4Runner 2012 Accessories

Whether it's a weekend of rugged adventure or a long quiet drive, we have everything you need to get the most out of your 4Runner and really make it yours. Hauling extra stuff? No problem. Wondering how to maintain your vehicle's appearance while taking on the roughest terrain? We've got you covered. At Toyota we design accessories that reflect the perfect balance between form and function while delivering a driving experience unlike any other.

toyota.com/accessories

Hood Protector¹

Featuring highly impact-resistant polycarbonate material offering superior strength and durability, the hood protector helps guard your hood and factory paint finish from damage that can occur during daily use. Mounting hardware included.

A | Alloy Wheel Locks

Constructed of forged, thoroughly hardened and tempered steel for structural integrity, with triple-nickel and zinc plating, these wheel locks provide inexpensive, dependable protection against wheel and tire theft. All wheel locks are precision weight-balanced to the stock lug nut weight, eliminating the need for rebalancing after installation.

B | Ball Mount²

Designed for use with a Genuine Toyota towing receiver hitch and to match your trailer, this ball mount meets your 4Runner's exact towing capacity. The Genuine Toyota ball mount undergoes rigorous lab and on-road testing in conjunction with the tow hitch to ensure it meets Genuine Toyota performance standards.

C | Trailer Ball²

Specifically designed for use with your Genuine Toyota ball mount, the trailer ball is engineered to complete the connection between your towing receiver hitch and your trailer. Crafted of cold-forged steel for superior strength, the trailer ball meets or exceeds all industry towing standards and includes built-in wrench flats for easy installation and torquing.

D | Exhaust Tip

This polished stainless steel exhaust tip is the ideal finishing touch to enhancing your 4Runner's exterior appearance. The exhaust tip is constructed of corrosion-resistant, double-walled 304 stainless steel, polished to a brilliant shine for long-lasting beauty. Easy, bolt-on installation.

E | Running Boards

These sturdy roll-formed running boards are designed specifically to correspond with the 4Runner's unique styling cues, while providing easy step-in access to the vehicle. With integrated, skid-resistant step pads that provide for secure footing at all times, the running boards also feature a textured black powder coating, enhancing the 4Runner's rugged appearance.

A | Door Edge Guards

Help protect your 4Runner's vertical door edges from dings and paint chips with exclusive, body color-matched Genuine Toyota door edge guards. Constructed from roll-formed stainless steel, the door edge guards are encapsulated in body color-matched Thermoplastic Compound (TPC). They are custom fabricated and employ a compression fit for secure adhesion to vehicle's door edges without the need for chemical adhesives or mechanical fasteners. These door edge guards resist cracking, fading and peeling and can help maintain your vehicle's resale value.

B | Roof Rack Cross Bars

Engineered for seamless integration with your 4Runner's factory roof rails, this set of two roof rack cargo cross bars enhance your vehicle's cargo management versatility and provide additional tie-down points for all types of roof rack accessories. They can support a maximum of 132 lbs. (60 kg) when evenly distributed across both bars and meet Toyota's high standards for performance and strength.

C | Paint Protection Film⁹

Help protect your 4Runner's factory paint from sand, stones, insects and other road debris that can chip and scratch the finish with paint protection film. Constructed from durable, colorless urethane and nearly invisible, it can be applied to the frontal impact areas of the vehicle including the hood and fenders and front bumpers. Quick and easy to install, the paint protection film helps maintain a like-new appearance. Must be applied at the factory or your dealership by a trained technician.

A | Cargo Tote

The collapsible soft-sided cargo tote is designed to hold a variety of smaller everyday items, helping to ensure they don't shift around or tip over in your cargo area. For added convenience, the tote includes removable divider panels that hold items upright. It also features two carrying handles for easy loading and unloading, folds flat when not in use, and pops up easily when needed.

B | Cargo Tray

Carry what you need while keeping your cargo area protected from spills, dirt, water, snow and other debris with this tough, molded cargo tray. It's perfectly-fitted to your 4Runner's cargo area and made from a flexible polymer blend with a skid resistant surface, helping to ensure cargo stays in place. The cargo tray also features a perimeter "lip" to help contain spills. Plus it's easy to clean with just a hose or soap and water.

C | Cargo Cover

Engineered for a precise fit to your 4Runner, this handy retractable cargo cover attaches to the side trim panels, providing added security for items stored in your cargo area. The cargo cover is resistant to ultraviolet (UV) rays, offering valuable protection against sun damage and fading. It's easy to install or remove and is washable.

D | Carpet Cargo Mat

Help protect your cargo area from premature wear with this highly resilient cargo mat that's resistant to fading, oils and chemicals for unsurpassed durability. It's color-coordinated to match your vehicle's interior and features the 4Runner logo. Sturdy rubber-backed construction helps prevent the mat from sliding.

A | Cargo Divider

The cargo divider provides added convenience for 4Runners that are equipped with a rear sliding cargo floor. Featuring a four-inch tall wedge shaped flap, the cargo divider helps prevent items from inadvertently sliding or shifting when the sliding floor is extended/pulled out. Locked in the "up" position, the flap forms a barrier that helps prevent items from rolling off and under the sliding cargo floor or behind the seat. Locked in the "down" position, its unique wedge shape allows large boxes and other larger items to slide over it. Color-matched to complement your 4Runner's interior, the cargo divider is designed to exceed Toyota's tough engineering specifications.

B | Cargo Net

Keep your cargo area organized and protected from spills with this envelope-style cargo net, designed to hold a variety of everyday items—from groceries to athletic gear—helping to ensure they don't shift around or tip over. Made of a durable mesh netting, the cargo net attaches to defined points in the rear cargo area, making it easily accessible. It installs in seconds and folds flat for storage.

C | Cargo Net, Spider

Help keep smaller, light-weight objects restrained while driving with the spider cargo net. Specifically made for your 4Runner, the cargo net features durable black nylon webbing, an elastic bungee cord border and hooks that attach the net to the factory D-ring anchors located on the rear cargo floor. It installs in seconds and lays flat for storage when not in use. Requires cargo divider.

A | Carpet Floor Mats⁴

Tailored for a precise fit to your 4Runner's floor pattern, the carpet floor mats are constructed of high-grade plush nylon carpet, are color-coordinated to your vehicle's interior and include an embroidered 4Runner logo. Retention clips and a ribbed backing help keep the mats in position.

**B | All-Weather Floor Mats⁴**

Protect your 4Runner's original factory carpet with a set of durable all-weather floor mats. These solid one-piece mats feature a ribbed channel design that helps contain moisture, grease, dirt and other debris. Embellished with a 4Runner logo, the mats are constructed from a high-quality 100% recyclable thermoplastic polymer material that resists fading and cracking. Plus, they're held firmly in place with a ribbed backing and retention clips.

**C | First Aid Kit**

This handy first aid kit can help you tend to many minor injuries. The kit includes insect-sting pads, adhesive bandages, butterfly strips, stretch bandage with fasteners, scissors, an emergency blanket and more. Designed with Velcro® mounting strips, the soft zippered case can be placed inside the cabin or cargo area and will remain firmly and quietly in place during normal driving.

D | Ashtray Cup

This self-contained ashtray fits snugly inside 4Runner's cup holder. Featuring a hinged lid and ultraviolet (UV) protected cup, it helps minimize odors and flyaway ash. The unit is removable for portability and easy cleaning.

E | Emergency Assistance Kit

Don't let minor problems stop you in your tracks. This ultra-functional emergency assistance kit contains tools and supplies to help you handle minor situations that may occur on the road. The kit includes booster cables, a hose clamp and tape, work gloves, survival blankets, a flashlight/lantern, a water bag and more. The kit also features a retention strap to help keep it secure and is specially packaged to eliminate rattling while driving.

A | Remote Engine Starter

Enjoy the luxury of having your vehicle ready and waiting with a comfortable interior temperature on cold winter mornings or hot summer afternoons, courtesy of the Remote Engine Starter. This clever accessory allows you to start the engine—and to activate the preset air conditioner, heater, defroster and defogger functions—before entering your vehicle. It's fully integrated into your factory security/keyless entry system, so there's no need for an additional remote control key fob.

B | Wireless Headphones⁵

Stylish, lightweight and fully adjustable, wireless headphones complement your rear seat entertainment system with rich, dynamic sound quality. Cushioned padding helps ensure comfort, while individual volume control allows passengers a personalized audio experience. There's also an "Auto-off" mode to help extend battery life.

C | Rear Seat Entertainment System⁵

This dual screen rear seat entertainment system lets your rear passengers watch movies, play video games and even listen to music. Featuring two seven-inch LCD Touch Screen Display monitors with integrated DVD players, the system is compatible with the Active Headrest Safety System. A fit kit is used to mount the docking stations on the top of the driver's and passenger's front seats just below the headrest. Each monitor can operate independently to allow for separate video or video game use and includes a pair of infrared wireless headphones with two user selectable channels (A and B) that offer superior stereo sound quality. Both monitors also feature RCA A/V jacks for connecting external inputs such as video game systems or digital cameras.

A | TRD Oil Cap

They may go on like the stock oil cap, but these highly polished forged billet aluminum TRD oil caps provide a customized race-ready look that's anything but stock. Finished with a high-luster coating, you can be confident they'll maintain their appearance for years to come. Available in forged and billet styles. Simple, twist-on application.

**B | TRD Radiator Cap**

Upgrading to a TRD high-pressure radiator cap can help your vehicle perform better under pressure. That's because this radiator cap is designed to release at higher cooling system pressures than stock radiator caps, raising the coolant boiling point to help enhance vehicle performance—and provide valuable protection for your engine—under high rpm or high load operation.

**C | TRD Performance Air Intake[®]**

The dyno-tested TRD cold air intake system creates more horsepower and torque by bringing cooler, denser air to the engine. The cold air intake features a low-restriction air filter in a special molded filter housing. It also incorporates a vacuum indicator that automatically indicates when the filter should be serviced. Emissions legal in all 50 states.

A | TRD Performance Brake Pads

Boost braking performance and reduce fade during repeated stops or extended downhill driving with TRD's high-performance, high-friction brake pads. Made from an aramid and ceramic-strengthened compound, TRD brake pads deliver an optimum combination of cold and hot friction, with minimal brake noise and enhanced stopping power. They offer an excellent price-to-performance ratio in a high-performance street pad.

B | TRD Air Filter

Providing engine protection and potentially increasing engine output, the TRD high-performance air filter features a unique, oiled four-ply cotton gauze design that maximizes the filter's media area for superb filtration and enhanced airflow. A rugged polyurethane body holds the filter element, which is enclosed in durable epoxy-coated mesh and an elastomeric seal for a precision, leak-free fit. It's also washable, reusable and designed to last the lifetime of your 4Runner.

C | TRD Oil Filter

Spoil your 4Runner with premium engine protection, courtesy of the TRD high-performance oil filter. TRD oil filters use three plies of 100% synthetic glass/polyester blend filtration media for optimal efficiency.

D | TRD 17-in. Forged Off-Road Alloy Wheels

Lighter than their cast counterparts, hot forged wheels have a higher strength-to-weight ratio, helping keep corner weight down while maintaining unsprung weight specifications—making these race-inspired TRD 17-inch forged off-road alloy wheels the ideal upgrade to factory wheels. The wheels feature a six-spoke design, gunmetal grey finish and machined outer lip with beadlock styling. TRD wheel installation kit required.

Also Available:

- Mudguards
- Towing 7-Pin to 4-Pin Adapter

Disclaimers

1. Mounting hardware and simple no-drill installation instructions included.
2. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment.
3. Paint protection film for the leading hood edges/fenders and front bumper sold as two separate packages.
4. To avoid interference with pedal operation: Each mat must be secured with retention hooks (clips). Do not install a floor mat on top of an existing floor mat. This floor mat was designed specifically for use in this model and model year vehicle and SHOULD NOT be used in any other vehicle.
5. Headphones are for passenger use only. Do not use while operating vehicle.
6. TRD Cold Air Intake is to be sold as a dealer-installed or over-the-counter option, after the retail sale of the vehicle. The Cold Air Intake may not be sold to the customer at the same time as the new vehicle and may not be financed together with the new vehicle. Please see the TRD catalog, visit www.trdusa.com or call 800-688-5912 for a complete list of TRD products and warranty information.
