## Paint Protection Film

\$528.40

Genuine Toyota paint protection film, made from the highest grade 3M film and designed for the hood and front fenders, helps guard your vehicle from weathering, UV radiation and road debris that can chip and scratch the finish. Constructed from durable, nearly invisible thermoplastic urethane, the clear-coated film helps your vehicle maintain a like-new appearance, while allowing you to clean and maintain your vehicle the same as before.

Backed by a 7 year limited warranty. At participating dealers only.

## TRD Sway Bars

\$933.80

Engineered by TRD to enhance the vehicle's handling characteristics, the sway bars provide a flatter, more stable cornering stance, reducing front wheel slip and limiting body roll without adding harshness to the ride. Constructed of high-quality alloy steel, the sway bars feature a gloss red powder coat finish that resists corrosion and protects against road damage, while providing a striking visual enhancement to the underbody of the vehicle.

## TRD Lowering Springs

\$1,082.40

TRD lowering springs lower the 86's centre of gravity by approximately 1" (1 1/8-in.) front and rear, enhancing the vehicle's on-road performance through quicker turn-in, enhanced steering response and improved cornering ability. Featuring TRD-developed proprietary spring rates (linear in front, progressive in rear) and designed to work with stock struts and shock absorbers. Installation includes wheel alignment.

## TRD Performance Brake Pads - Rear

\$182.40

TRD's high-performance, high-friction brake pads are made from an aramid-and ceramic-strengthened compound, delivering an optimum combination of cold and hot friction, along with a high maximum operating temperature and low noise levels. Delivering increased braking performance while decreasing brake fade during repeated stops or extended downhill driving, TRD brake pads are engineered to minimize brake noise and enhance stopping power.

## TRD 18" Alloy Wheel (Staggered Fitment)

\$1,493.80

These TRD 18-in. x 7-in. front and 18-in. x 7.5-in. rear staggered fit, cast alloy wheels were designed specifically for the Toyota 86, featuring a snap-in TRD logo center cap along with a black matte finish. Allowing the owner the option of a plus-size wheel upgrade, these wheels incorporate the proper weight, offset and brake clearance to ensure proper fit, finish and reliability.

Specs:

- Both with 35-mm. offset, a 5-on-100-mm. bolt circle [P.C.D.] and a 56-mm. center bore

- Tire Pressure Monitoring System (TPMS) ready

Recommended tire size:

215/40R18 (front) and 225/40R18 (rear)  
(Tires not included)

## TRD Performance Brake Pads - Front

\$213.60

TRD's high-performance, high-friction brake pads are made from an aramid-and ceramic-strengthened compound, delivering an optimum combination of cold and hot friction, along with a high maximum operating temperature and low noise levels. Delivering increased braking performance while decreasing brake fade during repeated stops or extended downhill driving, TRD brake pads are engineered to minimize brake noise and enhance stopping power.

## Side Window Deflectors

\$188.00

The Toyota Genuine Side Window Deflectors are aerodynamically shaped to minimize wind noise and buffering when driving with open windows. The deflectors are designed to integrate flawlessly with your vehicle, while maintaining its sleek look. Breathe in the fresh air without having to worry about wind, rain or the cold Canadian snow.

## Hood Deflector

\$186.60

Made from thick high-grade tinted acrylic, the deflector offers high impact resistance and reduces the potential for road debris and insect damage. The stylish wraparound design complements the vehicle's appearance while providing extra protection.
