

Cargo Cover

\$105.00

This cargo cover for the tC is designed to incorporate a pattern that features the Scion logos. It easily clips into place to prevent prying eyes from seeing anything you leave in your trunk.

Cargo Mat

\$64.00

Designed to help protect the cargo area from premature wear, the cargo mat is custom fitted to the tC, helping to ensure maximum protection. Made of resilient, high-quality black nylon fibers that are resistant to fading, the cargo mat's non-slip rubber backing helps ensure it stays in place while the vehicle is in motion.

Cargo Net

\$60.00

Custom-crafted for the vehicle cargo area, the spider cargo net is designed to hold a variety of everyday items—from groceries to athletic gear—and ensure they don't shift around or tip over. The cargo net features a convenient zipper-style closure and durable netting that attaches to defined points in the rear cargo area, making it easily accessible. The cargo net can be installed or detached in seconds, and folds flat for storage when not in use.

Door Sill Plates

\$155.00

Designed to protect the painted area of the tC's door sills from scuffs, scrapes and scratches, the Door Sills feature a distinctive Scion logo and add customized styling that lend a personal touch to the vehicle. They're made from durable stainless steel with a plastic backing. Crafted for a precision fit and finish, these Door Sills install quickly and easily.

Security System

\$587.00

The Scion security system is a complete vehicle security system with alarm and glass breakage sensor. When equipped with this comprehensive option, the vehicle's security system is activated immediately if the glass is broken or if a side door (or the hatch) is forced open. Includes a wide range of features including: automatic re-arming and re-locking, door ajar warning, interior light activation, panic alarm, rolling code technology and disabling of the starter.

Block Heater

\$202.50

Makes a cold weather start a breeze. Custom-designed system with 400 watts of heating power not only warms a vehicle up quicker but also reduces engine strain and wear. Heater saves fuel and battery power during startups as well. The strain relief electrical cord (available on selected models) reduces cord damage.

Fog Lights

\$638.00

Designed to complement the sweet lines of your tC, the fog light kit features high-performance halogen bulbs that slice straight through dark nights and bad weather to help enhance visibility. The lights are corrosion- and shock-resistant, and feature a DOT approved beam pattern that add a sinister look to your ride.

Hood Deflector

\$190.00

Made from thick high-grade tinted acrylic, the deflector offers high impact resistance and reduces the potential for road debris and insect damage. The stylish wraparound design complements the vehicle's appearance while providing extra protection.

Paint Protection Film

\$520.00

Genuine Scion paint protection film, made from the highest grade 3M film and designed for the hood and front fenders, helps guard your vehicle from weathering, UV radiation and road debris that can chip and scratch the finish. Constructed from durable, nearly invisible thermoplastic urethane, the clear-coated film helps your Scion maintain a like-new appearance, while allowing you to clean and maintain your vehicle the same as before. Backed by a 7 year limited warranty. At participating dealers only.

Rear Spoiler - High Profile

\$664.00

Give the silhouette of your tC with a jolt of attitude with the color-keyed rear spoiler.
-Manufactured from high-quality, lightweight materials
-Paint color precisely matched to the tC color palette
-Paint quality and material quality meets factory specifications for appearance and performance

Rear Spoiler - Low Profile

\$664.00

Made of high quality lightweight materials—helping to ensure precisely sculpted detail and long-term durability—the colour-keyed top-mounted rear spoiler adds a sporty, integrated appearance that enhances the tC's distinctive looks and attitude. This spoiler features a custom two-tone finish and features a carbon-fiber Scion logo badge.

Bongiovi Acoustics DPS

\$355.00

BONGIOVI ACOUSTICS DPS is a fully digital state of the art audio system that processes the audio stream in real time and routes the enhanced audio to a 4 channel digital amplification system. The result is an unparalleled listening experience in your Scion vehicle. BONGIOVI DPS ACOUSTICS smooths out the differences in volume between any audio source (CD, AM, FM, Satellite Radio) and greatly improves the sound of all sources of audio including portable music devices.

TRD Exhaust System

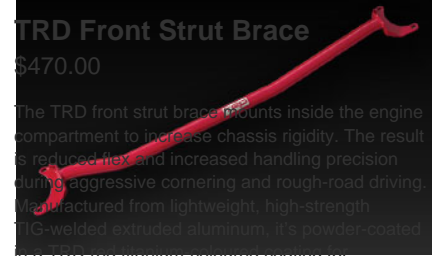

\$794.00

Helping to deliver a measurable increase in performance, this TRD exhaust system for the iC boosts horsepower while providing a deeper and more resonant engine sound that enhances both the presence and appearance of the vehicle. Constructed entirely of stainless steel, the TRD Sport Manner has a high polished finish, with a double-walled, wide-diameter slant cut exhaust tip and rolled edge.

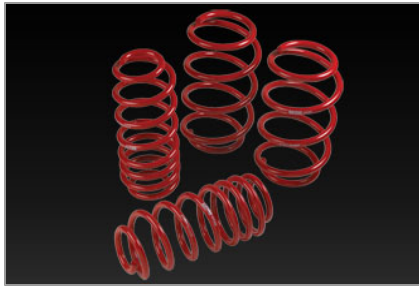

TRD Front Strut Brace

\$470.00

The TRD front strut brace mounts inside the engine compartment to increase chassis rigidity. The result is reduced flex and increased handling precision during aggressive cornering and rough-road driving. Manufactured from lightweight, high-strength TIG-welded extruded aluminum, it's powder-coated in a TRD Red titanium colored coating for maximum protection and durability, and features a bold TRD logo on a brushed aluminum plate.

For calculation purposes, all accessory pricing includes installation (if required). However, because the cost of doing business varies, the installation portion of the price may not be the exact cost of installation at a dealership. Please confirm accessory pricing with your Scion or Toyota dealership.

TRD Lowering Springs

\$1,188.00

TRD lowering springs lower the tC's centre of gravity by 1.2" front and rear, enhancing the vehicle's on-road performance through quicker turn-in, enhanced steering response and improved cornering ability. Featuring TRD's durable bold red powder coat finish for superior corrosion resistance, the lowering springs have been rigorously tested and engineered to help ensure against rattles, clunking or rubbing—even when pushed to the limit. Installation includes wheel alignment.

TRD Oil Filter

\$124.97

TRD High Performance Oil Filters incorporate state-of-the-art design and materials offering superior protection.

TRD Quickshifter

\$270.99

The TRD quick-shifter delivers shifting that's faster and more positive, courtesy of repositioned pivot points that provide up to a 30-percent shorter shift throw and a sportier, more responsive feel. High-quality construction features an impressively high strength-to-weight ratio, making it the perfect accessory for high-performance driving.

TRD Screw on Oil Cap

\$77.00

Manufactured from forged, highly polished billet aluminum, the TRD oil cap features a red on black TRD logo to customize the engine compartment with a high-tech, race-ready appearance. It's finished with a high-lustre coating to maintain appearance for years to come.

TRD 19" Alloy Wheel
