Disclaimers

1. **Warranty:** Four years/50,000 miles (whichever occurs first) New Vehicle Limited Warranty on MY20 and newer VW vehicles. See owner's literature for important information.
2. **Warranty Exclusions:** See owner's literature or dealer for warranty exclusions and limitations.
3. **Battery Warranty:** 8 year/100K miles (whichever occurs first) high-voltage battery limited warranty coverage on MY22 ID.4 electric vehicles. Battery capacity decreases with time and use. Warranty coverage may not return battery capacity to an "as new" condition with 100% net capacity. See owner's literature or dealer for limited warranty details.
4. **Carefree Maintenance:** The Carefree Maintenance Program on MY20 and newer vehicles provides the 10,000- and 20,000-mile scheduled maintenance services or scheduled maintenance services for two years (whichever occurs first) as stated in the vehicle's maintenance booklet. See dealer or owner's literature for provided services, exclusions, and time and other limitations. The Carefree Maintenance Program does not provide tire rotations, or other services or parts not specified in the owner's literature.
5. **Charging:** Years of included 30 minute charging sessions on the MY22 ID.4 vehicles begins upon vehicle purchase. Non-transferable. Not available for commercial use, such as ridesharing. Requires Electrify America mobile app, account, enrollment in 2022 ID.4 Charging Plan, acceptance of Plan Disclosure, and \$10 deposit to pre-fund Idle Fees and charging after 30 minutes. User is responsible for Idle Fees, which apply beginning 10 minutes after charge session stops or vehicle reaches full charge. After the initial 30 minutes of each applicable session, charging continues uninterrupted at then-current Electrify America Pass pricing. There is a 60-minute wait-period between charging sessions in which you receive the 30 minutes of charging under this promotion. In the event of suspected fraud or abuse or other unforeseen events, Volkswagen of America may discontinue or modify the offer in its sole discretion. Frequent and consecutive charging can permanently decrease battery capacity, which may not be covered by your vehicle's warranty.
6. **ID.Light:** Driver Assistance features are not substitutes for attentive driving. See Owner's Manual for further details, and important limitations.
7. **Sirius XM:** SiriusXM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers. Satellite and streaming lineups vary slightly.
8. **Next-Generation Car-Net:** Car-Net Remote Access EV available on MY22 ID.4 vehicles. Always pay careful attention to the road and do not drive while distracted. Certain services require trial or paid subscriptions, which may have their own terms and conditions. VW Car-Net requires cellular connectivity, availability of vehicle GPS signal, and acceptance of Terms of Service. Not all services and features are available on all vehicles. Certain Car-Net services may connect out to 3rd party providers that may require additional payment. Standard text and data rates may apply for app and web features. Certain services may collect location and vehicle information. See Terms of Service, Privacy Statement, and other important information at www.vw.com/carnet.
9. **Driver Assistance** features are not substitutes for attentive driving. See Owner's Manual for further details, and important limitations.
10. **Towing:** Maximum tow rating for braked trailer only when equipped with appropriate third-party trailer brake controller and factory-installed towing hitch. Vehicle load, other accessories, and options may reduce maximum towing capacity. See owner's literature for important information.
