THE ONLY SURPRISES WITH YOUR VOLVO CERTIFIED PRE-OWNED CAR ARE GOOD ONES

VOLVO CERTIFIED PRE-OWNED CARS PROGRAM

SURPRISE: YOU CAN OWN THE VOLVO YOU'VE ALWAYS WANTED

Some people worry about the "surprises" that can come with pre-owned cars — but when you choose Volvo Certified Pre-Owned vehicles, the only surprises you'll get will be good ones. You'll get premium features you didn't think you could afford. You'll get Scandinavian design that's as beautiful as it is functional. And, you'll get incredible peace of mind with our iron-clad warranty.

Each Certified Pre-Owned Volvo passes a rigorous certification process. We investigate its title history to ensure it's "clean."* We thoroughly inspect each area of the vehicle — covering more than 130 points — and bring the vehicle up to our exacting specifications. Then, and only then, we certify the vehicle and issue a six-year/160,000-kilometer exclusionary warranty to the new owner (warranty is calculated from the original in-service date and zero kilometers).

When you purchase a Certified Pre-Owned Volvo, you'll have the same confidence and pride in your vehicle as you would a brand-new one — without the new-vehicle price tag. And, you don't have to worry about the surprises you might find in a typical used car!

*It has never been in a major collision and its odometer reading is accurate.
