Roof Rack¹

Add convenience and utility to your Venza with this sleek, low-profile roof rack that installs with ease. This roof rack is uniquely designed and styled for your Venza. It integrates with its roof channels and carries loads up to 100 lbs. The Venza roof rack maintains Toyota high standards for quality, performance and strength.

A | Alloy Wheel Locks

Constructed of forged, hardened steel with triple-nickel and zinc plating, these inexpensive and easy-to-install wheel locks help provide dependable protection against theft. In addition to saving the potential time and expense of replacing wheels and tires, these locks also help avoid the additional damage that can occur during theft.

B | Lower Door Moldings

Lower door moldings add a touch of elegance to your vehicle's appearance. All lower door moldings feature a high quality factory finish and are engineered specifically for your Venza, ensuring a precise fit.

C | Paint Protection Film²

Like a clear suit of armor, this paint protection film helps guard your Venza's paint from sand, small stones, insects and other debris. Made from nearly invisible urethane material, the film resists discoloration and is available for the leading edge of the hood, fenders and front bumper. Must be applied at the factory or your dealership by a trained technician.

A | Mudguards

Help protect your paint from damaging stones, tar – and, yes, mud – with a set of front and rear mudguards. Designed to integrate with your Venza's styling, these durable mudguards feature corrosion-resistant hardware and are constructed from material that stands up to the rigors of everyday driving.

B | Door Edge Guards

Custom crafted for a pressure fit, door edge guards are color-matched to your vehicle and help protect door edges from dings and chips.

C | Rear Bumper Protector

Keep the top surface of your rear bumper free of scrapes and scratches and preserve your Venza's like-new appearance with this durable black PVC rear bumper protector. The rear bumper protector's raised tread pattern provides a custom look, while the skid-resistant surface provides protection.

A | Trailer Wiring Harness³

Featuring a 4-pin connector on the trailer hitch to power your trailer's taillights, turn signals and brake lights, this trailer wiring harness is designed to work with the existing electrical system. Complete with converter assembly, fusing, cables and connectors, it offers reliable performance and simple installation.

B | Ball Mount³

Made to use with a Genuine Toyota towing receiver hitch and to help you match it to your trailer, this ball mount meets your Venza's exact towing capacity. The Genuine Toyota ball mount undergoes rigorous lab and on-road testing in conjunction with the tow hitch to ensure it meets Genuine Toyota performance standards.

C | Trailer Ball³

Specifically designed for use with your Genuine Toyota ball mount, the trailer ball is engineered to complete the connection between your towing receiver hitch and your trailer. Crafted of cold-forged steel for superior strength, the trailer ball meets or exceeds all industry towing standards and includes built-in wrench flats for easy installation and torquing.

D | Towing Hitch Kit³

Every Toyota tow hitch features a model-specific design that's precisely engineered to achieve your vehicle's safest maximum tow rating and is subject to an uncompromising design, testing and manufacturing process. Toyota tow hitches feature a dual-layer painting process to help protect against road corrosion, debris and ultraviolet (UV) rays, to maintain its long-term appearance.

A | Cargo Tote

The collapsible soft-sided cargo tote is designed to hold a variety of smaller everyday items, helping to ensure they don't shift around or tip over in your cargo area. For added convenience, the tote includes removable divider panels that hold items upright. It also features two carrying handles for easy loading and unloading, folds flat when not in use, and pops up easily when needed.

B | Cargo Net - Spider

Help keep smaller, lightweight objects restrained while driving with the spider cargo net. Specifically made for your Venza, the cargo net features durable black nylon webbing, an elastic bungee cord border and hooks that attach the net to the factory D-ring anchors located on the rear cargo floor. It installs in seconds and lays flat for storage when not in use.

C | Cargo Net - Envelope

The stretchy mesh netting of this cargo net helps keep all sorts of everyday items from rolling around or tipping over during transit. The envelope-style net can be quickly attached to or detached from the defined points in the rear cargo area. It stores flat when not in use.

D | Carpet Cargo Mat

Keep the cargo area of your Venza looking new with the protection of this carpet cargo mat. Resistant to fading, oils and chemicals for unsurpassed durability. It's color-coordinated to match your vehicle's interior and features the Venza logo.

A | Emergency Assistance Kit

Don't let minor problems stop you in your tracks. This ultra-functional emergency assistance kit contains tools and supplies to help you handle minor situations that may occur on the road. The kit includes booster cables, a hose clamp and tape, work gloves, survival blankets, a flashlight/lantern, a water bag and more. The kit also features a retention strap to help keep it secure and is specially packaged to eliminate rattling while driving.

B | First Aid Kit

This handy first aid kit can help you tend to many minor injuries. The kit includes insect-sting pads, adhesive bandages, butterfly strips, stretch bandage with fasteners, scissors, an emergency blanket and more. Designed with Velcro® mounting strips, the soft, zippered case can be placed inside the cabin or cargo area and will remain firmly and quietly in place during normal driving.

C | All-Weather Cargo Mat

Molded for an exact fit for maximum coverage and unrivaled protection of your Venza's cargo area, the all-weather cargo mat features a multi-dimensional surface and perimeter "lip" to contain dirt, debris and liquids—helping to keep your valuable cargo clean, dry and stain-free. The mats also include a custom-molded Venza logo for an added touch of character.

D | Carpet Floor Mats⁴

Designed for an exact fit, the carpet floor mats are constructed of durable nylon carpet and include an embroidered Venza logo patch. They protect your Venza's original carpet from premature wear and tear. Retention clips (on the driver's side) and ribbed backing on all mats help keep them in position. The floor mats are also removable and easy to clean.

A | Wireless Headphones⁵

Stylish, lightweight and fully adjustable, wireless headphones complement your Venza's rear seat entertainment system with rich, dynamic sound quality. Cushioned padding helps ensure comfort, while individual volume control allows passengers a personalized audio experience.

**B | VIP Security⁶**

The Glass Breakage Sensor (GBS) uses a highly sensitive microphone that can detect the specific frequencies of glass being struck or broken. If the GBS detects an object striking the glass, a warn-away alarm will sound. In the event glass breakage is detected, the security system will be activated immediately and disable the starter. The GBS is capable of ignoring noises other than those associated with glass, and the sensitivity is adjustable, helping reduce false alarms.

**C | Remote Engine Starter**

Enjoy the luxury of having your vehicle ready and waiting with a comfortable interior temperature on cold winter mornings or hot summer afternoons, courtesy of the Remote Engine Starter. This clever accessory allows you to start the engine—and to activate the preset air conditioner, heater, defroster and defogger functions—before entering your vehicle. It's fully integrated into your factory security/keyless entry system, so there's no need for an additional remote control key fob.

D | Rear Seat Entertainment⁵

This dual headrest Rear Seat Entertainment System lets your rear passengers watch movies, play video games and even listen to music. Featuring two seven-inch LCD Touch Screen Display monitors with integrated DVD players, the system is compatible with the Active Headrest Safety System. A fit kit is used to mount the docking stations on the top of the driver's and passenger's front seats just below the headrest. Each monitor can operate independently to allow for separate video or video game use and includes a pair of infrared wireless headphones with two user selectable channels (A and B) that offer superior stereo sound quality. Both monitors also feature RCA A/V jacks for connecting external inputs such as video game systems or digital cameras.

Genuine Toyota Accessories give you the confidence to customize your Venza, because only Genuine Toyota Accessories are designed, tested and approved specifically for your vehicle. And when purchased at the same time as your new vehicle, Genuine Toyota Accessories are backed by Toyota's 3-year/36,000-mile New Vehicle Limited Warranty, valid at any Toyota dealership nationwide.
