

14EDGE

Go Further

Smart with gas¹ **AND** brilliant with technology.

SEL, Deep Impact Blue Metallic. SEL Appearance Package. Available equipment.

Choices engineered to cleverly empower.

Efficiency. Performance. Versatility. Whatever your priorities, the 2014 Edge is designed to deliver – with head-turning style. Equipped with our turbocharged, direct-injection 2.0L EcoBoost® I-4 engine,¹ Edge has an EPA-estimated rating of 30 hwy mpg.² The 2.0L also provides plenty of low-end torque for acceleration and passing. The standard 285-hp 3.5L Ti-VCT V6 has an EPA-estimated rating of 27 hwy mpg.² Plus, the 3.5L enables Edge to tow up to 3,500 lbs.³ Or you could go for the most powerful gas V6 in the class⁴ – the 305-hp 3.7L engine on Edge Sport. 3 smart engines. 4 striking models. All-wheel drive.¹ Or front-wheel drive. And all sorts of technology. With so much to offer, it's no wonder *U.S. News* awarded the Ford Edge "2013 Best 2-Row Midsize SUV for the Money."

EPA-ESTIMATED RATING OF UP TO  **30 HWY MPG²**

2.0L ECOBOOST¹ | 270 LB.-FT.⁵ | 240 HP⁵

3,500 LBS.

MAX. TOWING^{1,3}

*Limited. Tuxedo Black Metallic.
Available equipment.*

¹Available feature. ²EPA-estimated ratings: 21 city/30 hwy/24 combined mpg, 2.0L EcoBoost, FWD, actual mileage will vary; 19 city/27 hwy/22 combined mpg, 3.5L, FWD, actual mileage will vary. ³When properly equipped. Requires 3.5L V6 and Class II Trailer Tow Package. ⁴Class is Midsize Utilities, non-diesel. ⁵Figures achieved using 93-octane premium fuel.

[Click here to see Edge driver-assist technologies in action.](#)

Technologies designed to help you drive smart.

When you choose adaptive cruise control and collision warning with brake support,¹ Edge can not only maintain your choice of 4 preset gaps from the vehicle in front of you, it can also alert you to potential collisions. If one is detected, the system flashes a warning across your windshield, sounds an alarm, pre-charges the brakes and increases brake-assist sensitivity to provide full responsiveness when you do brake. For help changing lanes and backing out of parking spots, there's BLIS[®] (Blind Spot Information System) with cross-traffic alert.¹ This system uses amber lights in the sideview mirrors² to alert you to vehicles it detects, which you may not have noticed yet. Cross-traffic alert uses the same amber lights, plus a warning sound and a message center notice. When you shift into Reverse, a rear view camera¹ can also show you what's behind the vehicle. Drive informed in the 2014 Edge.

Limited. Sunset Metallic. Available equipment.

¹Available feature. ²BLIS replaces standard integrated blind spot mirrors. Driver-assist features are supplemental and do not replace the driver's judgment.

Luxurious amenities abound.

Perfect your position with 10-way power adjustment on the leather-trimmed, heated driver's seat – standard on Edge Limited and Sport. Then save it using the seat's memory feature, and adjust the standard tilt/telescoping steering column to match your driving style too. Standard steering wheel-mounted controls for the cruise, audio and vehicle menus let you make adjustments with both hands on the wheel. And you can encourage your fortunate guests in the back to stretch their legs and relax – taking full advantage of the generous 2nd-row leg room and reclining seat backs.

10-WAY POWER

HEATED FRONT SEATS¹

Limited. Charcoal Black leather trim.
Available equipment.

¹Available feature.

Push-button ease opens up your cargo possibilities.

With its rear 60/40 split seat folded flat, the 2014 Edge offers 68.9 cu. ft. of cargo space for your latest finds. Opening the power liftgate¹ is as simple as pressing a button on your key fob. To close it, you can use the fob button or one inside the rear cargo area, where you'll also find buttons for our convenient EasyFold[®] rear seat back release.¹ Fold both sides of the seat back down for large objects. Or leave one side up, to carry cargo and passengers side by side. The fold-flat front-passenger seat¹ helps you transport items as long as 8 ft. inside the vehicle. Roomy storage pockets and bins. Plentiful powerpoints. Even a Cargo Management System¹ hidden beneath the rear cargo area floor. Every Edge is filled with features designed to help you make the most of your drive.

SEL. White Platinum Metallic Tri-coat. Charcoal Black leather trim. Available equipment.

¹Available feature.

Your touch and voice are its commands.

Voice-activated Ford SYNC®¹ with 911 Assist® delivers hands-free calls, Bluetooth®-streaming music and more with simple voice commands. Once paired, it can download your contacts and play music from your smartphone. It can also recognize your MP3 player, USB or iPod®. Just touch a button on the steering wheel and say things like “Call: The office” or “Play genre: Jazz.” Step up to SYNC with MyFord Touch®¹ for an 8" color LCD touch screen, a media hub with 2 USB ports, an SD card reader, audio/video input jacks, and much more.

SiriusXM® Satellite Radio² includes a 6-month Sirius All Access trial subscription. Enjoy every premium satellite radio channel, including commercial-free music, plus sports, news, talk, and entertainment channels. Vehicles with a voice-activated Navigation System² may also receive SiriusXM Traffic and SiriusXM Travel Link services as part of the trial, so you'll have the ability to look up fuel prices, check local and national weather, and get detailed traffic information.

Limited. Charcoal Black leather trim. Available equipment.

¹Available feature. Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ²Available feature.

Advanced systems ease your day.

You can proceed confidently in Edge, thanks to smart standard features like AdvanceTrac[®] with RSC[®] (Roll Stability Control[™]). When you encounter wet or slippery conditions, it automatically enhances vehicle control to help you keep all 4 wheels firmly planted.¹ The standard sideview mirrors include integrated convex blind spot mirrors that help alert you to other vehicles and objects nearby so you can avoid them. Our advanced Personal Safety System[™] front-seat side airbags and Safety Canopy[®] System are all standard as well. It's no wonder Edge has earned a "Top Safety Pick" rating from the Insurance Institute for Highway Safety (IIHS) 3 years in a row (2011–2013).² For a comprehensive list of Safety & Security features on the 2014 Edge, please see the next page.

New Vehicle Limited Warranty. We want your Ford Edge ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty. □ **Roadside Assistance.** Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages. □ **Ford Credit.** Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com. □ **Ford Extended Service Plan.** For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships. □ **Insurance Services.** Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company. □ **Genuine Ford Accessories** will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
