## YELLOW SERVICE

### 5,000 Miles

5W/20-\$36.95 5W/30-\$50.95 OW/20-\$48.95

- Replace Engine Oil
- Replace Engine Oil Filter (Genuine Honda)
- Replace Drain Crush Washer (Genuine Honda)
- Perform Multi-Point Inspection
- **Oil Treatment - additional \$22.88**
- Exterior Wash of Vehicle - Weather Permitting

## GREEN SERVICE

### 10,000 Miles

\$186.95

- Replace Engine Oil
- Replace Engine Oil Filter (Genuine Honda)
- Replace Drain Crush Washer (Genuine Honda)
- Inspect Front and Rear Brakes
- Install **Fuel System Cleaner/Oil Treatment**
- Rotate and Balance Tires
- Lubricate All Hinges, Locks, and Latches
- Inspect Tie Rod Ends, Steering Gear Box and Boots
- Inspect Suspension Components
- Inspect Drive Shaft Boots
- Check and Adjust Parking Brake
- Inspect Brake Hoses and Lines
- Check All Fluid Levels, Condition of Fluids, and Check for Leaks
- Inspect Cooling System Hoses and Connections
- Inspect Exhaust System
- Inspect All Lights
- Inspect Fuel Lines and Connections
- Inspect Air Filter
- Inspect the Under Body
- Road Test Vehicle
- Exterior Wash of Vehicle - Weather Permitting

## RED SERVICE

### 15,000 Miles

\$153.95

- Replace Engine Oil
- Replace Engine Oil Filter (Genuine Honda)
- Replace Drain Crush Washer (Genuine Honda)
- Perform Multi-Point Inspection
- **Perform Brake Service**
- **Oil Treatment - additional \$22.88**
- Exterior Wash of Vehicle - Weather Permitting

## ORANGE SERVICE

### 20,000 Miles

\$372.95

- Replace Engine Oil
- **Oil Treatment**
- Replace Engine Oil Filter (Genuine Honda)
- Replace Drain Crush Washer (Genuine Honda)
- Inspect Front and Rear Brakes
- Rotate and Balance Tires
- Lubricate All Hinges, Locks, and Latches
- Inspect Tie Rod Ends, Steering Gear Box and Boots
- Inspect Suspension Components
- Inspect Drive Shaft Boots
- Inspect All Lights
- Check and Adjust Parking
- Brake
- Inspect Brake Hoses and Lines
- Check All Fluid Levels, Condition of Fluids, and Check for Leaks
- Inspect Cooling System Hoses and Connections
- Inspect Exhaust System
- Inspect Fuel Lines and Connections
- Inspect Air Filter
- Inspect the Under Body
- **Fuel Induction Service**
- Road Test Vehicle
- Exterior Wash of Vehicle - Weather Permitting

## BLUE SERVICE

### 30,000 & 90,000 Miles

4 Cyl. \$507.95 • For V6 - \$527.95

- Replace Engine Oil
- Replace Oil Filter and Crush Washer (Genuine Honda)
- Service Front Brake Pads and Calipers
- Service Rear Brakes and Adjust Emergency Brake Cable
- Tire Rotation, Balance and Tire Wear Evaluation
- Adjust Tire Pressures
- Secure Battery Terminal Connections
- Install **Battery Terminal Anti Corrosion Protector Pads**
- Inspect Tie Rods and Steering Components
- Check Radiator Fan Performance
- Lubricate Latches and Hinges
- Inspect Suspension
- Inspect Drive Shaft Boots
- Inspect Brake Lines and Hoses
- Evaluate Exhaust System
- Install **Fuel System Cleaner/Oil Treatment**
- Top Off All Fluid Levels
- Replace Air Filter Element
- Inspect Fuel Lines
- Inspect Distributor Cap, Rotor and Spark Plug Wires
- Inspect Drive Belts
- Replace Transmission Fluid
- Replace Cabin Air Filter
- Inspect Safety and Lighting Equipment
- Inspect Wiper Condition
- Check Condition of Alignment
- **Deodorizer & Disinfectant - add \$52.85**
- Road Test Vehicle
- Exterior Wash of Vehicle - Weather Permitting

## GRAY SERVICE

### 40,000 & 80,000 Miles

\$672.95

- Replace Engine Oil
- Replace Engine Oil Filter (Genuine Honda)
- **Oil Treatment**
- Replace Drain Crush Washer (Genuine Honda)
- Rotate and Balance Tires
- Lubricate All Hinges, Locks, and Latches
- Inspect Tie Rod Ends, Steering Gear Box and Boots
- Inspect Suspension Components
- Inspect Drive Shaft Boots
- Check and Adjust Parking Brake
- Inspect Brake Hoses and Lines
- Check All Fluid Levels, Condition of Fluids, and Check for Leaks
- Inspect Cooling System Hoses and Connections
- Inspect Exhaust System
- Inspect All Lights
- Inspect Front and Rear Brakes
- Inspect Fuel Lines and Connections
- Inspect Air Filter
- Inspect the Under Body
- **Perform Brake Fluid Service**
- **Perform Cooling System Service**
- **Perform Fuel Induction Service**
- Road Test Vehicle
- Exterior Wash of Vehicle - Weather Permitting

## BROWN SERVICE

### 60,000 Miles

4 Cyl. \$698.95 • For V6 - \$718.95

- Replace Engine Oil
- Replace Oil Filter and Crush Washer (Genuine Honda)
- **Oil Treatment**
- Service Front Brake Pads and Calipers
- Service Rear Brakes and Adjust Emergency Brake Cable
- Tire Rotation, Balance and Tire Wear Evaluation
- Adjust Tire Pressures
- Secure Battery Terminal Connections
- Install **Battery Terminal Anti Corrosion Protector Pads**
- Inspect Tie Rods and Steering Components
- Check Radiator Fan Performance
- Lubricate Latches and Hinges
- Inspect Suspension
- Inspect Drive Shaft Boots
- Inspect Brake Lines and Hoses
- Evaluate Exhaust System
- Top Off All Fluid Levels
- Replace Air Filter Element
- Inspect Fuel Lines
- Inspect Distributor Cap, Rotor and Spark Plug Wires
- Inspect Drive Belts
- Replace Transmission Fluid
- Replace Cabin Air Filter
- Inspect Safety and Lighting Equipment
- Inspect Wiper Condition
- Check Condition of Alignment
- **Perform Fuel Induction Service**
- **Deodorizer & Disinfectant - add \$52.85**
- Road Test Vehicle
- Exterior Wash of Vehicle - Weather Permitting

- Deodorizer and Disinfectant

## DEALER RECOMMENDED SERVICE

The following services may qualify for LIFETIME PROTECTION of your vehicle – See your service advisor for details

### **BB** Transmission Service

Our complete Transmission Service is a combination of a flush and fluid exchange. Using state-of-the-art equipment that is operated by an expertly trained technician, we will completely remove all contaminants before fresh fluid is installed. We then will add a specially formulated conditioner that will extend the life of the new fluid. This service is designed to promote smoother shifting while protecting the various components within the transmission.

### **BB** Fuel Induction Service

Using specialized equipment and specially formulated cleaners our trained technicians will remove deposits from the fuel injectors, intake valves and throttle body. The service will reduce emissions and restore horsepower. Give your car that new car feeling.

### **BB** Brake Fluid Service

Using state-of-the-art equipment, our skilled technicians will remove old fluid which due to friction of the brakes creates oxidation and deposits which leads to brake problems. New fluid installed is demisterized to prevent corrosion and fluid breakdown.

### **BB** Engine Oil Service

Along with changing your oil and filter, our technicians will add a special conditioner that prevents oil oxidation, reduces friction, improves fuel economy, and promotes longer engine life.

### **BB** Cooling System Service

Using our state-of-the-art equipment, a trained technician will use a pressurized flush to force the old fluid out, disposing of it properly. New coolant combined with necessary additives will be installed along with special conditioners. The ultimate goal is to prevent overheating, control rust and corrosion, and extend coolant life.

### **BB** Power Steering Service

As a part of our Complete Power Steering Service, a trained technician will thoroughly flush out the old power steering fluid, disposing of it in an environmentally safe manner. We then will install new power steering fluid and a special fluid protectant. Following this service, you should receive more responsive performance and increased vehicle control.

### **BB** Differential Service

One of our trained technicians using state-of-the-art equipment will remove old contaminated lubricant from the differential and replace it with **BB** Gear Oil which provides thermal stability, optimum efficiency and extended component life.

Prices may vary by model line and are subject to change without notice.

We Proudly Use **BB** Products

## Lifetime protection for your vehicle!

This document must accompany customer's copy of Repair Order.

**A. Scope of This Protection Plan**  
This Protection Plan is separate from, and does not extend the vehicle manufacturer's warranty. This Protection Plan will take effect only after the OEM warranty expires. However, BG Products, Inc. will pay the deductible amount paid by you under any extended service contract purchased by you which covers such a claim. It is subject to the terms and conditions contained herein.

BG Products, Inc., through its Authorized Claims Administrator, agrees to repair or replace parts of the **Automatic Transmission** listed herein that have been serviced by the BG Automatic Transmission Service and BG 106 and BG 310 or for smaller capacity automatic transmissions, BG 106 and BG 306.

**Drive Line Front Differential** listed herein that have been serviced by the BG Front Differential Drive Line Service and BG 750, or BG 752.

**Drive Line Rear Differential** listed herein that have been serviced by the BG Rear Differential Drive Line Service and BG 750, or BG 752.

**Drive Line Transfer Case** listed herein that have been serviced by the BG Transfer Case Drive Line Service and BG 750, or BG 792.

**Drive Line Manual Transmission/Transaxle** listed herein that have been serviced by the BG Manual Transmission/Transaxle Drive Line Service and BG 750, or BG 792.

**Power Steering System** listed herein that have been serviced by the BG Power Steering Service and BG 108 and BG 332, or BG 108 and BG 334.

**Cooling System** listed herein that have been serviced by the BG Cooling System Service and BG 540 and BG 546.

**Fuel (gasoline)** listed herein that has been serviced by the use of BG 203, BG 206 and BG 210; or BG 203, BG 206 and BG 206, or BG 203, BG 206 and BG 211; or BG 206, BG 208 and BG 211; or BG 206, BG 206 and BG 208, BG 407 is optional.

**Engine & Fuel (gasoline)** listed herein that has been serviced by the use of BG 110 and BG 203, or BG 110 and BG 206 when engine oil and oil filter are changed. BG 407 is optional.

**Engine (gasoline)** listed herein that has been serviced by the use of BG 110 when engine oil and oil filter are changed.

**Engine (diesel)** must use BG 112 in up to 6 quart capacity crankcases or BG 11232 in crankcases over 6 quart capacity.

**Brake System** listed herein that have been serviced by the BG Brake Fluid Service and BG Brake Fluid. All BG products must be used per product instructions.

### B. Terms, Duration and Extension of This Protection Plan

This Protection Plan is subject to the terms and conditions contained herein:

- Plan 1 (0–36,000 miles/0–60,000 km initial service):**  
The initial service(s) must have been performed within 36,000 miles/60,000 km, as shown on the odometer.
- Plan 2 (36,001–75,000 miles/ 60,001–120,000 km initial service):**  
The initial service(s) must have been performed between 36,001 miles/60,001 km, and 75,000 miles/120,000 km, as shown on the odometer. This Protection Plan will take effect 1,000 miles/1,600 km after the first BG Service(s) has been performed by a professional technician.

This Protection Plan for **Automatic Transmissions, Front Differentials, Rear Differentials, Transfer Cases, Manual Transaxles, Power Steering, Brake and/or Cooling System** will be continued by the performance of the proper BG Service within 30,000 miles/50,000 km of the previous service. One payable claim per service interval is permitted.

This Protection Plan for **Fuel (gasoline)** will be continued by the performance of the proper BG Service within 15,000 miles/25,000 km of the previous service. One payable claim per service interval is permitted.

This Protection Plan for **Engine (gasoline and diesel)** and **Engine and Fuel (gasoline)** will be continued by the performance of the BG Service within 7,500 miles/12,000 km of the previous service (effective June 1, 2012). From the date of your Protection Plan enrollment, the vehicle's engine must be serviced only with the proper grade and weight of engine oil, recommended by the vehicle manufacturer. Timing belt and air and oil filter must be replaced and emission control system maintained in accordance with vehicle manufacturer's recommendations.

All services referred to in Section A must be performed by a licensed professional service center. You may not change your own oil.

In the event of a claim, you must provide BG Products, Inc., with satisfactory evidence, according to Section E, that all of the required services referred to in Section A were performed.

A professional technician must perform an approved BG maintenance procedure using proper BG products and equipment. A grace period of 500 miles/800 km will be extended in order to stay within service interval compliance, including initial service.

**C. Covered**  
Payment of claims under this Protection Plan is limited to the *labor time* necessary to make repairs or to replace any irreparably damaged parts as allocated by *Motor or Mitchell Flat Rate Guide* or other industry accepted flat rate guide, multiplied by the commercial repair shop's posted hourly labor rate, plus the reasonable cost of replaced parts of like kind and quality at the administrator's discretion.

This BG Protection Plan covers only the lubricated parts contained within:  
**Automatic Transmission:** Covers only the lubricated parts contained within the transmission housing or case only when damaged by an internally lubricated part covered under this Protection Plan. Items not covered are leaking transmission seals and gaskets; electrical components, such as solenoids. Proper fluids meeting vehicle manufacturer's specifications must be used.

**Drive Line Front Differential:** Covers only the lubricated parts contained within the front differential housing or case. Items not covered are the front differential housing or case, pre-packed axle bearing(s), U-joint(s), CV joint(s) and boot(s) unless damaged due to failure of covered part.

**Drive Line Rear Differential:** Covers only the lubricated parts contained within the rear differential housing or case. Items not covered are the rear differential housing or case, axle(s), pre-packed axle bearing(s), U-joint(s) and CV joint(s) unless damaged due to failure of covered part.

**Drive Line Transfer Case:** Covers only the lubricated parts contained within the transfer case. Items not covered are the housing or case, U-joint(s), CV joint(s) and driveshaft(s) unless damaged due to failure of covered part.

**Drive Line Manual Transmission/Transaxle:** Covers only the lubricated parts contained within the transmission case. Items not covered are the case, flywheel, clutch plate, pressure plate, U-joint(s), CV joint(s) and driveshaft(s) unless damaged due to failure of covered parts.

Revised June 1, 2012

**Power Steering:** Covers only the lubricated parts contained within the power steering gear box or rack and power steering pump. Items not covered are hoses, belts, brackets, seals and leaking gaskets.  
**Cooling System:** Covers only the lubricated parts contained within the heater core, water pump, freeze plugs, and radiator. Items not covered are hoses, clamps, thermostats and engine components.  
**Brake System:** Covers only the lubricated parts contained within the pump, valves, master cylinder, calipers, and metalized hoses. Items not covered are pads, rotors, shoes, ABS sensors, controller or other electrical parts.

**Engine (gasoline and diesel):**  
Pistons and Rings  
Carn Shafts and Bearings  
Turbo Bearings  
Valve Lifters  
Oil Pump  
Timing Belts or Sprockets  
Wrist Pins and Bushings  
Push Rods  
Crankshaft and Bearings  
Timing Chains\*  
Mass Air Flow Sensor\*\*\*  
Throttle Body\*\*\*\*

**Fuel (gasoline):**  
Oxygen Sensors  
Injectors (Deposit-related malfunctions only)

\* Timing belts and damage to engine parts due to broken timing belts excluded.  
\*\* Grinding adjustments excluded.  
\*\*\* Only if BG 407 is on the repair order  
\*\*\*\* Only if BG 206 is on the repair order

### D. Conditions and Exclusions of This Protection Plan

If the vehicle odometer has been changed or altered, or if odometer has ceased to function, coverage under the terms of this Protection Plan are not in effect. This Protection Plan covers only legally registered passenger cars, vans, SUVs and pick-up trucks with a GVW of 9,500 pounds/4,300 kg or less. Motorcycles, RVs and vehicles with more than two axles are excluded. Vehicles used for competitive purposes are excluded. This service excludes in-house maintenance/repair facilities. In the case of a leased vehicle, the lessee must be primarily obligated for repairs and maintenance. If covered vehicle is used for towing a trailer or other vehicle or object, this Protection Plan is not in effect unless covered vehicle is equipped with factory-installed tow package. Vehicles equipped with Continuously Variable Transmissions (CVT) are excluded from transmission coverage. Any claim resulting from collision, fire, theft, vandalism, contamination of fluids, acts of God, misuse, abuse, negligence, damage caused by operation during component failure, lack of normal maintenance required by vehicle manufacturer renders this Protection Plan null and void. Pre-existing conditions, damage to system components prior to the service are excluded and may be verified through independent parts analysis at the discretion of BG Products, Inc. Also, excluded are "Washed", "Branded", Salvage or Junk titled vehicles and services performed as a demonstration or complimentary services. To keep this Protection Plan in effect you must keep all receipts and repair orders for maintenance and services required by this Protection Plan. Failure to furnish all necessary records will render this Protection Plan null and void.

### E. Claims and Repair Procedures

In the event of a claim, you must notify BG Products Claims Administrator, c/o Dealers Alliance Corporation, **prior to having any repairs made** by calling **1-800-848-1660**.

You must provide the designated claims administrator with information from the following:

1. All service repair orders as of July 1, 2004 [May 1, 2011, for Fuel (gasoline)], including all applicable BG Part Numbers stated in Section "A" showing compliance with the terms and conditions of this Protection Plan for each component covered in Automatic Transmission, Front Differential, Rear Differential, Transfer Case, Manual Transmission/Transaxle, Power Steering, Cooling System, Brake System, Fuel System, Engine, Engine and Fuel.
2. If necessary, all service repair orders showing compliance with the terms and conditions of previous protection plans or service warranties, (excluding OEM extended warranties) and proof of previous plan.
3. Lease agreement if vehicle is leased.
4. A complete statement of damage and estimated repair costs.
5. The Vehicle Identification Number (VIN) and license plate number.

If required, you must ship the damaged parts, as well as a representative pint sample of vehicle fluid involved with the damaged parts, to:

BG Products, Inc., Laboratory  
701 S. Wichita St.  
Wichita, KS 67213 USA

All claims will be closed out within 30 days from initial filing date (paid or unpaid).

### F. BG Protection Plan Reimbursement Terms in U.S. Currency

**Plan 1 (0–36,000 miles/0–60,000 km initial service):**  
Fuel (gasoline) shall not exceed \$4,000 (four thousand).  
Engine or Engine & Fuel shall not exceed \$4,000 (four thousand).  
Automatic Transmission shall not exceed \$2,000 (two thousand).  
Front Differential shall not exceed \$4,000 (four thousand).  
Rear Differential shall not exceed \$4,000 (four thousand).  
Transfer Case shall not exceed \$4,000 (four thousand).  
Manual Transaxle shall not exceed \$4,000 (four thousand).  
Manual Transaxle shall not exceed \$4,000 (four thousand).  
Power Steering shall not exceed \$4,000 (four thousand).  
Cooling System shall not exceed \$4,000 (four thousand).  
Brake System shall not exceed \$4,000 (four thousand).

**Plan 2 (36,001–75,000 miles/ 60,001–120,000 km initial service):**  
Fuel (gasoline) shall not exceed \$2,000 (two thousand).  
Engine or Engine & Fuel shall not exceed \$2,000 (two thousand).  
Automatic Transmission shall not exceed \$1,000 (one thousand).  
Front Differential shall not exceed \$2,000 (two thousand).  
Rear Differential shall not exceed \$2,000 (two thousand).  
Transfer Case shall not exceed \$2,000 (two thousand).  
Manual Transaxle shall not exceed \$2,000 (two thousand).  
Manual Transaxle shall not exceed \$2,000 (two thousand).  
Power Steering shall not exceed \$2,000 (two thousand).  
Cooling System shall not exceed \$2,000 (two thousand).  
Brake System shall not exceed \$2,000 (two thousand).

This Protection Plan is transferable if vehicle ownership changes. BG Products, Inc., is not responsible for incidental or consequential damages. It will apply only to authorized repairs made for vehicles operated in the United States of America, Puerto Rico or Canada. This document may not be modified.
