to recover your CTS quickly and safely.

## REMOTE VEHICLE DIAGNOSTICS

OnStar® can provide you with the information you need to keep your new CTS in top condition. Every month, the system can run a series of diagnostic and maintenance checks and send you a comprehensive report via email.

## TURN-BY-TURN NAVIGATION

When it comes to user-friendliness, OnStar®'s Turn-by-Turn Navigation has no equal. By pressing a single button, you make a voice connection to an OnStar® Advisor and tell him or her where you want to go. Within seconds, clear, audible directions are downloaded to your CTS. Turn-by-Turn Navigation will even help get you back on track automatically if you take a wrong turn.

## HANDS-FREE CALLING

OnStar®'s built-in wireless calling feature helps you make mobile calls legally and conveniently. It also provides a clear and reliable connection, even in areas where cellular reception is limited.

## AUTOMATIC CRASH RESPONSE

Any time integrated crash sensors indicate that a collision has taken place, the vehicle immediately sends that information to the OnStar® Centre. An OnStar® Advisor will call immediately to see if you need help. If you're unable to respond, the advisor can determine your exact location via GPS and dispatch emergency services.\*

## ONSTAR REMOTELINK™

A new feature for 2012, the OnStar RemoteLink™ mobile app makes it easy to connect to OnStar®, even when you're not in your car. OnStar RemoteLink™ allows you to perform a series of functions remotely from your iPhone® or select Android™ devices. Once you download and register the app at [onstar.ca](http://onstar.ca), you can access all the following functions regardless of where you may happen to be:

- Lock/unlock your doors
- Start your engine remotely (if so equipped)
- Activate your horn and lights to help you find your vehicle
- View real-time fuel information (range to empty, fuel remaining, current fuel consumption and lifetime fuel consumption)
- Check your tire pressure and remaining oil life
- Access your OnStar® account information
- Contact an OnStar® Advisor, Roadside Assistance or your preferred Cadillac dealer.

# CADILLAC SHIELD: THE NEW STANDARD OF LUXURY OWNERSHIP

At Cadillac, we believe our owners deserve the very best. That's why when we set out to create the ultimate customer experience, designing and engineering great vehicles was just the beginning; we were also looking to create an experience comparable with those provided by the world's greatest luxury brands. Every vehicle we sell is backed by the Cadillac Shield, the most comprehensive suite of owner benefits offered by any luxury automotive brand in the world. From innovations like Remote Vehicle Diagnostics and advanced mobile apps to the extraordinary value of our no-charge Premium Care Maintenance Program, Cadillac Shield sets a new standard of luxury ownership.

## CADILLAC WARRANTY

Every Cadillac is covered by a 4-year/80,000 km Limited Warranty\* which covers repairs on your entire vehicle, including parts and labour, to correct problems in materials and workmanship. A 5-year/160,000 km Powertrain Component Limited Warranty\* is also included that covers select powertrain components.

## PREMIUM CARE MAINTENANCE

Standard on every new Cadillac is the no-charge Cadillac Premium Care Maintenance Program, which covers select required maintenance services during the first 4 years or 80,000 km of ownership.\*\*

## ROADSIDE ASSISTANCE

Any time you require assistance during the 5-year/160,000 km Powertrain Component Limited Warranty period,\* regardless of where you may be in Canada or the contiguous United States, Roadside Assistance is at your disposal 24 hours a day, 7 days a week, 365 days a year.

## COURTESY TRANSPORTATION

Whenever your Cadillac requires scheduled maintenance or warranty repair service during the warranty period, your dealer will provide you with shuttle transportation for daily service or an alternate car (or reimbursement for rental or other transportation expenses) for overnight service.

\* Whichever comes first, fully transferable. See dealer for complete details.

\*\* Visit [onstar.ca](http://onstar.ca) for coverage map, details and system limitations. Services vary by model and conditions. OnStar® acts as a link to existing emergency service providers.

## SECURITY BY ONSTAR

In the unlikely event that your Cadillac is stolen, OnStar® can locate it via GPS. An advisor can then send a Stolen Vehicle Slowdown® or Remote Ignition Block signal (working in conjunction with police) to help authorities safely recover your vehicle.\*\*

## NAVIGATION BY ONSTAR

Just push the OnStar® button and ask the Advisor for directions to your destination. OnStar® will download directions to your Cadillac and a voice will call out every turn.\*\*

## DIAGNOSTICS BY ONSTAR

With best-in-class diagnostics from OnStar® you can run regular remote checks on an extensive variety of vehicle systems. You can also receive updates via email or the OnStar RemoteLink™ app for iPhone® or select Android™ phones.\*\*

## CONNECTIONS BY ONSTAR

With the OnStar RemoteLink™ app, you can access and control select vehicle information and features from anywhere you have mobile phone service.\*\*

## EMERGENCY BY ONSTAR

In the unfortunate event of a crash, OnStar® can automatically dispatch emergency services to your exact location, even if you're unable to respond to calls or request assistance.\*\*

## ACQUISITION OPTIONS

In addition to the many exclusive privileges of Cadillac ownership, General Motors of Canada has created a range of supplementary support programs to enhance your ownership experience. Some of these programs assist you in purchasing the Cadillac of your choice. Others help protect you and your new Cadillac over the long term.

## PURCHASING:

- **Purchase Financing or Leasing** – on-the-spot financing at your GM dealership†
- **The GM Card** – GM cardholders may redeem up to \$3500 GM Card® Earnings (subject to Vehicle Redemption Allowances) toward the Total Purchase Price on eligible new GM vehicles.†† For full program details please visit [thegmcard.ca](http://thegmcard.ca)

† Subject to eligibility. †† Program subject to change.

## ADDITIONAL OWNERSHIP PROGRAMS:

- **GM Protection Plan (GMPP)** – the only extended service plan backed by the resources and commitment of General Motors. GMPP may be purchased at the time of sale or subsequently during the New Vehicle Limited Warranty period.‡

‡ Conditions and limitations apply.

## INFORMATION RESOURCES:

You can obtain more information about Cadillac vehicles and programs from your Cadillac dealer, or at these information centres:

- The Cadillac website at [cadillac.ca](http://cadillac.ca)
- The Cadillac Contact Centre at 1-888-446-2000 (1-800-263-3830 for TDD users).

## A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of printing, please check with your Cadillac dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

## A WORD ABOUT ASSEMBLY

Cadillac vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in Cadillac vehicles. Certain equipment ordered may be unavailable at the time of assembly and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.

## A WORD ABOUT CORROSION

Cadillacs are designed and built to resist corrosion. All body sheet metal components are warranted against rust-through corrosion for 6 years. There is no deductible for rust-through repairs. Application of additional rust-inhibiting materials is not required under the corrosion coverage and none is recommended.

## TRADEMARKS

The marks appearing in this Cadillac brochure including, but not limited to: General Motors, GM, Cadillac, the Cadillac badge, Cadillac Shield, CTS, V-Series emblem and their respective logos, emblems, slogans and vehicle model names and body designs; and other marks such as Magnetic Ride Control, E-Z Key, StabiliTrak and Twilight Sentinel are trademarks of General Motors and/or General Motors of Canada Limited, its subsidiaries, affiliates or licensors.

OnStar and the OnStar emblem are registered trademarks and OnStar RemoteLink is a trademark of the OnStar, LLC.

TheftLock is a registered trademark of Delphi Technologies, Inc.

# 2012 CTS COUPE FEATURES & OPTIONS

## SAFETY AND SECURITY

	CTS 3.6L RWD/AWD	CTS-V
<b>AIRBAGS</b>		
Driver dual-stage frontal, passenger-side dual-depth frontal with passenger detecting system and automatic passenger airbag suppression	S	S
Driver and front-passenger, seat-mounted side-impact	S	S
Front-to-rear, head curtain side-impact	S	S
<b>ONSTAR SYSTEM</b>		
OnStar® In-Vehicle Communications and Assistance Service, includes 1 year of the Directions & Connections Plan* with Turn-by-Turn Navigation and OnStar RemoteLink™	S	S

	CTS 3.6L RWD/AWD	CTS-V
<b>SAFETY RESTRAINTS</b>		
LATCH (Lower Anchors and top Tethers for Children), rear seats	S	S
3-point belts for all seating positions, front safety belt pre-tensioners	S	S

	CTS 3.6L RWD/AWD	CTS-V
<b>SECURITY SYSTEM</b>		
Content theft alarm, audible/visible alarm, programmable	O <sup>1</sup>	S

	CTS 3.6L RWD/AWD	CTS-V
<b>SIDE BLIND ZONE ALERT</b>		
Alerts driver with visual cues if a vehicle is detected entering into your blind spots	O <sup>2</sup>	S

	CTS 3.6L RWD/AWD	CTS-V
<b>STABILITRAK®</b>		
StabiliTrak® electronic stability control system	S	S

	CTS 3.6L RWD/AWD	CTS-V
<b>THEFT-DETERRENT SYSTEM</b>		
Electronic immobilizer	S	S

	CTS 3.6L RWD/AWD	CTS-V
<b>TRACTION CONTROL</b>		
Electronic, full-function, all-speed with on/off switch	S	S

## MECHANICAL

	CTS 3.6L RWD/AWD	CTS-V
<b>BRAKES</b>		
Power, 4-wheel vented discs	S	–
Brembo® high-performance 6-piston front/4-piston rear calipers with vented discs	–	S
4-wheel, 4-channel Anti-lock Braking System (ABS) with Panic Brake Assist and Dynamic Rear Brake Proportioning	S	S
Performance Braking System	O <sup>3</sup> /–	–
Yellow painted Brembo® brake calipers	–	O

	CTS 3.6L RWD/AWD	CTS-V
<b>DIFFERENTIAL</b>		
Rear, locking, limited-slip	S	S

	CTS 3.6L RWD/AWD	CTS-V
<b>DRIVE</b>		
Rear-Wheel Drive	S/–	S
All-Wheel Drive	–/S	–

	CTS 3.6L RWD/AWD	CTS-V
<b>ENGINES</b>		
3.6L V6 VVT with Direct Injection 318 horsepower @ 6800 rpm and 275 lb.-ft. of torque @ 4900 rpm	S	–
6.2L LSA Supercharged V8 with SFI 556 horsepower @ 6100 rpm and 551 lb.-ft. of torque @ 3800 rpm	–	S
Block heater	O	O

	CTS 3.6L RWD/AWD	CTS-V
<b>EXHAUST SYSTEM</b>		
Dual, stainless steel with chrome tips and model-specific designed centre outlets	S	S

	CTS 3.6L RWD/AWD	CTS-V
<b>STEERING</b>		
Power, variable-assisted hydraulic, rack-and-pinion, speed-sensitive	S	–
Power, variable-assisted hydraulic, rack-and-pinion, performance speed-sensitive	O <sup>3</sup> /–	S

## MECHANICAL (Continued)

	CTS 3.6L RWD/AWD	CTS-V
<b>SUSPENSION</b>		
4-wheel independent	S	S
Sport-tuned suspension	S	–
Sport performance-tuned suspension	O <sup>3</sup> /–	–
Magnetic Ride Control® Sport-tuned suspension	–	S

	CTS 3.6L RWD/AWD	CTS-V
<b>TRANSMISSION</b>		
6-speed automatic with Driver Shift Control	S <sup>5</sup>	O <sup>5,6</sup>
6-speed manual, Tremec® with short-throw shifter	–	S

* Visit onstar.ca for coverage map, details and system limitations. Services vary by model and conditions.			
** All-season tires may not satisfy winter tire requirements in all regions of the country. Tires specifically designed for severe winter conditions and marked with the "winter tire" symbol ❄️ may be required during certain months or in certain regions. Contact your Provincial, Municipal or local road authority for information regarding which tires are required in your particular area.			
† Installation of four winter tires recommended for winter driving conditions.			
‡ At time of print, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas.			
‡ Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period.			
Visit nradio.ca for details.

# INTERIOR FABRIC COLOURS

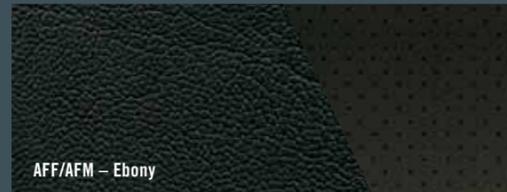

## LEATHERETTE – CTS

## LEATHER – CTS

## LEATHER WITH SUEDED INSERTS – CTS-V/CTS with available CTS Touring Package

# EXTERIOR COLOURS

Exterior colours may be subject to change during the 2012 model year. Please check with your sales consultant or visit cadillac.ca for latest colour availability on CTS. The exterior and interior colours in this brochure are as close to the actual vehicle production colours as the printing process allows. For more accurate colour samples, ask your Cadillac sales consultant to see the dealer showroom vehicle colour display.

# EXTERIOR/INTERIOR COLOUR COMPATIBILITY

EXTERIOR COLOURS	INTERIOR COLOURS	Ebony Seating with Ebony Interior Accents	Light Titanium Seating with Ebony Interior Accents	Light Cashmere Seating with Cocoa Interior Accents	Ebony/Saffron Seating with Ebony Interior Accents*
GAN – Radiant Silver Metallic		•	•	•	•
GBA – Black Raven		•	•	•	•

GTR – Opulent Blue Metallic		•	•	•	•

\* Available on CTS-V Coupe only.  
 \*\* Available at extra cost.  
 1 – Tintcoat is a premium two-layer paint application with the addition of a tinted clearcoat, lending the finish an extra depth and brightness.  
 2 – Tricoat is a meticulous three-layer process that results in a dramatic hue-shifting colour reminiscent of a show-car finish.  
 3 – ChromaFlair® uses advanced light-interference technology and prismatic metal pigments to create an intense, deeply lustrous colour.

# WHEELS
