Highlander 2012 Accessories

Navigating life is just as important as navigating the road. At Toyota, we develop genuine accessories that provide the look and styling your vehicle deserves, with the everyday feature comforts that your lifestyle demands. From our 2012 Highlander to our entire family of Toyota cars and trucks, Genuine Toyota Accessories are where practical meets exceptional, delivering a balanced driving experience to any destination.

toyota.com/accessories

Hood Protector¹

Maintain the condition of the paint on your Highlander's hood with our stylish hood protector. The high-impact resistant material is engineered to follow the contours of the hood and grill to shield the finish on your vehicle from the damage that can occur during life's everyday adventures. All necessary mounting hardware is included and no-drill installation can be performed by following simple instructions.

A | Wheel Locks

Inexpensive yet dependable, these precision machined, hardened and tempered steel locks provide protection against alloy wheel and tire theft. All locks are triple-nickel and chrome plated and precision-weight-balanced to match the stock lug nut weight eliminating the need for rebalancing after installation. Each set of four locks have unique machined security patterns that require a special key tool for removal.

B | Exhaust Tip

Give your vehicle tailpipe that finished look with a polished stainless steel exhaust tip. Constructed of corrosion-resistant stainless steel and mounted with a high quality automotive grade clamp, this exhaust tip adds the style you want with a quality accessory you expect from Toyota.

C | Mudguards

Designed to help provide protection for the paint on your vehicle's lower body panels while integrating seamlessly into your Toyota's unique styling, these mudguards are constructed of heavy-duty injection-molded Thermoplastic Olefin (TPO) and manufactured using specifically designed molds to produce parts that fit the exact contours of your Highlander.

D | Running Boards

These sturdy roll-formed steel running boards provide easy step-in access to the vehicle. The integrated, skid-resistant step pads complement the vehicle styling and provide secure footing under the harshest of conditions. The running board structure is powder coated black for corrosion resistance and features highly engineered mounting brackets that prevent flex and ensure durability.

A | Door Edge Guards

Help protect your vehicle's vertical door edges from dings and paint chips with exclusive, body color-matched Genuine Toyota door edge guards. Constructed from roll-formed stainless steel, our door edge guards are encapsulated in a thermoplastic coating then painted to exactly match the factory paint color. They employ a compression fit for secure adhesion to vehicle's door edges without the need for chemical adhesives or mechanical fasteners. These door edge guards resist cracking, fading and peeling and can help maintain your vehicle's resale value.

B | Body Side Molding

Color-matched body side moldings help protect your doors from scratches, dents and chipping, while adding a touch of elegance to your vehicle's appearance. All body side moldings feature a high quality factory finish and are engineered specifically for your model, ensuring a precise fit.

C

A

C | Paint Protection Film²

Help protect your vehicle's factory paint from sand, stones, insects and other road debris that can chip and scratch the finish. Constructed from a durable, colorless urethane film that is nearly invisible, it can be applied to the frontal impact areas of the vehicle including the hood, fenders and lower bumper to help maintain a like-new appearance.

B

A | Towing Receiver Hitch³

This hitch is designed to perfectly integrate with the Highlander's rear bumper. Its model-specific design is precisely engineered to achieve your vehicle's safest maximum tow rating and is subject to an uncompromising testing and manufacturing process. All Toyota tow hitches feature a dual-layer painting process for protection against corrosion, and from ultraviolet (UV) rays to maintain its long-term appearance.

B | Wiring Harness

The Genuine Toyota trailer wire harness provides a 4-pin flat connector located alongside the trailer hitch to provide power to your trailer's brake lights, turn signals and taillights. Featuring a converter assembly, fusing, cables and connectors—all specifically designed to work with your Highlander's existing electrical system.

C | Ball Mount³

Toyota trailer balls and mounts are made specifically for use with Toyota hitches and help complete the connection between your vehicle's tow hitch and your trailer. The trailer balls include built-in wrench flats for easy installation and meet or exceed all industry towing standards. Available in 2 5/16", 2" or 1 7/8" ball diameters.

D | Hybrid Synergy Drive Window Sticker

Proudly show off your environmental sensitivity with the "Hybrid Synergy Drive" window sticker featuring white lettering on a clear exterior-mounted sticker.

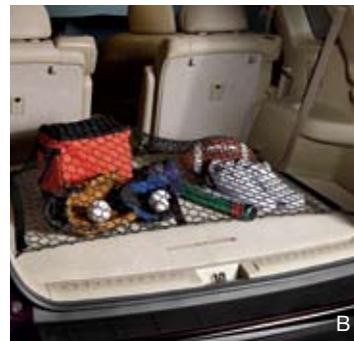

E | Cargo Cross Bars

Enhance your vehicle's cargo management with Genuine Toyota cargo cross bars. They mount to the roof rails adding versatility with additional mounting points for all types of roof rack accessories. Capable of supporting a maximum weight of 132 lbs. (60 kg) when evenly distributed across both bars, they readily meet Toyota's high standards for performance and strength.

A | All Weather Cargo Mat

Outside to inside, your vehicle is protected through the roughest of conditions. Genuine Toyota all weather cargo mats feature a multi-dimensional surface and perimeter “lip” to contain dirt, debris and liquids—helping to keep your valuable cargo clean, dry and stain-free. A non-slip backing keeps the mat in place, while a molded Highlander logo provides an added touch of personalization.

B | Spider Cargo Net

Engineered to fit the cargo area of your vehicle, the spider cargo net features durable black nylon webbing, an elastic bungee cord border and hooks that attach the net to the factory D-ring anchors located in the floor of the rear cargo area. Easy to install, it keeps your loose items secure while driving.

C | Cargo Tote

Avoid onboard spills, tipping and cargo shifts with this collapsible soft-sided cargo tote. Designed to hold a variety of your everyday items, the cargo tote features removable plastic divider panels for multiple organizing options. For easy loading and unloading it features two carrying handles and folds flat for easy storage.

D | Cargo Net

From making a grocery run to transporting soccer gear, keep your cargo from shifting as well as organized with this hammock-style cargo net. Made of a durable mesh netting, the cargo net attaches to defined points in the rear cargo area, making it easily accessible. It installs or removes in seconds and can be folded up and stowed away for storage.

A | Cargo Mat

Keep the cargo area of your vehicle clean and looking new with the protection of this carpet cargo mat. Resistant to fading, oils and chemicals for unsurpassed durability, this cargo mat is color-coordinated to match your vehicle's interior and features the Highlander logo.

B | Cargo Cover

Providing added security for items stored in your cargo area, the cargo cover is simple to install, retracts when not in use and can be easily removed to accommodate larger items. Features include an extended, retractable flap that attaches to the rear seats for added cargo area protection.

A

C

C | Auto-Dimming Mirror

Relieving you from the glare of headlights from behind your vehicle, the auto-dimming mirror automatically reduces the reflection rate of your inside mirror to dampen glare and help improve your rear view during nighttime driving. The inside mirror also conveniently displays a compass in the upper right-hand corner of the mirror.

B

A | Carpet Floor Mats⁴

Exact fit for your vehicle's floor pattern, these carpet floor mats are constructed of high-grade plush nylon carpet. They feature the Highlander logo and are color-coordinated to your vehicle's interior. Positive retention clips and an aggressive non-slip backing help keep the mats in position, protecting your original factory carpet from premature wear and stains. For easy maintenance, floor mats are 100% washable.

**B | First Aid Kit**

This soft-sided first aid kit ensures that help and supplies are always close at hand. Designed to be stored securely within your Highlander cargo area or glove box, the kit contains tweezers/magnifier, insect sting pads, towelettes, adhesive bandages, butterfly strips, sterile gauze, stretch bandage with metal clips, muslin sling, adhesive tape, scissors and an emergency blanket.

C | Ashtray Kit

Featuring a UV protected plastic cup and hinged lid that fits snugly inside your vehicle's cup-holder, this self-contained unit is easily removable. Convenient for both driver and passenger use, it helps prevent flyaway ash.

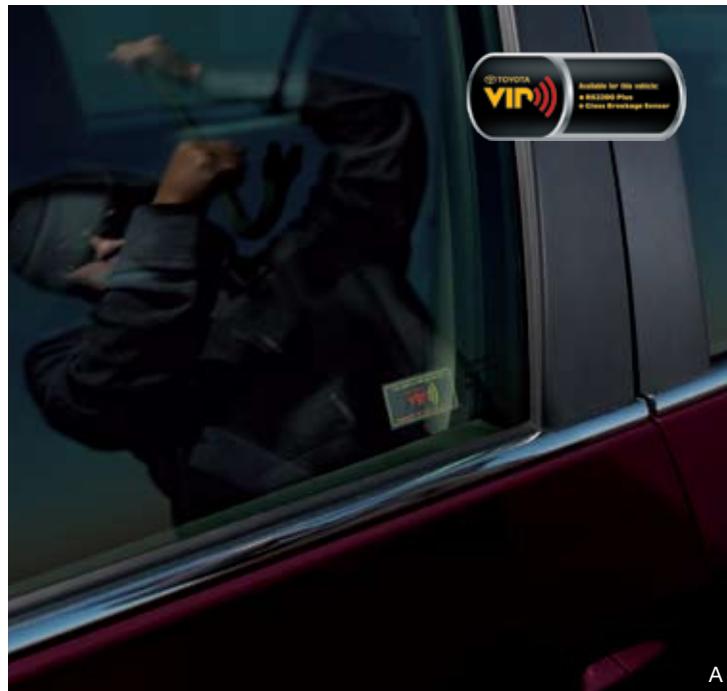

**D | Emergency Assistance Kit**

While a roadside situation is never expected, it can be prepared for with this durable nylon emergency assistance kit. Featuring tools and supplies for handling minor emergency situations and repairs, the kit includes booster cables, tire pressure gauge, hose clamp, tape, pocket tool and work gloves—plus essential emergency supplies such as survival wrap blankets, poncho, flashing LED lights, flashlight/lantern and water bag.

A | VIP Security

- **VIP RS3200 Plus System.** The VIP RS3200 Plus (Vehicle Intrusion Protection) is a complete vehicle security system with alarm and glass breakage sensor for vehicles that already have keyless entry with remote lock/unlock. When equipped with the VIP RS3200 Plus, the vehicle's security system is activated immediately if the glass is broken or if forced entry of a side door (or the trunk) is attempted. Includes a wide range of security and convenience features including: automatic rearming and relocking, door ajar warning, interior light activation, panic alarm, rolling code technology and disabling of the starter.
- **Glass Breakage Sensor.** The Glass Breakage Sensor is included in the VIP RS3200 Plus System or can be added on to an existing factory installed theft deterrent system.

A

B | BLU LOGIC Hands-Free System

Enjoy the ultimate convenience of hands-free cell phone use—and comply with regulations restricting use of cell phones while driving—courtesy of the BLU LOGIC® Hands-Free System. BLU LOGIC integrates with your factory audio system speakers, allowing you to answer incoming calls with the push of a button, while outgoing calls are as simple as speaking into the fixed microphone provided.

B

C | Remote Engine Starter

Enjoy the luxury of having your vehicle ready and waiting with a comfortable interior temperature on cold winter mornings or hot summer afternoons, courtesy of the Remote Engine Starter. This clever accessory allows you to start the engine—and to activate the preset air conditioner, heater, defroster and defogger functions—before entering your vehicle. It's fully integrated into your factory security/keyless entry system, so there's no need for an additional remote.

C

A | Interface Kit for iPod⁵

Enjoy the convenience of operating your iPod® through your Highlander's audio system, using either the steering pad or audio system controls, courtesy of the interface kit for iPod. Using a proprietary 30-pin Apple iPod connector—via a connection point in the glove compartment—you can connect, control and charge your iPod while it remains concealed in the glove compartment.

B | Wireless Headphones

Stylish, lightweight and fully adjustable, wireless headphones complement your Highlander's rear seat entertainment system with rich, dynamic sound quality. Cushioned padding helps ensure comfort, while individual volume control allows passengers a personalized audio experience.

C | Satellite Radio⁶

Whether you're on an extended road trip or driving around town, equip your Highlander with the perfect soundtrack to your life. With over 170 channels, SiriusXM Satellite radio brings you more of what you love. Get commercial-free music plus all of your favorite sports, news, talk and entertainment along with dedicated channels for instant traffic and weather reports.

Genuine Toyota Accessories give you the confidence to customize your Highlander, because only Genuine Toyota Accessories are designed, tested and approved specifically for your Highlander. And when purchased at the same time as your new vehicle, Genuine Toyota Accessories are backed by Toyota's 3-year/36,000-mile New Vehicle Limited Warranty, valid at any Toyota dealership nationwide.

To learn more about the benefits of Genuine Toyota Accessories, please visit toyota.com or contact your Toyota dealer.

Also Available:

- All Weather Floor Mats
- Rear Seat Entertainment System
- TRD Air Filter
- TRD Oil Cap
- TRD Oil Filter

1. Mounting hardware and simple no-drill installation instructions included. 2. Paint protection film for the leading hood edges/fenders and front bumper sold as two separate packages. 3. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment. 4. To avoid interference with pedal operation, each mat must be secured with retention hooks (clips). Do not install a floor mat on top of an existing floor mat. This floor mat was designed specifically for use in this model and model year vehicle and SHOULD NOT be used in any other vehicle. 5. iPod and accessories not included. iPod is a registered trademark of Apple Inc. Please see dealer to confirm iPod applicability. 6. Functioning XM Radio requires a compatible receiver and monthly service fee. See your Toyota dealer for further details. Reception of the satellite signal may vary depending on location. All fees and programming subject to change. Subscriptions subject to the terms and conditions available at www.xmradio.com. XM Radio U.S. service only available in the 48 contiguous United States and the District of Columbia.
