

# FJ CRUISER

2014 ACCESSORIES

# EXPANDING YOUR SPIRIT OF ADVENTURE.

The FJ is one-of-a-kind. It's both beauty and the beast. It's more than capable on the road and off... and adventure starts when the asphalt stops. So when you own a vehicle that's this much fun, it only makes sense that you want to take it to new levels of excitement. You can do that with Genuine Toyota Accessories. They're designed to enhance your ownership experience while delivering the quality, fit and finish you expect from Toyota. And that's a winning combination.

# FJ

For more information on all Genuine Toyota Accessories, please visit [toyota.com/accessories](https://toyota.com/accessories) or contact your Toyota dealer.

# EXTERIOR

With the FJ, adventure awaits around every corner... or on the other side of a creek. FJ's elevated air intake and protected electrical components can defy currents up to 28 inches deep.\* That's versatility. And that's why Toyota created a full line of Genuine Toyota Accessories for the FJ – so you've got all angles covered, making your FJ uniquely yours.

\*Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers using special safety equipment and procedures. Do not attempt.

## SPARE TIRE COVER

One of the styling signatures of the FJ Cruiser is the rear-mounted spare tire. Add this durable, molded cover to protect your spare tire from dirt, debris and the sun's ultraviolet rays:

- Hard plastic tire cover features a molded FJ logo that's integrated with a unique tire tread pattern
- Engineered for a perfect fit with specific factory tires and sizes
- Easy installation and removal

## ALLOY WHEEL LOCKS

Peace of mind: These precision-machined, precisely balanced alloy wheel locks have one purpose – to keep your FJ's wheels secure:

- Triple nickel chrome plating stands up to the elements and looks great
- Weight-matched to stock lug nut, making rebalancing unnecessary
- Includes a spare tire lock

## ROOF RACK

Let's face it, sometimes there's just not enough space inside – those are the times the FJ's roof rack comes in handy. It can handle loads up to 150 lbs., all while enhancing the rugged off-road look:

- Aluminum basket-style rack features adjustable front cross bars for added utility and flexibility
- Installs on factory roof rail channels for no-drill installation
- Black powder coating and electro-deposition (e-coating) finish protect against corrosion and the elements
- Accepts most aftermarket roof rack accessories

## BALL MOUNT

The fun of owning an FJ? Bringing along your toys. This ball mount<sup>1</sup> is designed specifically to match your FJ's towing capacity, all while measuring up to Toyota's exacting performance standards:

- Optimized ball placement for precise drop/rise to maintain the optimum vehicle departure angle
- Powder topcoat helps protect against UV rays to maintain its long-term appearance
- On-road, real-world testing ensures the quality and durability of the entire towing system
- Trailer ball sold separately

## TRAILER BALL

This Genuine Toyota trailer ball<sup>2</sup> is specifically designed to work in harmony with the Toyota ball mount:

- Available in 2 5/16-in., 2-in. or 1 7/8-in. diameters
- Cold-forged steel construction for superior strength
- Includes built-in wrench flats for ease of installation and torquing

## TOW HITCH RECEIVER

Tested and ready for the long haul, this Genuine Toyota tow hitch receiver<sup>3</sup> is designed to handle up to the maximum tow rating for your FJ, making it easy to bring whatever you need:

- Electro-deposition coating (e-coating) and a powder topcoat help protect against corrosion, ultra-violet rays and environmental factors to keep it looking like new over the long term
- No-drill installation maintains the structural integrity of the frame
- 16 connection points to the frame distribute the towing force, while reducing stress and preserving the integrity of the frame and body structure
- Extensive testing ensures real-world functionality and durability
- Ball mount and trailer ball sold separately

## ROCK RAILS

When you're exploring, the last thing you want to worry about is a nick or gouge on the rocker panels of your FJ. These rock rails provide an added layer of protection when traversing boulder-laden trails:

- Durable corrosion-resistant steel construction
- Robotic welding ensures a precise fit
- Electro-deposition coating (e-coating) for superior corrosion protection and longevity, followed by a textured black powder topcoat to prevent peeling, chips and scratches
- Attaches to existing vehicle mounts – no drilling required

## PAINT PROTECTION FILM

You might not be able to see it, but the protection is priceless for certain sections of the hood:

- Durable, nearly invisible urethane film helps maintain a like-new appearance
- Helps protect paint from sand, stones and other road debris
- Paint protection film is also available at your Toyota dealership in a separate kit for the front bumper at an additional charge

PROTECTED

## HOOD PROTECTOR

This hood protector is as eye-catching as it is aerodynamic. It's a great addition that helps guard your paint from airborne dirt and debris:

- Impact-resistant polycarbonate construction for superior strength and durability
- Helps save potentially costly repairs to the hood and windshield
- Simple, no-drill installation utilizes factory mounting points

## EXHAUST TIP

Put the finishing touch on your FJ with a brilliantly polished exhaust tip:

- Constructed of corrosion-resistant, double-walled 304 stainless steel for long-term durability
- Polished to a brilliant shine for long-lasting beauty
- Easy, bolt-on installation – no cutting, drilling or welding

# INTERIOR

Looking at the interior of the FJ, it's clear that this design is heritage-inspired. The FJ tradition is complemented by all the convenience of a modern Toyota SUV. But that's just the beginning. There's also a full spectrum of Genuine Toyota Accessories designed specifically for the FJ that allow you to enhance its comfort, convenience and versatility. Let your imagination run wild.

## DOOR SILL ENHANCEMENTS

It's the little touches that make a big difference – like adding these brushed-aluminum door sill enhancements, complete with a distinctive FJ logo:

- Heavy gauge brushed aluminum construction
- Protects door sills from unsightly scuffs and scratches
- Simple, no-drill installation – comes with self-adhesive backing
- Set of two

## CARPET FLOOR MATS

No matter where you take your FJ, these carpet floor mats<sup>2</sup> help keep the original carpet looking like new. Plus, a prominently woven FJ badge adds that extra bit of detail:

- Custom fitted to the FJ
- Quarter turn fasteners on the driver's side help keep mats in place
- Includes two front mats and two rear mats
- High-grade durable nylon carpet construction

## ALL-WEATHER FLOOR MATS

The fun of owning an FJ is being able to explore to your heart's content – and no matter where you roam, these all-weather floor mats<sup>2</sup> take on the elements while helping to keep your interior clean:

- Ribbed channel design contains moisture, dirt and debris
- Driver's mat secures with quarter-turn fasteners
- Includes two front mats and two rear mats
- Easy to clean

## CARPET CARGO MAT

You shouldn't have to think twice when you load up an FJ. This carpet cargo mat<sup>3</sup> protects against premature wear and helps keep your cargo area looking like new:

- Custom fitted to the FJ
- Skid-resistant backing helps keep the mat in position
- High-grade nylon carpet construction

## CARGO NET-ENVELOPE

Contain your supplies so they are not tipping over or rolling around the cargo area of your FJ with this cargo net-envelope<sup>3</sup>:

- Specifically designed for the FJ
- Envelope-style design accommodates a wide range of items
- Durable elastic mesh construction is stain-resistant, helping maintain a like-new appearance
- Easy to install – attaches to existing hooks in cargo area
- Stores flat when not in use

## CARGO COVER

Keep your valuables out of sight: This cargo cover<sup>3</sup> quickly attaches to the side panels and also helps protect items from sun damage and fading:

- Conceals items in cargo area for added peace of mind
- Sturdy steel/fade-resistant vinyl construction
- Easy to install – mounts to cargo area side panels

## CARGO TOTE

It's all about organization, and that's where this cargo tote<sup>3</sup> excels. It's a convenient place to contain your items so they don't roll around the back of your FJ:

- Collapsible, soft-sided design holds a variety of everyday items
- Two carrying handles for easy loading and unloading
- Stores flat when not in use, pops up when needed
- Removable divider panels help keep everything organized
- Durable, water-resistant fabric construction

## CARGO TRAY

An essential accessory to accompany you on your adventures, this custom-fitted cargo tray<sup>3</sup> helps keep your cargo area clean and dry:

- Cut to an exact fit of your FJ's cargo area
- Multidimensional surface and perimeter lip help contain dirt, debris and liquids
- Molded FJ logo adds a touch of customization

## REAR DOOR STORAGE NET

This convenient rear door storage net<sup>3</sup> extends across your FJ's rear door and features an easy-access, panel-style pocket:

- Perfect for storing smaller items like maps, flashlights, cables, first aid kit or groceries
- Helps keep items from tipping over or falling out
- Rear door can accommodate up to two storage nets
- Mini-net plastic frame installs to the rear door (hardware included; some drilling required)

### ASHTRAY CUP

The key is convenience: This ashtray cup fits snugly in your cup holder and features a hinged lid to help minimize odors:

- Easy to empty and clean

### EMERGENCY ASSISTANCE KIT

This multi-functional emergency assistance kit contains tools and supplies to help handle minor emergency situations and repairs so you can stay on the road. Contents include:

- Versatile, stainless steel pocket tool with multiple functions, including: pliers, wire cutters, and two screw drivers
- Heat-reflective emergency blanket
- Flashlight
- Work gloves with textured palm area to optimize grip
- Automotive-grade hose tape
- Booster/jumper cables with multi-lingual instructions
- Tire gauge
- Bungee cord
- Shop towel
- Tether strap

### FIRST AID KIT

Be prepared for life's little emergencies with this handy first aid kit:

- Includes bandages, insect-sting relief pads, scissors, emergency blankets and more
- Soft-sided, water-resistant and flame-retardant black PVC zipper case
- VELCRO® brand mounting strips help the kit remain firmly in place

PG12

### PASSENGER ARMREST

Provides comfortable arm support for passenger:

- Made from durable material with a soft automotive-grade fabric cushion for maximum passenger comfort
- Pivots upward for added convenience

### RS3200+ VEHICLE SECURITY SYSTEM

When it comes to security, the RS3200+ vehicle security system<sup>4</sup> is the ideal addition:

- Designed to integrate with the keyless entry system – no need for an additional remote
- Automatic rearming and relocking, door-ajar warning, interior light activation, panic alarm, rolling code technology and disabling of the starter
- Warn-away alarm triggers an alarm if an object strikes a window
- Alarm is activated if someone tries to force open a door or if glass is broken

PG13

# ELECTRONICS

# TRD

Love your FJ but want more? That's why TRD exists. TRD stands for Toyota Racing Development. And TRD accessories are the perfect addition to your FJ. You can boost performance with a TRD Performance Exhaust System. Or refine the handling with TRD Performance Shocks. And that's just the beginning. Plus, all TRD accessories are designed with one goal in mind: to help you take your FJ from stock to "stunner".

## ◀ TRD OIL CAP

- Dress up your FJ's engine compartment with the race-ready look of a TRD oil cap:
- Forged billet aluminum construction
  - Highly-polished finish with a high-luster coating so it looks sharp for years to come
  - Threaded screw-in mounting
  - Available in two styles
  - Direct replacement for stock oil cap

## ◀ TRD RADIATOR CAP

- Cap off the good looks of your FJ by adding a TRD radiator cap:
- Releases at higher cooling system pressures than factory caps, raising the coolant boiling point to protect engines under high-rpm or high-load operation

## TRD PERFORMANCE OIL FILTER

Get exceptional filtration and lower flow restriction, along with engine protection and durability when you switch to a TRD oil filter for your FJ:

- Three plies of 100% synthetic glass/polyester blend filtration medium provides the highest possible dirt removal efficiency and the lowest possible flow restriction
- Zinc-plated steel end caps help increase structural integrity
- Red silicone gaskets provide excellent seal characteristics at high temperatures
- Includes two replacement high-temperature Vitron housing gaskets and a drain adapter

## TRD SHIFT KNOB

FJs are unique and have their own go-anywhere, do-anything style. By adding a TRD shift knob, you can add your own personal touch to your FJ:

- Features the 6-speed shift pattern on top and an embossed TRD logo on the side for added appeal
- Delivers an enhanced shifting feel while providing an impressive addition to your interior
- For manual transmissions only
- Easy to install

## TRD 16-IN. OFF-ROAD BEADLOCK STYLE ALLOY WHEELS

One of the reasons you were drawn to the FJ is its unique style. There's nothing else like it on or off the road. To make it stand out even more, you can add a set of TRD 16-in. off-road beadlock style alloy wheels<sup>5</sup>:

- They're as stylish as they are functional with prominent beadlock design and bronze-painted finish
- 16 x 7.5-in. low-pressure cast-alloy construction meets the rigors of TRD's stringent wheel standards
- Minus-one fitment allows for larger sidewall tires to improve off-road ride and handling
- Provides the proper weight, offset and brake clearance to ensure proper fit, finish and reliability

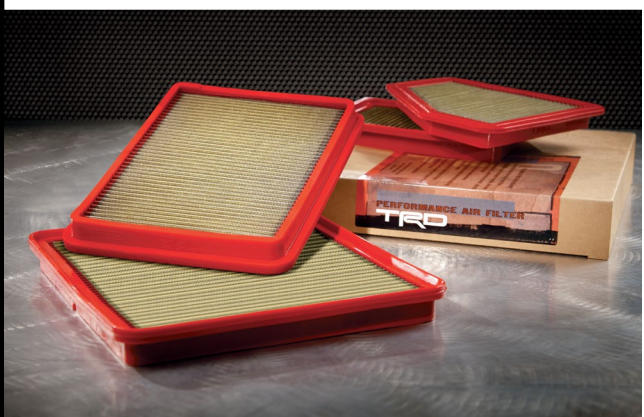

## TRD PERFORMANCE AIR FILTER

Free-flowing design of the TRD performance air filter allows the maximum amount of air into the engine with minimal resistance, providing unrivaled engine protection and the potential for increased engine output:

- Unique oiled four-ply cotton gauze filter media for superb filtration and enhanced airflow
- Rugged polyurethane body includes an elastomeric seal for a leak-free fit
- Washable and reusable – designed to last the lifetime of your FJ
- Pre-oiled and ready to install – an exact drop-in replacement for stock air filter

## TRD PERFORMANCE AIR INTAKE

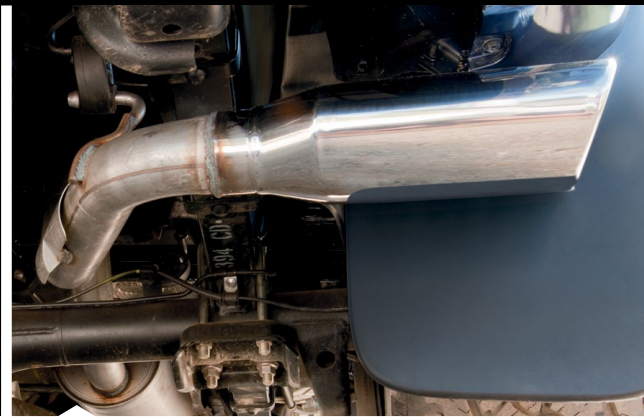

Looking for a boost in performance? Consider this: Cold air is denser than hot air. So in your engine, cold air means more power. That's what you get when you add a TRD performance air intake system\* to your FJ:

- Takes cool air from behind and below the headlights (rather than hot engine compartment air) and supplies this cooler, denser air to the engine to increase power and improve cooling
- Designed to work with the factory ECU and emissions system
- Includes reusable TRD high-flow air filter with a custom-calibrated filter service gauge that visually indicates when the filter needs servicing
- Dyno-tested to deliver an increase in horsepower and torque for superior acceleration and greater pulling power
- Emissions legal in all 50 states

## TRD QUICKSHIFTER

When driving off-road, it's not about speed – it's about quickness. For those occasions, adding a TRD quickshifter comes in handy:

- The linkage and repositioned pivot points provide up to 30% shorter shift throw for a sporty, more responsive feel
- Designed specifically for the FJ
- Simple remove-and-replace installation – no drilling or special tools required
- Manual transmission only

## TRD PERFORMANCE EXHAUST SYSTEM

Engineered to deliver more horsepower and add a distinctive edge to your driving experience, the TRD performance exhaust system makes your FJ sound racier and accelerate quicker:

- Cat-back design reduces back pressure for improved horsepower and enhanced low- to mid-range torque (adds between 5- to 8-horsepower, depending upon application)
- Unique side exit design maximizes departure angle and allows for a less restrictive exhaust path
- Constructed of durable stainless steel for superior corrosion resistance
- Stylish TRD-logo-etched tip
- Produces a deep, throaty tone while meeting legal noise limits

## TRD PERFORMANCE SHOCKS

Want to refine your ride? Adding a set of TRD performance shocks to your FJ will take the handling to a new level of smooth:

- Race-inspired design delivers a well-managed ride without excessive harshness
- Refined shock valving helps reduce body lean and dive, while providing better overall response and cornering performance

## TRD HIGH-PERFORMANCE BRAKE PADS

On- or off- road, braking performance is vital. When you add a set of TRD high-performance, high-friction brake pads to your FJ, you improve braking performance:

- Aramid- and ceramic-strengthened compound helps deliver an optimum combination of cold and hot friction with minimal brake noise
- Pre-scorched to aid in initial break-in
- Reduces fade during repeated stops or extended downhill driving
- Direct replacement for stock pads
- For street and off-road use (not intended for open track sessions)

## TRD HIGH-PERFORMANCE BRAKE KIT

Add more stopping power to your FJ with a TRD high-performance brake kit for the front axle:

- Four-piston opposed, fixed-caliper design for confidence-inspiring braking performance
- Patented, directional AeroRotor design features internal cooling vanes that help keep rotors cool for consistent braking performance
- Cross-drilled rotors improve the initial "bite" when braking in wet or rainy conditions
- Maintains or improves front-to-rear braking distribution and achieves shorter braking distances
- Stainless steel braided brake lines with Teflon® inner liner eliminate expansion under pressure for optimum pedal feel
- Kit includes performance brake pads and stainless steel braided brake lines (front axle only) and is specifically designed for your vehicle with no special maintenance required

## 2014 ACCESSORIES

# ALWAYS GO WITH GENUINE TOYOTA ACCESSORIES

When it comes time to make your Toyota your own, remember only Genuine Toyota Accessories are designed, tested, and approved specifically for your Toyota vehicle. Plus, when you purchase them at the same time as your new vehicle, Genuine Toyota Accessories are backed by Toyota's 3-year / 36,000-mile New Vehicle Limited Warranty, valid at any Toyota dealership nationwide.

To learn more about Genuine Toyota Accessories and to see how they'll look on your Tundra with our comprehensive Build Your Toyota feature, please visit [toyota.com](http://toyota.com) or to find your local Toyota dealer, please visit [toyota.com/dealer](http://toyota.com/dealer).

This brochure is based upon information available at time of printing, is subject to change without notice, is for mainland U.S.A. vehicles and may differ in the state of Hawaii, Puerto Rico, the U.S. Virgin Islands and in other regions.

### DISCLOSURES

**1.** Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment. **2.** To avoid potential interference with pedal operation, do not install a floor mat on top of an existing floor mat. Each mat must be secured with either quarter-turn fasteners or retention hooks (clips). This floor mat was designed specifically for use in this model and model year vehicle and SHOULD NOT be used in any other vehicle. **3.** Cargo load and capacity limited by weight and distribution. **4.** Available for vehicles equipped with factory remote keyless entry. **5.** 16-in. off-road performance tires are often expected to experience greater tire wear than conventional tires. Tire life may be substantially less than mileage expectancy, depending upon tires used and driving conditions. **6.** The TRD performance air intake is to be sold as dealer-installed or over-the-counter options after the retail sale of the vehicle. The performance air intake may not be sold to the customer at the same time as the new vehicle and may not be financed together with the new vehicle. Please see the TRD catalog, visit [www.trdusa.com](http://www.trdusa.com) or call 800-688-5912 for a complete list of TRD products and warranty information. Emission-legal for aftermarket sale via C.A.R.B. Executive Order.
