BUILT FOR THE WAY YOU LIVE

Beauty and function in harmony

We created the V90 for a world that demands versatility, without compromising elegance and sophistication. From the exterior's clean, taut lines to the spacious, light-filled cabin, this is a car that combines powerful good looks with everyday practicality.

In the V90, technology supports you without overwhelming you. From Pilot Assist semi-autonomous driving technology that makes driving both safer and more enjoyable to the Drive-E powertrain technology, each of the advanced features has been engineered to improve every journey.

Underneath the crisply sculpted exterior lies a chassis that delivers the perfect combination of precise handling and welcome comfort.

Smart technology keeps you seamlessly connected with the car and the world around you. And with the very latest in safety innovations, you will travel safe in the knowledge that your V90 will help look out for you, your passengers and other road users.

This is the classic Volvo reinvented, built to enhance every day.

Distinctly Volvo. You'll recognize the V90 as a Volvo from any angle. The bold lines convey solidity and strength, the details are subtle and distinctive. It's the combination of these qualities that makes the V90 a truly modern Volvo.

The rake of the rear window adds dynamism and the tall LED taillights, with their slender vertical shape, are both contemporary and classically Volvo. Style comes standard.

INTERIOR DESIGN

Precision and accuracy at every touch

From the moment you settle into the sculpted driver's seat, you're in control. You sit low in the V90, with the 9" Sensus Touchscreen angled towards you to create the feeling of a cockpit. You're surrounded by an environment where beautiful materials and advanced technology meet, creating a cabin that looks great and works perfectly.

The exceptional craftsmanship enhances the feeling of precision. Take the air vents, for example. With a metal-finish vertical strip and distinctive diamond-pattern surfaces for the control knobs, they are beautiful to look at and a pleasure to use. In the V90 every component moves with the accuracy afforded by fine engineering. It is a car that gives you control over every part of your journey.

Light. Space. Luxury.

Travel first class in every seat, every day. When you're in the V90 you're in your own private lounge, a place where comfort and luxury combine with technology and craftsmanship.

It starts with the front seats. Sculpted to complement the human form, they provide superb support and a huge range of adjustment, so everyone can find the ideal seating position. The shape of the backrests increases legroom for passengers in the rear, for a spacious, luxurious ride. Individually controlled heated rear seats mean everyone benefits from the same levels of comfort. By day, the standard Panoramic Moonroof floods the car with light. At night, the cabin glows with the warmth of its interior lighting, welcoming you into the car. The high-level illumination includes backlit door handles and illuminated tread plates, as well as additional interior lighting that enhances the exclusive ambience.

Our CleanZone technology helps ensure a healthy interior environment and clean cabin air. It filters dust, pollen, particulates and odors while monitoring the air

quality and closing the intakes if pollutant levels rise too high. It happens automatically – all you need to do is set the temperature you want and the V90 does the rest. For the power-operated trunk lid there's a hands-free function, so you don't have to put down what you're carrying to open it. In the V90, technology and convenience go hand in hand. At Volvo Cars, we put a priority on our passengers, which is why we provide best-in-class standard rear legroom. In addition, optional 4-zone climate controls allow rear seat passengers to choose their own settings using a dedicated touchscreen. It also includes an air-conditioned glove compartment that keeps its contents cool.

The clever design and versatile interior layout make your life easier. The shape of the load compartment means it's easy to fit in awkwardly shaped objects, and a single touch on each of the rear seats allows you to fold them for a longer, completely flat load space. For the power-operated tailgate there's a hands-free function, so you don't have to put down what you're carrying to open it. In the V90, technology and convenience go hand in hand.

In the driver's seat you're in charge. Control functions such as navigation and entertainment from the steering wheel buttons, while the 12.3" Digital Driver Display keeps you informed.

Every element of the cabin is crafted to make form and function one. The door handles are backlit, making them easier to find in the dark.

Beautiful, natural materials such as Linear Walnut complement the car's advanced technology, creating a uniquely contemporary look.

VERSATILITY

A car that fits your life – all of it

Smart versatility makes every day easier and allows you to make more out of every moment.

The shape of the load compartment makes the V90 easy to load, with the rear seats folding at the touch of a button to create a longer, completely flat load space. You can do this from inside the load compartment so you don't have to open the rear doors to fold the seats. The through-loading hatch means you can carry long items such as skis without folding the seats.

The power-operated tailgate has a hands-free function, so if your hands are full you don't have to put down what you're carrying to open it. Just move your foot under the rear bumper to automatically open and close the tailgate.

To make your V90 even more useful, add extra equipment from our range of load compartment accessories. From dividers that split the compartment in two so you can carry two pets (or a pet and luggage) to a steel grill that provides a sturdy barrier between load and passenger compartment, there's an accessory for every occasion.

SENSUS

Stay connected and in command

We create technology to serve you and make life easier. Everything that's complicated or doesn't add to your experience is removed.

You control your Volvo intuitively and easily. And seamlessly connected with the car and the world around you, you're in command of every aspect of your journey.

Instead of a multitude of physical buttons, you find a large 9" Sensus Touchscreen. It's as easy and straightforward to operate as your smartphone, with bold, clear graphics so you can keep your attention on the road. The touchscreen blends seamlessly with the car's clean interior design and is easily operated. You can even use it wearing gloves.

Essential driving information is clearly presented in our 12.3" Digital Driver Display. It adapts to your needs, preferences and surrounding light, so information is always shown on your terms.

For even better control, our Graphical Head-Up Display projects vital driver information at a comfortable viewing distance. It looks like the graphics hover in front of the car, which allows you to stay informed without taking your eyes off the road.

Your Volvo also listens to you. Keep both hands on the steering wheel and speak naturally: our voice control will carry out your command to operate climate control, navigation, entertainment and your smartphone. In a Volvo, you and your car act as one.

Sensus Navigation

Let Sensus Navigation guide you, inform you and help you find the best route. Road directions are clearly shown in the driver display, center display and head-up display. Touchscreen controls allow you as well as your passenger to operate the system conveniently and safely. Or talk naturally to your Volvo, and let our voice control carry out your commands while you have full attention to traffic. With the Volvo On Call app, you can also send the destination to your car before you go. And helping to save time, our in-car navigation apps can help you find parking, share your location with friends or simply find the best coffee in town. If you drive our TB e-AWD Plug-In Hybrid, the navigation system can also help you optimize the use of pure electric power all the way to your destination. Free life-time map updates ensure your navigation system is always up to date.

YOUR JOURNEY BEGINS HERE

We created the V90 with one single purpose: to provide you with a car that perfectly fits you and your lifestyle. A car that meets your expectations of a dynamic drive with refined comfort and sophisticated design.

At the heart of your V90 is a dynamic, efficient powertrain. Whichever you choose, you will enjoy our latest Drive-E technology that gives you instant response and a smooth ride. Fuel consumption and CO₂ emissions are

kept low, and our powertrains already comply with future exhaust emission legislation.

Our Drive-E powertrain range includes advanced gasoline engines mated to our smooth 8-speed Geartronic™ automatic transmission, available with responsive All-Wheel Drive technology or Front-Wheel Drive. Make your choice and enjoy the journey wherever it takes you.

T6 AWD

This high-performance 316 hp/295 lb-ft gas powertrain provides excellent driving dynamics without compromising on efficiency. Combined supercharger/turbo technology, responsive All-Wheel Drive and our smooth 8-speed Geartronic™ automatic transmission put you in control of your drive.

T5 FWD

The 250 hp/258 lb-ft powertrain is as responsive on the highway as in the city. This superb all-rounder delivers generous power just where you need it, ensuring excellent driveability in combination with our smooth 8-speed Geartronic™ automatic transmission.

Volvo V90 R-Design
The thrill of a spirited drive, characterized
by style, responsiveness and control.

Volvo V90 Inscription
The highly sophisticated expression
of Swedish luxury.

CREATE THE VOLVO V90 OF YOUR CHOICE.

Our approach in everything we do is to always put people first. This also includes allowing you the freedom to create a Volvo that perfectly matches your style and personality.

To ensure you get your V90 exactly as you want it, we have created a wide range of options, trim levels and personal expressions. Maybe you want to indulge your senses in the

finest Swedish luxury? Then you'll feel at home with the V90 Inscription. Or if you're in for a more sporty style inside and out – take a look at the V90 R-Design. Whatever you prefer, you can rest assured there's a Volvo V90 for you. Read on, and see what your V90 will look like.

R-DESIGN

INSPIRED BY THE ART OF DRIVING.

If you love to drive, the V90 R-Design is for you. With a unique personality, R-Design captures the thrill of a spirited driving experience characterized by style, responsiveness and control. A wealth of distinguished design details raises the dynamic soul of your Volvo and gives it a sportier, more distinct road presence. It's an expression that catches the eye from every angle and hints at the promise of an amazing drive, every time. And you can rest assured that the V90

R-Design will deliver. Surrounded by meticulously crafted and expressive interior design details, you can feel it right from the moment you take your position in the sculpted R-Design driver seat. Everything – from the R-Design steering wheel with gearshift paddles to the Charcoal headliner – is there to inspire and support your driving. And for an even more energetic, road-hugging drive, the V90 R-Design benefits from an advanced sport chassis.

V90 R-DESIGN

Exterior:

19" 5-Spoke Tech Matte Black Diamond Cut Alloy Wheel | Door Mirror Caps in Matte Silver Finish | Dual Integrated Tailpipes | Lower front, Unique Sporty Design | Grille with Unique Mesh in Glossy Black and Frame in Silk Metal Finish | LED Foglights in Front Spoiler | Lower Outer Grilles, Unique Design and Glossy Black | Side Window Trim in Silk Metal Finish | Body-Colored Rear Lower Insert | Sport Chassis | Panoramic Moonroof

Interior:

12.3" Digital Driver Display | Contour seats with R-Design logotype | Fine Nappa Leather/Nubuck textile upholstery | Charcoal headlining | Drive mode settings | Interior high level illumination | Metal Mesh Aluminum decor panels | Power Manual cushion extension, driver and passenger seat | Rear center armrest with cup holders and storage | Front and rear illuminated tread plates with R-Design logotype in the front ones | Gearshift knob in perforated Fine Nappa Leather and light contrast stitching | Remote control clad in Perforated Fine Nappa Leather | Textile mats with light contrast stitching | Sport pedals in aluminum with rubber inserts | Tailored dashboard and Upper Door Panels | Interior high level illumination | Sport steering wheel with light contrast stitching and R-Design symbol | 4-way power adjustable lumbar support, front seats | Harman Kardon® Premium Sound

T6 AWD | R-Design

Bursting Blue Metallic | 21" 5-Double Spoke
Tech Matte Black Diamond Cut Alloy Wheels

1

2

R-Design is Volvo in smart designer sports gear – it's all about a performance-inspired look and feel, both inside and out. It's a truly eye-catching expression with sporty exterior design cues, such as its own distinctive grille in high gloss black with Silk Metal frame, front spoiler, stylish Silk Metal window trim, Bright Silver Matte finish door mirror caps, prominent dual tailpipes and striking R-Design aluminum wheels. Our signature headlights with LED illumination provide excellent vision and a distinctive attitude on the road. And for an even better uninterrupted vision in the dark, there's the option of the Full-LED Active High Beam illumination.

On the inside, the illuminated R-Design tread plates in Silk Metal finish greet you onboard. The refined sporty theme continues with Metal Mesh decor inlays, Charcoal headlining, our exclusive Tailored dashboard and semi-powered R-Design Contour seats with a unique Nubuck Textile/Fine Nappa Leather or optional Fine Nappa Leather upholstery. Together, these features give the cabin a technical, cockpit-like feel. R-Design logotypes in the head-rests, distinctive stitching in the seats and the gear shifter and the steering wheel in perforated leather all reinforce the

sporty yet elegant ambience. The adjustable front seat cushion extensions further enhance your thigh support for improved comfort during long drives. And when it's dark, our most advanced interior illumination enhances the exclusive ambience inside your V90 R-Design. Further adding to your sense of being in control, the R-Design also provides you with our largest 12.3" Digital Driver Display and the option of steering-wheel mounted gearshift paddles that enhance your control by allowing quicker manual shifts. Conveniently positioned in the tunnel console between the front seats, there's also a drive mode control that allows you to shift between four driving characteristics – Comfort mode, Dynamic mode, Eco mode and Individual mode.

Behind the R-Design steering wheel in Perforated Fine Nappa Leather, you can enjoy the dynamic response and feedback from quicker steering and a finely tuned sport chassis. Lower and firmer, this chassis features adjusted anti-roll bars and stiffer springs for a more responsive handling and less roll when cornering. The monotube design rear dampers respond more quickly for improved body control in all conditions, resulting in a sporty road-hugging drive without you having to compromise ride comfort.

1. The R-Design steering wheel in Perforated Fine Nappa Leather with gearshift paddles and the 12.3" Digital Driver Display. 2. The 21" Tech Matte Black/Diamond Cut aluminum wheels for the ultimate R-Design experience (optional). 3. The Carbon Fiber decor inlays add to the dynamic, hi-tech ambience inside your V90 R-Design (optional). 4. R-Design door mirror caps in contrasting silver look. 5. The R-Design interior featuring the R-Design steering wheel, gear shifter in Perforated Fine Nappa Leather with contrasting stitching, Tailored dashboard with light Amber stitching, Contour Seats with exclusive Fine Nappa Leather upholstery (optional), Carbon Fiber decor inlays (optional). 6. Dual integrated tailpipes for a distinctive road presence. 7. The glossy black R-Design grill with frame in Silk Metal finish and unique glossy black lower outer grilles add to the dynamic character of your V90 R-Design.

INSCRIPTION

A HIGHER GRADE OF LUXURY

We created the exclusive V90 Inscription to meet your highest expectations on Swedish luxury. It's a highly personal expression that evokes a strong sense of elegant refinement. Each detail is carefully selected to give you and your passengers a sophisticated and invigorating experience. Distinguished exterior design cues enhance the luxurious look and feel of the V90, while

the meticulously crafted interior gives you ample room for a relaxed driving experience. The V90 Inscription epitomizes our proud heritage of human-centric design. And when it comes to intelligent luxury imbued with distinctive style and fresh thinking, the V90 Inscription is in a class of its own – just like you.

4

The highly sophisticated V90 Inscription expresses the essence of contemporary luxury. Instantly recognizable thanks to its distinctive chrome-finish grille and lower door bright deco molding, this expression sets the V90 apart thanks to a number of well-judged exterior design cues that correspond with the car's timeless Scandinavian design. Just like beautifully crafted pieces of jewelry design, the 10-spoke Silver Diamond Cut wheels harmonize perfectly with the metal finish of the bright deco body inlays and the integrated roof rails. Together with the elegant dual integrated tailpipes, the wheels also contribute to the car's confident stance. Our signature LED illumination contributes to both a strong visual identity and excellent vision in the dark. And for an even better and uninterrupted light pattern, you can opt for our advanced Full-LED Active High Beam illumination technology.

Every time you open the door, the Inscription tread plates provide an illuminated welcome. The luxurious theme continues with authentic, finely crafted materials that create a lounge-like atmosphere of sumptuous well-being. You and your passengers can lean back in sculpted power-operated Comfort seats with Fine Leather upholstery, power adjustable 4-way lumbar support and front seat cushion extensions. Decor inlays in exclusive

Linear Walnut, the Tailored dashboard and upper door panels with contrasting stitching, Inscription textile mats and our most advanced ambience interior illumination add to the rewarding Inscription experience. And for you as driver, the large 12" Digital Driver Display and convenient drive mode settings in the console between the front seats add to your feeling of being in command. And to enhance your driving experience, our optional active chassis with rear air suspension optimizes comfort and handling – select between three different chassis settings with the drive mode control.

For an even higher level of comfort you can complement the front seats with massage functions. The optional 4-zone climate control allows both the driver and the front seat passenger as well as the outer rear seat passengers to set their individual cabin temperature. Adding a panoramic glass roof, everyone inside your V90 will enjoy a superb experience of air and light – the front section can be opened at the push of a button, and during sunny days a power-operated sunshade in perforated textile will reduce the heat and glare while maintaining the airy feel inside the cabin. And turning your V90 into a concert hall, our optional high-end audio system Bowers & Wilkins brings exceptional clarity and realism to your music, wherever you're seated.
