Your Mazda Dealer will provide you with a completed service checklist on every maintenance visit. In addition, your Mazda will be road tested after any servicing relating to brakes, steering or driving performance, to help verify safe functioning. Information listed in this document is accurate at time of publication and is subject to change without notice. Ask your Mazda Dealer for more detailed information. This inspection list/schedule is intended as a guide only and should not be relied upon to ensure vehicle safety. See your Mazda dealer for full details, maintenance and inspection.

* If vehicle equipped with FL22 coolant replace at 192,000 km or 10 years, after that every 96,000 km or 5 years. Use FL22 type coolant in vehicles with the inscription "FL22" on the radiator cap itself or the surrounding area. Use FL22 when replacing the coolant.

** Maintenance intervals may vary based on driving conditions. Please refer to owners manual.

*** Check the tire repair fluid expiration date and replace if necessary.
