ELIMINATE THE WORRY OF EXCESS WEAR AND TEAR EXPENSES

Honda Lease Guard eliminates the most common excess wear and tear charges when you turn in your leased vehicle.

Leasing offers a great option for short-term car ownership. However, the simple stains, chips, dents and dings that your vehicle endures as part of normal wear and tear are your financial responsibility at your lease's turn-in time. Don't risk losing a portion of your security deposit for these damages or having repairs made at your own expense. With Honda Lease Guard, these minor damages and repairs are covered, and you can drive with the peace of mind knowing that these potential wear and tear costs are waived at your lease turn-in.

Honda Lease Guard offers thorough coverage of many wear and tear items.

- Exterior surface dents and damage or chips to paint
- Interior upholstery surface rips, tears, stains and spotting
- Carpeting rips, tears, stains and spotting
- Front and rear door, hatch and tailgate rubber seals
- Bumper(s), bumper covers, step bumpers and surrounding bumper trim
- Windshield and side glass chips
- Mouldings and trim
- Audio systems, equipment and speakers
- Much, much more...

Protect your investment from exterior and interior excess wear and tear charges at lease turn-in.
