

Sequoia

2012 Accessories

You can never have too much style or comfort. That's why at Toyota we design accessories that enhance the look and styling of your vehicle to deliver the comforts your lifestyle demands—and deserves. From our 2012 Sequoia to our entire lineup of Toyota cars, SUV's and trucks, Genuine Toyota Accessories reflect the perfect balance between form and function, delivering a driving experience unlike any other.

toyota.com/accessories

Hood Protector¹

Featuring highly impact-resistant polycarbonate material offering superior strength, durability and flexural characteristics, the hood protector helps protect your hood and factory paint finish from damage that can occur during daily use. Mounting hardware included.

A | Wheel Locks

Constructed of forged, thoroughly hardened and tempered steel for structural integrity, with triple-nickel and zinc plating, these wheel locks provide inexpensive, dependable protection against wheel and tire theft. All wheel locks are precision weight-balanced to the stock lug nut weight, eliminating the need for rebalancing after installation.

A

B

B | Ball Mount²

Toyota trailer balls and mounts are made specifically for use with Toyota hitches and help complete the connection between your vehicle's tow hitch and your trailer. The trailer balls include built-in wrench flats for easy installation and meet or exceed all industry towing standards. Available in 2 5/16", 2" or 1 7/8" ball diameters.

C | Paint Protection Film³

Help protect your Sequoia's factory paint from sand, stones, insects and other road debris that can chip and scratch the finish with paint protection film. Constructed from durable, colorless urethane and nearly invisible, it can be applied to the frontal impact areas of the vehicle including the hood and fenders. Quick and easy to install, the paint protection film helps maintain a like-new appearance.

C

D | Front Skid Plate

Made from 1/8"-thick stamped and formed silver powder coated aluminum, the front skid plate features a vehicle specific design that helps to protect your Sequoia's underbody from damage that could occur from various types of road debris. Powder-coated black steel brackets attach to existing vehicle body mounts, while supporting the skid plate. Designed for easy, no-drill installation.

D

A | Cargo Cover

Customized for a precise fit to your vehicle, this handy retractable cargo cover attaches to your rear seats, providing added security for items stored in your cargo area. The cargo area cover is resistant to ultraviolet rays, offering valuable protection against sun damage and fading. It's easy to install or remove, and is washable.

B | Cargo Tote

The collapsible soft-sided cargo tote is designed to hold a variety of smaller everyday items, helping to ensure they don't shift around or tip over in your cargo area. For added convenience, the tote includes removable plastic divider panels that hold items upright. It also features two carrying handles for easy loading and unloading, folds flat when not in use, and pops up easily when needed.

C | Carpet Cargo Mat

Help protect your cargo area from premature wear with this highly resilient cargo mat that's resistant to fading, oils and chemicals for unsurpassed durability. It's color-coordinated to match your vehicle's interior and features the Sequoia logo. Sturdy rubber-backed construction helps prevent the mat from sliding.

D | Cargo Net

Keep your cargo area organized with this hammock-style cargo net. Made of a durable mesh netting, the cargo net attaches to defined points in the rear cargo area, making it easily accessible. It installs in seconds and folds flat for storage.

A | Carpet Floor Mats⁴

Custom-tailored for a precise fit to your Sequoia's floor pattern, the carpet floor mats are constructed of high-grade plush nylon carpet, are color-coordinated to your vehicle's interior and include an embroidered Sequoia logo to help ensure you've got the right mat for your vehicle. Positive retention clips and an aggressive non-slip backing help keep the mats in position, protecting your original factory carpet from premature wear and stains. They're also removable and easy to clean.

B | All Weather Cargo Mat

Molded for an exact fit for maximum coverage and unrivaled protection of your Sequoia's carpeting, the all weather cargo mat features a multi-dimensional surface and perimeter "lip" to contain dirt, debris and liquids—helping to keep your valuable cargo clean, dry and stain-free. A non-slip "nibbed" backing keeps the mat in place, while a custom-molded Sequoia logo provides an added touch of personalization.

C | Door Sill Protectors

These black-molded door sill protectors are constructed to help protect the door sill area from the countless scuffs and scrapes your vehicle might encounter on a daily basis. Featuring a practical, skid resistant surface and the Sequoia logo, these durable door sills help provide a long-lasting, new vehicle appearance.

A | First Aid Kit

This soft-sided first aid kit ensures that help and supplies are always close at hand. Designed to be stored securely within your Sequoia cargo area or glove box, the kit contains tweezers/magnifier, insect sting pads, towelettes, adhesive bandages, butterfly strips, sterile gauze, stretch bandage with metal clips, muslin sling, adhesive tape, scissors and an emergency blanket.

B | Ashtray Kit

Featuring an ultraviolet (UV) protected plastic cup and hinged lid that fits snugly inside the Sequoia's cup-holder, this self-contained unit offers an easily removable ashtray. Convenient for both driver and passenger use.

C | Emergency Assistance Kit

This durable nylon kit features tools and supplies for handling minor emergency situations and repairs, without having to wait for a tow truck or repair service. Contents include booster cables, tire pressure gauge, hose clamp/tape, pocket tool and work gloves—plus essential emergency supplies such as survival wrap blankets, poncho, flashing LED lights, flashlight/lantern and water bag.

A | VIP Security

- **VIP RS3200 Plus System.** The VIP RS3200 Plus (Vehicle Intrusion Protection) is a complete vehicle security system with alarm and glass breakage sensor for vehicles that already have keyless entry with remote lock/unlock. When equipped with the VIP RS3200 Plus, the vehicle's security system is activated immediately if the glass is broken or if forced entry of a side door (or the trunk) is attempted. Includes a wide range of security and convenience features including: automatic rearming and relocking, door ajar warning, interior light activation, panic alarm, rolling code technology and disabling of the starter.
- **Glass Breakage Sensor.** The Glass Breakage Sensor is included in the VIP RS3200 Plus System or can be added on to an existing factory installed theft deterrent system.

**B | BLU LOGIC® Hands-Free System**

Enjoy the ultimate convenience of hands-free cell phone use—and comply with regulations restricting use of cell phones while driving—courtesy of the BLU LOGIC® Hands-Free System. BLU LOGIC integrates with your factory audio system speakers, allowing you to answer incoming calls with the push of a button, while outgoing calls are as simple as speaking into the fixed microphone provided.

**C | Remote Engine Start**

Enjoy the luxury of having your vehicle ready and waiting with a comfortable interior temperature on cold winter mornings or hot summer afternoons, courtesy of the Remote Engine Start. This clever accessory allows you to start the engine—and to activate the preset air conditioner, heater, defroster and defogger functions—before entering your vehicle. It's fully integrated into your factory security/keyless entry system, so there's no need for an additional remote.

A | Wireless Headphones⁵

Stylish, lightweight and fully adjustable, wireless headphones complement your rear seat entertainment system with rich, dynamic sound quality. Cushioned padding helps ensure comfort, while individual volume control allows passengers a personalized audio experience. There's also an "Auto-off" mode to help extend battery life.

B | Interface Kit for iPod®⁶

Enjoy the convenience of operating your iPod® through your Sequoia's audio system, using either the steering pad or audio system controls, courtesy of the interface kit for iPod. Using a proprietary 30-pin Apple iPod connector—via a connection point in the glove compartment—you can connect, control and charge your iPod while it remains concealed in the glove compartment.

B

A | TRD Performance Brake Pads

Boost braking performance and reduce fade during repeated stops or extended downhill driving with TRD's high performance, high-friction brake pads. Made from an aramid and ceramic-strengthened compound, TRD brake pads deliver an optimum combination of cold and hot friction, with minimal brake noise and enhanced stopping power. They offer an excellent price-to-performance ratio in a high-performance street pad.

B | TRD High Performance Brake Kit

Delivering confidence-inspiring performance, the TRD high performance brake kit features a six-piston opposed, fixed caliper designed specifically for your vehicle. This optimized design also helps you achieve maximum stopping power, while the one-piece rotor design ensures durability under the harshest conditions, with no special maintenance required. The kit also includes performance brake pads and stainless steel braided brake lines. Front axle only. Requires 18"+ size wheels.

C | TRD Wheel Installation Kit

TRD installation kit for use with 14mm conical seat applications. This kit includes 16 spline drive lug nuts, 4 TRD wheel locks and installation tools. Wheel locks feature laser engraved TRD logo.

D | TRD 17" Forged Off-Road Alloy Wheels

Lighter than their cast counterparts, hot forged wheels have a higher strength-to-weight ratio, helping keep corner weight down while maintaining unsprung weight specifications—making these race-inspired TRD 17-inch forged off-road alloy wheels the ideal upgrade to factory wheels. The wheels feature a 6-spoke design, gunmetal grey painted finish and beadlock styling.

TRD

A | TRD Radiator Cap

The TRD high-pressure radiator cap is designed to release at higher cooling system pressures under high rpm or high load operation. This helps vehicle performance and provides valuable protection for your engine.

B | TRD Oil Cap

Finished with a high-luster coating, these highly polished forged billet aluminum TRD oil caps provide a customized race-ready look. Simple twist on application. Available in forged and billet styles.

C | TRD Air Filter

Designed to last the lifetime of your Sequoia, the TRD high-performance air filter features a unique, oiled four-ply cotton gauze design that maximizes the filter's media area for superb filtration and enhanced airflow. It's also washable and reusable.

D | TRD Oil Filter

For state-of-the-art engine protection, the TRD high-performance oil filter uses a 100-percent synthetic fiber filtration medium to provide the highest possible dirt removal efficiency, along with the lowest possible flow restriction.

E | TRD Supercharger⁷

Designed specifically for your 5.7L V8 engine, the supercharger kit features an air-to-liquid intercooled supercharger system that substantially increases torque and horsepower from idle to redline, giving you immediate throttle response. Emission legal in all 50 states.

F | TRD Performance Air Intake⁷

The system features a unique Intake Flow Accelerator (IFA), injection molded, larger volume upper air box and reusable TRD highflow conical air filter. Emissions legal in all 50 states.

Genuine Toyota Accessories give you the confidence to customize your Sequoia, because only Genuine Toyota Accessories are designed, tested and approved specifically for your vehicle. And when purchased at the same time as your new vehicle, Genuine Toyota Accessories are backed by Toyota's 3-year/36,000-mile New Vehicle Limited Warranty, valid at any Toyota dealership nationwide.

To learn more about the benefits of Genuine Toyota Accessories, please visit toyota.com or contact your Toyota dealer.

Also Available:

- All Weather Floor Mats
- TRD Air Filter Cleaning Kit
- TRD Shift Knob

1. Mounting hardware and simple no-drill installation instructions included. 2. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment. 3. Paint protection film for the leading hood edges/fenders and front bumper sold as two separate packages. 4. To avoid interference with pedal operation: Each mat must be secured with retention hooks (clips). Do not install a floor mat on top of an existing floor mat. This floor mat was designed specifically for use in this model and model year vehicle and SHOULD NOT be used in any other vehicle. 5. Headphones are for passenger use only. Do not use while operating vehicle. 6. iPod and accessories not included. iPod is a registered trademark of Apple Inc. Please see dealer to confirm iPod applicability. 7. The TRD Supercharger and/or TRD Cold Air Intake are to be sold as a dealer installed or over-the-counter option, after the retail sale of the vehicle the Supercharger and/or Cold Air Intake may not be sold to the customer at the same time as the new vehicle and may not be financed together with the new vehicle. Please see the TRD catalog, visit www.trdusa.com or call 800-688-5912 for a complete list of TRD products and warranty information.
