Manufacturer Backed Extended Service Contracts
and Maintenance Plans

The only Extended Service Contracts and
Maintenance Plans backed by Subaru for over 25 years.

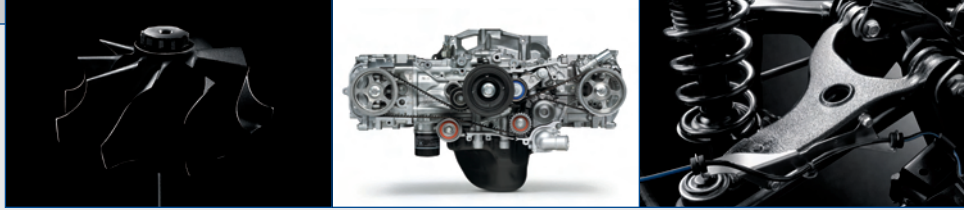

MAINTENANCE PLANS

The Maintenance Plan enhances the Subaru limited warranty by paying for parts and labor for scheduled maintenance listed in your Subaru Warranty & Maintenance Booklet. You can select service intervals of either every 3,750 miles or 7,500 miles depending on your specific model Subaru and specific driving conditions.

COVERED MAINTENANCE SERVICES

- Oil changes
- Replace engine oil filter
- Drive belt and camshaft belt inspection
- Check clutch operation
- Inspect steering and suspension
- Inspect cooling system, hoses and connections
- Inspect fuel system, hoses and connections
- Replace air cleaner element
- Check transmission/differential lubricants and automatic transmission fluid
- Tire rotation
- Inspect disc brake pads and discs, brake linings and drums
- Replace brake fluid
- Check brake lines and operation of parking and service brake system
- Inspect clutch operation, steering and suspension
- Check front and rear axle boots and axle shaft joints
- Trip interruption
- Roadside assistance
- Road hazard tire protection

POWERTRAIN PLANS COVER

ENGINE

Engine block, cylinder heads, all internal lubricated parts, camshaft, drive belts, intake manifold, flywheel, valve covers, oil sending unit, oil pan, oil pump, motor mounts, seals and gaskets, turbocharger assembly and fuel injection system.

ALL-WHEEL DRIVE

Final drive housing/rear differential assembly, all internal parts, axle shafts, constant velocity joints and boots, double offset joints, propeller shaft, center support bearings, universal joints, wheel bearings and spindle, rear torsion bars and control arms, hub bearings, seals and gaskets.

TRANSMISSION

Transaxle case, all internal parts, torque converter, transmission mounts, seals and gaskets.

TOWING AND RENTAL CAR

Towing: For a covered failure, Subaru will pay you up to \$50 per occurrence.

Rental Car: If your car is kept in the shop overnight for a covered failure, Subaru will pay you up to \$35 a day toward the rental, to a maximum of \$175 for each disablement.

CLASSIC PLANS COVER

CLASSIC PLANS COVER EVERYTHING LISTED UNDER POWERTRAIN, PLUS:

COOLING AND FUEL

Radiator, water pump, fuel lines, fuel tank, engine fans, fan motors, heater core, fuel sending unit.

STEERING

Steering rack assembly and all internal parts, steering column shaft and coupling, universal joints, power steering pump, seals and gaskets.

FRONT SUSPENSION

MacPherson struts, transverse link control arms, shafts and bushings, ball joints, steering knuckles, wheel bearings, stabilizer bar and bushings, seals and gaskets.

AIR CONDITIONING

Compressor, condenser, evaporator, expansion valve, blower motor, clutch and pulley, compressor seal and receiver/dryer.

ELECTRICAL

Alternator, voltage regulator, starter motor and solenoid, wiring harnesses, engine management control unit, power window motors, windshield wiper motors, ignition coil, power door locks, power mirror motors, analog dash gauges, trip computer, clock, heater blower motor and switch, manually operated switches, digital instrumentation cluster, horns, window regulators, speedometer head, electrical relays, sunroof motor.

BRAKES

Master cylinder, wheel cylinder, Incline Start Assist, hydraulic lines and fittings, disc brake calipers, power brake assist unit, Anti-lock Brake System (ABS), Traction Control System (TCS), seals and gaskets.

For more information about Added Security, ask for it by name or visit our website at subaru.com/owners/addedsecurity

GOLD PLUS PLANS COVER

GOLD PLAN INCLUDES EVERYTHING LISTED UNDER POWERTRAIN AND CLASSIC, PLUS:

Added Security Gold Plus is similar to the manufacturer's bumper-to-bumper coverage. So many components are covered that it makes more sense for us to list what isn't covered than to try to list all of the covered components. An example of things not covered under Gold Plus are things like brake disc/pads, clutch disc, wiper blades, light bulbs and routine maintenance items. Please read the contract for details.

Some examples of the many things covered by Gold Plus are:

Cruise control, radio and speakers, seat belt assembly, rear window defogger, thermostat, springs, engine brackets (including power steering), gear shift levers, hand brake levers, pedals, cables and latches, locks, seat releases, heater and a/c ducts and vents, wiper arms, window tracks, guides, handles and knobs, frame, floor boards and body joints, O₂ and knock sensors, CD player, power seat motors, navigational system and DVD player.

TRIP INTERRUPTION ALLOWANCE

If your car must be kept in the shop overnight for a covered repair during or after the warranty period, Added Security Gold Plus pays up to \$500 towards your actual expenses for lodging and meals for you and your family

when the breakdown occurs more than 50 miles from your home. If necessary, we can even assist you in locating a nearby hotel, rental car or travel agency.

ROAD HAZARD TIRE PROTECTION

Guards you against the costs related to tire damage from potholes, nails, glass and other road hazards not covered by the tire manufacturer's warranty. The four original tires are covered for repairable leaks or punctures during the plan term. In the event that tire replacement is necessary, the plan will cover the prorated cost up to \$300.

24-HOUR ROADSIDE ASSISTANCE

"Sign and Drive" service up to \$100 per disablement to get you back on the road as quickly as possible with no out-of-pocket expense.

Emergency dispatch towing for covered warranty or Added Security breakdowns.

Emergency on-site road service for jump start, gasoline delivery, tire change (with your good spare) and other minor repairs.

Emergency lockout or locksmith service.

Computerized trip routing and much more.

FIVE REASONS WHY YOU NEED ADDED SECURITY WITH YOUR LEASE

- 1 It bridges the gap of coverage between the end of the Basic Subaru Limited Warranty and the expiration of your lease.
- 2 Additional benefits from day one of your lease could include trip interruption allowance, tire hazard protection and emergency roadside assistance, depending on the plan you choose.
- 3 Makes your automotive budgeting simple. Reduces the risk of unexpected backend charges. No surprises!
- 4 Option to purchase additional coverage if you decide to buy your Subaru at the end of the lease.
- 5 And, best of all, the peace of mind knowing that you avoid most costly mechanical repairs during the entire term of your lease.

**ADDED SECURITY® IS THE PERFECT PARTNER FOR YOUR SUBARU LEASE.
THE SMART WAY TO DRIVE A SUBARU.**
