Body Side Moulding

\$278.00

Color-matched body side mouldings help protect door panels from scratches, dents and chipping. Designed specifically to help preserve and enhance the vehicle's appearance. Unlike many aftermarket mouldings, genuine Toyota body side mouldings have undergone rigorous testing to ensure their resistance to temperature, weather, impact, stone chips, high pressure washing, wind noise and peeling. Body side mouldings also help maintain your vehicle's resale value.

Paint Protection Film

\$528.40

Guard your vehicle from weathering, UV radiation and road debris that can chip and scratch the finish with Genuine Toyota Paint Protection Film. This durable and nearly invisible thermoplastic urethane is designed to protect the hood and front fenders to maintain a like-new appearance to your Toyota. Backed by a 7 year limited warranty. At participating dealers only.

Roof Rack

\$363.00

Carry more on your roof. Ideal for carrying skis and bikes, this custom-fit rack has a quality, integrated look and offers cargo-carrying capability without sacrificing interior space. Equipped with front and rear sliding crossboards with adjustable tie-down eyes, the racks are compatible with most lockable Bike/Ski Rack Attachment. A wide range of shapes and sizes can be securely fastened with minimal chance of shifting.

Illuminated Door Sill Protectors

\$406.00

Make an entrance. When the front door opens, the LED Corolla logo illuminates a warm amber. This stylish accent will help prevent door sill scuffs and scrapes. These glowing protectors are finished with polished accents and facilitate entry into your Corolla in after the sun goes down.

Steel Wheel Cover 16"

\$108.60

This wheel cover is a great fit for your Corolla during winter driving. Priced competitively, these wheel covers offer a factory fit and finish, while giving the Corolla a stylish look and appeal.

Hood Deflector

\$208.60

Your hood can take a beating and still look great. Made from thick high-grade tinted acrylic, the deflector offers high impact resistance and reduces the potential for road debris and insect damage. The stylish wraparound design complements the vehicle's appearance while providing extra side protection.

Block Heater

\$183.60

Custom-designed system with 400 watts of heating power not only warms a vehicle up quicker but also reduces engine strain and wear. As well, heater saves fuel and battery power during startups. The strain relief electrical cord (available on selected models) helps reduce cord damage.

Rear Bumper Protector

\$116.80

Help keep the top surface of your rear bumper free of scrapes and scratches, while preserving the like-new appearance of your Corolla. The Raised tread pattern enhances the stylish looks of your Corolla while a skid-resistant surface provides assistance when loading and unloading cargo.

START+ Long Range Remote Engine Starter (without Smart Key system)

\$843.15

Toyota START+ long range remote engine starter enables you to start your Toyota from 800 meters or 2,600 feet away (unobstructed). Toyota START+ activates your pre-set heating and air conditioning system, as well as your front and rear defoggers.

Non-Genuine remote engine starters and any damages or failures resulting from installation and use, are not covered by any Toyota warranty. Only the Genuine Toyota START+, is covered by Toyota warranty. All Non-Genuine remote engine starter installation is hostile and requires cutting, splicing and soldering of wires and/or require an additional immobilizer bypass device.

All features may not be applicable to all vehicle models.

Cargo Liner

\$150.60

Protection for a long-lasting cargo area. This durable, long-lasting custom designed vinyl liner features a raised lip to contain spills for simple cleanup. Textured finish minimizes load shifting and the cargo area carpeting gets extra protection for wear and tear. The easy-to-install liner is equally simple to remove for cleaning. It's the ideal place for storing wet and dirty cargo. Consider it the ultimate way to protect the vehicle interior from scratches and spills.

Door Sill Protectors

\$192.80

The custom-fit door sill enhancements provide a practical and custom look to your Corolla. Featuring a brushed-aluminum overlay with chrome accents and a vehicle logo, these door sill enhancements are as protective as they are stylish.

Tub Style All Season Floor Mats

\$165.60

Toyota Tub Style All-Season Floor Mats are an advanced concept in superior protection for the vehicle's interior.

- These floor mats fully cover the floor and surrounding edges on all sides.
- Sculpted channels are designed to trap water, mud, moisture, and debris, and help keep carpet clean and dry
- The high-tech composite materials ensure these mats will not crack or harden in freezing weather
- Anti-skid ridges make the mats perfectly fit in your vehicle, and prevent them from shifting

Cargo Net

\$101.80

Handy way to keep things from sliding around. The Toyota Cargo Net has a rugged hammock-style netting with elastic closure. The flexible, nylon braided net secured by tie-down rings in the cargo area prevents items from flying around while on the road. The stretchable net secures and protects all of your cargo. Easy to install, it can easily be removed and stored in a compact way when not in use.

TRD Exhaust System

\$778.00

Upgrade your Corolla's performance as well as its appearance. The TRD performance exhaust system delivers increased horsepower, and produces a deeper, more resonant and throaty engine sound. TRD Exhaust System, constructed of high quality stainless steel, not only helps to reduce back pressure for improved horsepower and delivers measurable boost in performance, but also is emissions compliant and meets all noise limit standards.

TRD Lowering Springs

\$967.80

Let the TRD Lowering Springs absorb road shocks and bumps and improve your Corolla's handling and on-road performance. Installing a set of TRD Lowering Springs lowers your Corolla's centre of gravity, and enhances steering response and cornering ability. TRD Lowering Springs were tested and engineered according to Toyota high quality standards to assure that the best performance will be delivered.
