# 2017

# ELANTRA GT

## ROOF RACKS.

This durable, quick-locking roof rack system lets you transport cargo easily, without sacrificing interior room. Remove when not in use.

## BLOCK HEATER.

Engineered for your Hyundai, a block heater will help ensure fast starts and reduce engine wear in extreme weather.

## CARGO TRAY.

Add years to the interior of your Hyundai by protecting it from spills and messy loads with a durable, custom-fit cargo tray.

## REAR BUMPER PROTECTOR.

Help protect the finish on your bumper from chips and scratches, when loading and unloading the cargo area, with this durable, custom-fit rear bumper protector.

## SIDE VISORS.

Complement your vehicle with a sleek and durable set of side visors that will help reduce glare while providing you with fresh air. Custom made for your vehicle using high quality reinforced tinted acrylic plastic, these visors will look good on your vehicle for years to come.

## PREMIUM ALL WEATHER FLOOR LINERS.

Premium all weather floor liners were designed to cover the interior carpet providing maximum protection against the elements that other mats cannot offer. Their unique and durable design features a non-slip surface for added comfort and a long lasting premium look. Remove carpet mats prior to installation.

## ACCESSORY FRAME.

An accessory frame makes it quick and easy to attach hitch-mounted cargo equipment, such as bikes and ski racks. Includes end cap (Frame not intended for towing).

## CARGO NET.

A custom-fit cargo net ensures everything you're transporting remains organized and in place by preventing items from sliding around.
