

TACOMA

2012 ACCESSORIES

◀ **FRONT SKID PLATE**

The front skid plate is made from 1/8" stamped and formed, silver powder coated aluminum and features a vehicle-specific design that helps to protect your Tacoma's underbody. Black coated steel brackets attach to existing vehicle body mounts facilitating easy, no-drill installation.

**BUILT TO GO THROUGH SAND,
SNOW AND EVERYTHING IN BETWEEN.**

1 HOOD PROTECTOR¹ <

Featuring highly impact-resistant polycarbonate material offering superior strength, durability and flexural characteristics, the hood protector helps protect your hood and factory paint finish from damage that can occur during daily use. Mounting hardware included.

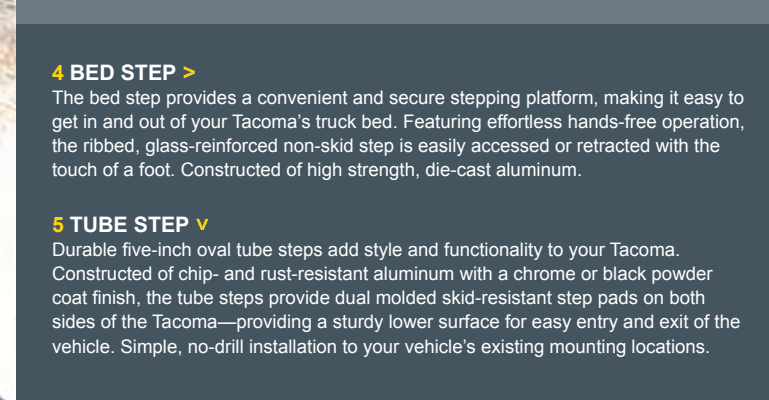

2 ROOF RACK¹ <

Add convenience and utility to your Tacoma with this sleek, low-profile roof rack that installs with ease to your factory roof rail channels. Featuring virtually effortless adjustment with no tools necessary, the Tacoma roof rack maintains Toyota high quality standards for quality, performance and strength. Available on Double Cab only. Mounting hardware included.

3 PAINT PROTECTION FILM² >

Your front bumper is in the sweet spot for hurling stones, grit and sand. Help protect it with Genuine Toyota paint protection film.

4 BED STEP >

The bed step provides a convenient and secure stepping platform, making it easy to get in and out of your Tacoma's truck bed. Featuring effortless hands-free operation, the ribbed, glass-reinforced non-skid step is easily accessed or retracted with the touch of a foot. Constructed of high strength, die-cast aluminum.

5 TUBE STEP v

Durable five-inch oval tube steps add style and functionality to your Tacoma. Constructed of chip- and rust-resistant aluminum with a chrome or black powder coat finish, the tube steps provide dual molded skid-resistant step pads on both sides of the Tacoma—providing a sturdy lower surface for easy entry and exit of the vehicle. Simple, no-drill installation to your vehicle's existing mounting locations.

4 BED STEP v

5 CHROME TUBE STEP v

5 BLACK TUBE STEP v

EXTERIOR

1 CARGO DIVIDER ▲

1 CARGO DIVIDER ▲

Customize your truck bed for a wide range of needs with this multi-position cargo divider designed for your Tacoma's deck rail system. Use as a standard cargo divider to separate loads and prevent sliding, or rotate to various positions such as laying flat over your cargo. Made of corrosion-resistant, black powder-coated, lightweight aluminum the cargo divider features a 400-lb. load capacity.

2 TOOL STORAGE BOX ▼

Designed specifically for your Tacoma's deck rail system, the custom toolbox features a sturdy cam lock and lid support for superior security and protection for your tools and other valuables.

2 TOOL STORAGE BOX ▼

3 CARGO NET ▲

3 CARGO NET ▲

The cargo net is designed to hold a variety of everyday items—from groceries to athletic gear—and helps ensure they don't shift around, tip over or spill. Featuring a hammock-style design and durable elastic-mesh netting that attaches to defined points at the front of the truck bed, the cargo net makes it easy to keep your truck bed organized. The net installs or detaches in seconds.

4 BED MAT ▼

Custom-molded to fit your truck bed, this heavy weight bed mat helps provide superior abrasion resistance and tear strength that can take the punishment of daily use—even in harsh environments and extreme temperatures. A stylish pebble finish helps restrict shifting of cargo and, for added convenience, raised ribs that run the length of the truck bed facilitate easy loading and unloading of cargo.

4 BED MAT ▼

5 BED NET <

From tools to toys, athletic gear to groceries, the bed net helps keep your cargo in your bed. Featuring durable nylon webbing, the bed net attaches to defined points at the front of the truck bed. It installs or detaches in seconds.

EXTERIOR

1 TRUCK BED D-RINGS ^

1 TRUCK BED D-RINGS ^

Enhance the functionality and versatility of your truck bed by adding these factory spec D-rings for additional cargo carrying needs. Constructed from durable steel and painted black for an integrated appearance, the D-rings feature a loop-in-bolt design that's especially useful for ratchet type tie downs or heavy gauge rope. Sturdy construction and pivoting capability enable multiple positions and use.

2 LOCKING FORK BIKE RACK >

It's easy to take your bicycle along for the ride with this locking bike attachment. Custom-designed for a precise fit to your Tacoma's deck rail system, the bike attachment mounts anywhere along the front rail. Securing your bike is as simple as removing your bicycle's front wheel, positioning the forks into the skewer and locking—helping protect your bicycle from theft.

2 LOCKING FORK BIKE RACK ^

3 BALL MOUNT AND TRAILER BALL ^

3 BALL MOUNT AND TRAILER BALL³ ^

Designed for use with Toyota tow hitches to accommodate the drop or rise needed to match your tow-hitch receiver to your trailer, the ball mount undergoes thorough lab testing—in conjunction with the Genuine Toyota tow hitch—to ensure it meets all Toyota performance standards, along with on-road testing to ensure the ball mount matches the exact capacity of your vehicle.

4 7-PIN TO 4-PIN ADAPTER³ >

When your towing needs are on the smaller side, the durable ABS plastic 7-pin to 4-pin adapter allows you to convert your round 7-pin connector to a flat 4-pin adapter with ease. It's designed specifically for use with your Toyota wiring harness and ensures an easy connection to a standard four-way flat trailer connection, providing a higher level of towing flexibility.

5 TOWING RECEIVER HITCH³ >

Every Toyota tow hitch features a model-specific design that's precisely engineered to achieve your vehicle's safest maximum tow rating and is subject to an uncompromising design, testing and manufacturing process. Toyota tow hitches feature a dual layer painting process to help protect against corrosion, the elements and from ultraviolet (UV) rays to maintain its long-term appearance.

4 7-PIN TO 4-PIN ADAPTER ^

5 TOWING RECEIVER HITCH v

1 BAJA 16" ALLOY WHEEL >

Give your Tacoma a whole new look with these rugged, sporty, alloy wheels. Their 6-spoke styling perfectly complements your Tacoma's rugged appearance.

2 EXHAUST TIP ^

2 EXHAUST TIP ^

This polished stainless steel exhaust tip is the ideal finishing touch to enhancing your Tacoma's exterior appearance. The exhaust tip is constructed of corrosion-resistant, double-walled 304 stainless steel, polished to a brilliant shine for long-lasting beauty. Easy, bolt-on installation.

3 SPARE TIRE LOCK v

Constructed of forged, hardened steel with triple-nickel and zinc plating, the spare tire lock provides inexpensive, dependable protection to help safeguard your exterior mounted spare tire from theft. The lock permanently attaches to your spare tire's crank-down mechanism and features a special wheel lock key tool that conveniently attaches to the crank-down tool provided in your vehicle's tool kit.

3 SPARE TIRE LOCK v

4 WHEEL LOCKS v

Constructed of forged, thoroughly hardened and tempered steel for structural integrity, with triple-nickel and zinc plating, these wheel locks provide inexpensive, dependable protection against wheel and tire theft. All wheel locks are precision weight-balanced to the stock lug nut weight, eliminating the need for rebalancing after installation.

4 WHEEL LOCKS v

INTERIOR

1 FIRST AID KIT ^

1 FIRST AID KIT ^

This soft-sided first aid kit ensures that help and supplies are always close at hand. Designed to be stored securely within your Tacoma, the kit contains tweezers/magnifier, insect sting pads, towelettes, adhesive bandages, butterfly strips, sterile gauze, stretch bandage with metal clips, muslin sling, adhesive tape, scissors and an emergency blanket.

2 ASHTRAY KIT v

Featuring an ultraviolet (UV) protected plastic cup and hinged lid that fits snugly inside the Tacoma's cup-holder, this self-contained unit offers an easily removable ashtray. Convenient for both driver and passenger use.

2 ASHTRAY KIT v

3 EMERGENCY ASSISTANCE KIT ^

3 EMERGENCY ASSISTANCE KIT ^

This durable nylon kit features tools and supplies for handling minor emergency situations and repairs, without having to wait for a tow truck or repair service. Contents include booster cables, tire pressure gauge, hose clamp/tape, pocket tool and work gloves—plus essential emergency supplies such as survival wrap blankets, poncho, flashing LED lights, flashlight/lantern and water bag.

4 DOOR SILL PROTECTORS v

These tough door sill protectors help protect the doorsill area from the countless scuffs and scrapes your truck might encounter on a daily basis. Featuring a practical, skid resistant surface and the Tacoma logo, these durable door sills help provide a long-lasting, new vehicle appearance. Quick, simple installation.

1 CARPET FLOOR MATS⁴ >

Custom-tailored for an exact fit to your Tacoma's floor pattern, the carpet floor mats are constructed of high-grade plush nylon carpet, color-matched to your vehicle's interior and include an embroidered Tacoma logo. A retention clip helps keep the mats in position, protecting your original carpet from premature wear and stains. They're also removable and easy to clean.

1 CARPET FLOOR MATS >

2 ALL WEATHER FLOOR MATS⁴ >

Tough, durable all-weather floor mats help protect the vehicle's original factory carpet. These solid one-piece floor mats feature a distinctive ribbed channel design that helps contain moisture, grease, dirt, sand and other debris.

2 ALL WEATHER FLOOR MATS >

ELECTRONIC

1 INTERFACE KIT FOR IPOD® ^

1 INTERFACE KIT FOR IPOD® ^

Enjoy the convenience of operating your iPod® through your vehicle's audio system, using either the steering pad or audio system controls, courtesy of the interface kit for iPod. Using a proprietary 30-pin Apple iPod connector—via a connection point in the glove compartment—you can connect, control and charge your iPod while it remains concealed in the glove compartment.

2 SATELLITE RADIO v

Celebrate freedom from static and ensure you always have the perfect soundtrack for the streets at your fingertips with SiriusXM Satellite Radio. With over 170 channels, SiriusXM brings you more of what you love. Get commercial-free music plus all of your favorite sports, news, talk and entertainment along with dedicated channels for instant traffic and weather reports. Everything worth listening to is now on SiriusXM.

2 SATELLITE RADIO v

BLU
LOGIC

3 BLU LOGIC® HANDS-FREE SYSTEM ^

3 BLU LOGIC® HANDS-FREE SYSTEM ^

Enjoy the ultimate convenience of hands-free cell phone use—and comply with regulations restricting use of cell phones while driving—courtesy of the BLU LOGIC® Hands-Free System. BLU LOGIC integrates with your factory audio system speakers, allowing you to answer incoming calls with the push of a button, while outgoing calls are as simple as speaking into the fixed microphone provided.

4 VIP SECURITY - RS3200 PLUS SYSTEM >

The VIP RS3200 (Vehicle Intrusion Protection) is a complete vehicle security system with alarm, glass breakage sensor and keyless entry including remote lock/unlock. Your Tacoma security system activates immediately if the glass is broken or forced entry of a side door is attempted. The system also includes a wide range of convenience features including: remote rearming/relocking, door ajar warning, interior light activation, panic alarm, rolling code technology and disabling of the starter.

TRD

TRD

1 TRD 16" OFF-ROAD BEADLOCK ALLOY WHEELS >

Constructed of aluminum alloy, through a low pressure casting process to improve strength and performance, these TRD 16-inch off-road beadlock wheels offer Tacoma owners a distinctive and rugged upgrade to their stock wheels. They provide a higher strength-to-weight ratio for optimal performance and feature a bronze painted finish and machined outer lip with beadlock styling. TRD-embossed snap-in center cap included.

2 TRD 16" OFF-ROAD ALLOY WHEELS ^

2 TRD 16" OFF-ROAD ALLOY WHEELS ^

Incorporating rugged off-road styling—and just the right amount of street flare—these race-inspired, 5-spoke TRD 16-inch off-road alloy wheels give you extra muscle for serious off-highway driving adventures. The wheels feature painted satin silver spokes and center, with a spun aluminum center cap and bright machined lip.

3 TRD PERFORMANCE BRAKE PADS v

Boost braking performance and reduce fade during repeated stops or extended downhill driving with TRD's high-performance, high-friction brake pads. Made from an aramid-and ceramic-strengthened compound, TRD brake pads deliver an optimum combination of cold and hot friction, with minimal brake noise and enhanced stopping power. They offer an excellent price-to-performance ratio in a high-performance street pad.

3 TRD PERFORMANCE BRAKE PADS v

4 TRD HIGH PERFORMANCE BRAKE KIT v

Delivering confidence-inspiring performance, the TRD high-performance brake kit features a four-piston opposed, fixed caliper designed specifically for your vehicle. This optimized design also helps you achieve maximum stopping power, while the one-piece rotor design ensures durability under the harshest conditions, with no special maintenance required. The kit also includes performance brake pads and stainless steel braided brake lines. Requires 18"+ size wheels. (XRunner models only).

TRD

1 TRD QUICKSHIFTER & 6-SPEED SHIFT KNOB ▲

1 TRD QUICKSHIFTER & 6-SPEED SHIFT KNOB ▲

The race-tested TRD quickshifter delivers faster, more positive shifting, courtesy of optimized linkage and repositioned pivot points that provide up to a 30-percent shorter shift throw—plus a sportier, more responsive feel. The quickshifter features a unique TRD shift knob engraved with the shift pattern to accelerate your vehicle's unique personality, along with simple remove and replace installation. Manual transmission only.

2 TRD PERFORMANCE EXHAUST⁷ >

The TRD performance exhaust delivers the increased power you want, adding a distinctive edge to your driving experience. Made from stainless steel for superior corrosion resistance and featuring a TRD-logo-etched tip, the unique cat-back design features a side exit to maximize departure angle, allowing for a less restrictive exhaust path—providing an impressive combination of increased horsepower and a deep, throaty growl that meets the legal 95-decibel noise limit.

3 TRD WHEEL INSTALLATION KIT >

The TRD wheel installation kit includes 20 - 12mm conical spline-drive lug nuts along with 4 puzzle-style wheel locks and matching key providing inexpensive, effective protection against wheel and tire theft. The lug nuts and locks are constructed of machine hardened steel with triple-nickel chrome plating for a bright, durable finish and are precision weight-balanced to the stock lug nut weight—eliminating the need for rebalancing after installation. Each lock features a laser-etched TRD logo.

2 TRD PERFORMANCE EXHAUST ▼

3 WHEEL INSTALLATION KIT ▼

4 TRD COLD AIR INTAKE^{7,8} ▼

The dyno-tested TRD cold air intake system creates more horsepower and torque by bringing cooler, denser air to the engine. The cold air intake features a low-restriction air filter in a special molded filter housing. It also incorporates a vacuum indicator that automatically indicates when the filter should be serviced. Emissions legal in all 50 states.

1 TRD AIR FILTER ▲

1 TRD AIR FILTER ▲

Providing engine protection and potentially increasing engine output, the TRD high-performance air filter features a unique, oiled four-ply cotton gauze design that maximizes the filter's media area for superb filtration and enhanced airflow. A rugged polyurethane body holds the filter element, which is enclosed in durable epoxy coated mesh and an elastomeric seal for a precision, leak-free fit. It's also washable, reusable and designed to last the lifetime of your Tacoma.

2 TRD OIL FILTER ▼

Spoil your Tacoma with state-of-the-art engine protection, courtesy of the TRD high-performance oil filter. TRD oil filters use a 100-percent synthetic fiber filtration medium to provide the highest possible dirt removal efficiency, along with the lowest possible flow restriction.

3 TRD OIL CAP ▼

They may go on like the stock oil cap, but these highly polished forged billet aluminum TRD oil caps provide a customized race-ready look that's anything but stock. Finished with a high-luster coating, you can be confident they will maintain their appearance for years to come. Simple, twist-on application. Available in forged and billet styles.

2 TRD OIL FILTER ▼

3 TRD OIL CAP ▼

4 TRD 4.0 V6 SUPERCHARGER KIT^{7,8} ▼

Increase your passing power and towing capacity with the TRD intercooled supercharger system kit for your Tacoma's 4.0L V6 engine. Featuring an air-to-liquid intercooler that increases torque and horsepower from idle to redline, the system produces 304 hp @ 5,400 rpm and 334 lb.-ft. torque @ 3,600 rpm (from 236 hp @ 5,200 rpm and 266 lb.-ft. @ 4,000 rpm). You can also count on immediate throttle response, along with substantial increases to towing capacity and acceleration. The system uses a strong, compact one-piece plenum/manifold that integrates Eaton roots-type rotating components, Gen 5 rotor pack and the heat exchanger core for the intercooler. All hardware needed for a "factory installed" appearance is included in the kit. And, because the supercharger features self-contained lubrication, there's no maintenance required on the supercharger or system components.

Genuine Toyota Accessories give you the confidence to customize your Tacoma because only Genuine Toyota Accessories are designed, tested and approved specifically for your vehicle. And when purchased at the same time as your new vehicle, Genuine Toyota Accessories are backed by Toyota's 3-year/36,000-mile New Vehicle Limited Warranty, valid at any Toyota dealership nationwide.

To learn more about the benefits of Genuine Toyota Accessories, please visit toyota.com or contact your Toyota dealer.

- TRD Body Graphics
- TRD Radiator Cap

1. Mounting hardware and simple no-drill installation instructions included. 2. Paint protection film for the leading hood edges/fenders and front bumper sold as two separate packages. 3. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment. 4. To avoid interference with pedal operation: Each mat must be secured with retention hooks (clips). Do not install a floor mat on top of an existing floor mat. This floor mat was designed specifically for use in this model and model year vehicle and SHOULD NOT be used in any other vehicle. 5. iPod and accessories not included. iPod is a registered trademark of Apple Inc. Please see dealer to confirm iPod applicability. 6. XM services require a subscription after trial period, and are sold separately or as a package. Subscriptions governed by SiriusXM Customer Agreement; see www.siriusxm.com. If you decide to continue your XM service at the end of your complimentary trial, the plan you choose will automatically renew and bill at then-current rates until you call 1-866-635-2349. Fees and programming subject to change. Available only to those at least 18 years of age in the 48 contiguous United States and D.C. 7. The TRD Supercharger and/or TRD Cold Air Intake are to be sold as a dealer installed or over-the-counter option, after the retail sale of the vehicle the Supercharger and/or Cold Air Intake may not be sold to the customer at the same time as the new vehicle and may not be financed together with the new vehicle. 8. Due to extensive product certification requirements, this product's estimated availability date is Winter 2012. Please see the TRD catalog, visit www.trdusa.com or call 800-688-5912 for a complete list of TRD products and warranty information.
