**WE'RE LEADING THE INDUSTRY INTO
UNCHARTED WATERS — AND WE'RE DOING
SO BECAUSE IT'S THE RIGHT THING TO DO.**

— Dave Watson, General Motors Canada, Director - Fleet Sales

OUR VISION

At General Motors, we envision a world of zero crashes,
zero emissions and zero congestion

OUR PROMISE

Our goal is to provide great products and services, an exceptional
customer experience and the innovative business solutions you need

U.S. models shown with optional equipment.

GENERAL MOTORS FLEET

AIMING FOR A BETTER TOMORROW

In my 18 years with General Motors, I've never been more proud of my company. As we started a new decade, I was proud of our vision and the leadership role we had taken in defining the next age of transportation. Now, General Motors is leading in a whole new way.

At the onset of the COVID-19 pandemic, we took immediate action in the United States to produce ventilators for medical facilities caring for critically ill coronavirus patients. In Canada, we dedicated a portion of our Oshawa plant to produce critically needed face masks for the frontline healthcare professionals and other Canadians.

As we work together to rebuild and recover where possible from the aftereffects of the pandemic, General Motors will continue to lead and provide assistance wherever possible. We'll also continue to aim toward our vision, which is crystal clear — a world with zero crashes, zero emissions and zero congestion.

Sure, it's aspirational but it's what drives everyone at General Motors. We have the energy, passion and confidence to not only transform our company, but to help create a world that's better for everyone.

I don't want my son to look at me someday and ask, "Why didn't your company do something about the pollution in the air, the congestion in our cities or the vehicle crashes that take so many lives?" Our vision is to help with these. I want him to inherit a world that is better than today's, and I'm proud that my company isn't waiting for someone else to drive the change. We're leading the industry into uncharted waters and we're doing so because it's the right thing to do.

As the industry evolves, your business and fleet vehicles will need to evolve as well. We, at General Motors Fleet, want to be with you on this journey. Our promise to you is to provide great products and services, an exceptional customer experience and the innovative business solutions you need to keep your business moving forward.

Our large team of dedicated fleet professionals is here to help your business prosper. We're ready to help get your business back up and running — and we'll be there to help transform your fleet as the industry progresses forward.

You're important to us and we want to earn your business! As you make plans to refresh your fleet this year, we hope you'll consider us, the Fleet team at General Motors.

Sincerely,

DAVE WATSON
Director - Fleet Sales
General Motors Canada

GM'S VISION

ZERO CRASHES

A WORLD WHERE PEOPLE LIVE
MORE MEANINGFUL LIVES

ZERO EMISSIONS

A WORLD WHERE THE
FUTURE IS ALL ELECTRIC

ZERO CONGESTION

A WORLD WHERE WE WILL TRAVEL MORE
SMOOTHLY AND QUICKLY TO OUR DESTINATIONS

THE FUTURE IS NOW

General Motors is committed to helping reduce costs and downtime for fleets. We have a lot of exciting news to come — and our product announcements will build on the technology we’ve worked hard to advance since launching the Chevrolet Bolt EV.

- The 2020 Chevrolet Bolt EV offers up to 417 km (259 miles) of electric range on a full charge¹ to help keep your business moving

LEADING THE CHARGE

GM’s new Ultium batteries will be unique in the industry because the large-scale, high-energy cells can be stacked vertically or horizontally inside the battery pack.

- Ultium-powered EVs are designed for Level 2 and DC fast charging
- Our truck platform is planned to have 800-volt battery packs and 350 kW fast-charging capability²

ALL-NEW MODULAR ARCHITECTURE

Globally, General Motors will introduce new EVs starting this year based on its highly flexible, third-generation global EV platform.

- The same platform and propulsion system can power work trucks, affordable transportation, luxury vehicles and high-performance machines
- The Cruise Origin — an electric and autonomous vehicle under development from GM’s self-driving car subsidiary — will be built on the new EV platform

“OUR TEAM ACCEPTED THE CHALLENGE TO TRANSFORM PRODUCT DEVELOPMENT
AT GM AND POSITION OUR COMPANY FOR AN ALL-ELECTRIC FUTURE.”
— Mary Barra, GM chairman and CEO

TRUCKS BUILT TO DELIVER

General Motors Fleet trucks have the capabilities that can turn the biggest jobs into small ones. With smart features and helpful engineering and design elements, our trucks have what it takes to help keep your business moving.

EFFICIENT MIDSIZE PICKUPS

The 2021 Chevrolet Colorado and GMC Canyon each offer an impressive, available 7,700-lbs. [3493 kg] max. trailering capacity³ and three engine options to help you get the job done.

2

BOX LENGTHS

5'2" / 6'2" [1575 mm / 1880 mm]

CAPABLE LIGHT-DUTY TRUCKS

There's no one tool that's right for every job. That's why the 2021 Chevrolet Silverado 1500 and GMC Sierra 1500 offer six engine options, along with our most functional bed⁴. Choose the right combination of power and efficiency for your needs.

TECHNOLOGIES THAT CAN HELP REDUCE RISK

Protecting your fleet is as important to us as it is to you. That's why our lineup offers available safety and driver assistance technologies that can help drivers prevent collisions.

Many of our available active safety and driver assistance technologies have been shown to make a statistically significant impact in helping to reduce crashes, according to a recent study conducted in 10 U.S. states by the University of Michigan Transportation Research Institute (UMTRI) in partnership with GM. Learn more about the study and its results at gm.com/safetystudy.

SEE IT

AVAILABLE FEATURES THAT CAN HELP PROVIDE VIEWS AROUND THE VEHICLE

SENSE IT

AVAILABLE FEATURES THAT CAN WARN WHEN POTENTIAL DANGERS ARE DETECTED

HELP PREVENT IT

AVAILABLE FEATURES THAT CAN HELP ALERT AND ASSIST ON THE ROAD

OnStar® is available to help your drivers in the event of an emergency⁸

AUTOMATIC EMERGENCY BRAKING

Available Automatic Emergency Braking works with Forward Collision Alert to help the driver avoid or reduce the severity of a front-end collision with a detected vehicle the driver is following. This feature works at speeds below 80 kmh. Camera technology is used to automatically provide hard emergency braking or enhance the driver's hard braking.

REAR PARK ASSIST

When driving in Reverse at low speeds, available Rear Park Assist can provide distance alerts to nearby detected objects behind the vehicle to help the driver park and avoid them.

REAR CROSS TRAFFIC ALERT

When in Reverse, available Rear Cross Traffic Alert can provide alerts to help the driver potentially avoid crashing into approaching detected left- or right-traveling cross traffic (e.g., out of a crowded parking space or driveway with side obstructions).

LANE CHANGE ALERT WITH SIDE BLIND ZONE ALERT

Available Lane Change Alert with Side Blind Zone Alert can provide side-mirror visual alerts when a detected moving vehicle is quickly approaching or is in the driver's side blind zone. It can help a driver avoid lane change collisions.

Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect performance. Read the vehicle's Owner's Manual for important feature limitations and information.

ONSTAR SAFETY AND CONNECTED SERVICES

You need your vehicles to arrive, your assets secure and your people safe. OnStar Business Solutions³⁸ has Advisors standing by 24/7 to help your drivers in the event of a crash, theft or even a medical emergency. OnStar Safety & Security⁸ includes services you need to keep your drivers safe and vehicles moving on the road. The Assurance⁴¹ package caters to fleet managers who focus on the essentials. And Driver Remote Access³⁹ puts the power of the key fob⁴⁰ on your phone.

U.S. models with optional equipment shown.

ONSTAR VEHICLE INSIGHTS™

OnStar Vehicle Insights³⁷ keeps your finger on the pulse of daily operations and gives you the foresight to make better, more informed decisions. Optimize productivity with driver management tools, gain insights with meaningful data and maximize your efficiency from the big picture down to individual vehicles in your fleet.

API & DATA SERVICES

There is no-one-size-fits-all solution for your business. We've joined with Telematics Service Providers and Fleet Management Companies to provide available API & Data Services. Plus, OnStar Vehicle Insights is available on select properly equipped 2015 model year and newer GM models, with no additional hardware required, it is ready to be activated by the account holder.

WI-FI® CONNECTIVITY

Turn your vehicles into mobile offices that help keep workers connected and productive almost anywhere the job takes them. Connect up to 7 devices at once and maintain those connections up to 15 metres¹⁰ from the vehicle with an available built-in 4G LTE Wi-Fi® Hotspot¹⁰ (data plan required).

READY TO WORK

When it's time to get the job done, General Motors Fleet is there with the accessories you need. Whether it's protecting and organizing your cargo, or simply making your vehicles more accessible, we've got you covered.

ACCESSORIES

LEARN MORE AT
gmfleet.ca/gm-accessories.html

Most GM-approved accessories marketed and sold by General Motors of Canada Company ("GM Canada") that are permanently installed by an authorized Canadian GM dealer ("GM Dealer") on a new GM vehicle prior to delivery will be covered under the provisions of the Base Warranty Coverage of the New Vehicle Limited Warranty provided by GM Canada to eligible purchasers. In the event an approved GM accessory is sold and installed by a GM dealer on a GM vehicle during the Base Warranty Coverage period after the GM vehicle has been delivered by the GM dealer; or is replaced by the GM dealer on a GM vehicle under the Base Warranty, it will be covered (parts and labour) for the balance of the applicable portion of the Base Warranty Coverage period, or for 12 months from the date of installation or replacement, whichever is later. GM-approved accessories sold after the expiration of the GM vehicle's Base Warranty Coverage but not installed by the GM dealer, will receive a GM Canada Accessory Warranty (parts only) for 12 months from the date of purchase. GM-approved accessories sold and installed by the GM dealer after the expiration of the GM vehicle's Base Warranty Coverage, will receive a GM Canada Accessory Warranty (parts and labour) for 12 months from the date of purchase. The aforementioned coverage periods provide coverage for defects due to materials or workmanship in the assembly of the GM-approved accessories component. Conditions and limitations apply. See your Warranty Booklet for details. GM Licensed and Integrated Business Partner (IBP) Accessories ("Associated Accessories") are covered under the accessory-specific manufacturer's warranty and are not warranted by GM Canada or its dealers. See your dealer for details.

RESOURCES

CAPABILITY AT YOUR COMMAND

Redesigned with a bold grille and a tailgate stamped with the Chevrolet name, the new 2021 Colorado is packed with features to help your crew work hard.

AVAILABLE TURBO-DIESEL

The available 2.8L Duramax® Turbo-Diesel engine offers your fleet an alternative fuel option. Plus, there's up to 7,700-lbs. [3493 kg] max. towing capacity³ (when properly equipped) and 369 lb.-ft. [500 Nm] of torque to help handle big hauling jobs.

READY TO WORK

Colorado is built for utility and ideal for fleet needs. Its size and quiet cabin, combined with all the functionality of its bed and a rear-seat delete option that offers additional lockable cargo space, make this midsize truck the perfect choice for a wide variety of vocations.

U.S. model shown with optional equipment.

AVAILABLE

1,550 LBS. [703 kg]

Max. Payload²⁸

COLORADO IS THE MIDSIZE TRUCK WITH MORE THAN ENOUGH CAPABILITY. PUT IT TO WORK FOR YOUR FLEET

THE TRUCK FLEETS WANT

Fleets across the country have come to depend on the Silverado 1500. For the 2021 model year, it offers new capabilities to help get the job done.

FLEET-FOCUSED PACKAGES

Silverado 1500 offers three fleet-specific packages — the Work Truck 2.7L Fleet Package, WT Fleet Convenience Package and the Fleet Comfort Package — so you can equip your truck with features that matter most.

NEW SAFETY ESSENTIALS PACKAGE

Give your drivers added confidence with the new Safety Essentials Package, which includes Automatic Emergency Braking¹², Forward Collision Alert¹², Front Pedestrian Braking¹² and more. Available on Work Truck, Custom and Custom Trail Boss models.

U.S. model shown with optional equipment.

CAPABILITY THAT GETS THE JOB DONE

If power, capability and versatility are what you need, then the 2021 GMC Sierra 1500 is what you want. It's the light-duty truck with all that your fleet requires, including impressive trailering capacity and helpful features.

FLEET-SPECIFIC PACKAGES

Equip Sierra 1500 for business needs with the 1SA 2.7L Fleet Package, Fleet Convenience Package or Fleet Comfort Package.

NEW SAFETY ESSENTIALS PACKAGE

Give your drivers the added confidence of Automatic Emergency Braking¹², Forward Collision Alert¹² and Front Pedestrian Braking¹² with the new Safety Essentials Package. Cruise control, steering wheel-mounted audio controls and a Driver Information Centre are also included.

AVAILABLE MULTIPRO™ TAILGATE

This tailgate takes innovation to the next level, with six distinct functions that let you load, unload and access the cargo box quicker and easier.

READY TO WORK

The 2021 Sierra Heavy Duty is designed to stand up to the toughest jobs, with advanced trailering technologies and other options that help take that capability even further.

TWO FLEET-SPECIFIC PACKAGES

The available Fleet Convenience Package and Fleet Comfort Package were designed with your business in mind. They offer features like a 10-way power driver seat and an EZ-Lift Power Lock and Release Tailgate to help keep drivers both comfortable and productive.

NEW AVAILABLE SAFETY ESSENTIALS PACKAGE

Give your drivers the added confidence of Automatic Emergency Braking¹² and Forward Collision Alert¹² with the available new Safety Essentials Package. Cruise control, steering wheel-mounted audio controls and a Driver Information Centre are also included.

2020 GMC Sierra 3500 Heavy Duty SLE Regular Cab Long Box DRW shown.

BUILT FOR TOWING

The Sierra Heavy Duty's available Gooseneck/Fifth-Wheel Prep Package offers a factory-installed hitch platform that's installed while the truck itself is being manufactured, eliminating the time-consuming aftermarket installation process.

WARRANTY FOR ELIGIBLE FLEET CUSTOMERS

COVERED AND COMPREHENSIVE

CHEVROLET AND GMC BRAND VEHICLES

Coverages described herein are applicable only to qualified fleet customers who have taken delivery of a new, eligible Chevrolet or GMC brand vehicle in Canada.

3-YEAR or 60,000-KM¹
TRANSFERABLE BASE WARRANTY COVERAGE²

+

5-YEAR or 160,000-KM¹
TRANSFERABLE POWERTRAIN COMPONENT WARRANTY COVERAGE^{2,3}

In addition to the 3-year/60,000-km¹ base warranty coverage, 2021 model year Fleet (rental deliveries excluded) Chevrolet and GMC passenger cars, light-duty trucks or vans come with a 5-year/160,000-km^{1,3} (provided to qualified fleet customers who have taken delivery of a new eligible Chevrolet or GMC brand vehicle in Canada) Powertrain Component Warranty³ that:

- ☐ has a \$0 deductible
- ☐ is transferable² to another owner at no charge

1 Whichever comes first. Coverage begins on the date the vehicle is delivered and ends at the expiration of the applicable coverage period ("Coverage Period"). Your vehicle's Warranty Booklet contains conditions, limitations, restrictions and exclusions and coverage periods pertaining to the warranties and the Owner's Manual contains important information which may impact you maintaining your warranties. See your Warranty Booklet and Owner's Manual for details.

2 The coverages and benefits provided under General Motors of Canada Company's New Vehicle Limited Warranty are transferable at no cost to any subsequent person(s) who assumes ownership of the vehicle within an applicable Coverage Period.

3 Certain new eligible Model Year 2021 Chevrolet or GMC Brand vehicles delivered to qualified Commercial Fleet and/or Government Fleet customers in Canada receive a 5-year or 160,000-km, whichever comes first, Powertrain Component Warranty. General Motors of Canada Company provides a 5-year or 100,000-km, whichever comes first, Powertrain Component Warranty on all new Model Year 2021 Chevrolet and GMC brand vehicles sold in Canada; except that new Model Year 2021 Chevrolet or GMC Brand 2500/3500 Series Heavy Duty pickup trucks equipped with 6.6L Duramax Turbo-Diesel engine sold new in Canada receive a 5-year or 160,000-km, whichever comes first, Powertrain Component Warranty.

IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES:

Installations or alterations to the Original Equipment (OE) vehicle or chassis as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer, or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems, or assemblies installed by GM. GM is not responsible for the safety or quality of design, features, materials, or workmanship of any alterations by such suppliers.

BUICK AND CADILLAC BRAND VEHICLES

4-YEAR or 80,000-KM¹
TRANSFERABLE BASE WARRANTY COVERAGE²

+

6-YEAR or 110,000-KM¹
TRANSFERABLE POWERTRAIN COMPONENT WARRANTY COVERAGE²

In addition to the 4-year/80,000-km¹ base warranty coverage, 2021 model year Cadillac and Buick cars and SUVs come with a 6-year/110,000-km¹ Powertrain Component Warranty that:

- ☐ has a \$0 deductible
- ☐ is transferable² to another owner at no charge

1 Whichever comes first. Coverage begins on the date the vehicle is delivered and ends at the expiration of the applicable coverage period ("Coverage Period"). Your vehicle's Warranty Booklet contains conditions, limitations, restrictions and exclusions and coverage periods pertaining to the warranties and the Owner's Manual contains important information which may impact you maintaining your warranties. See your Warranty Booklet and Owner's Manual for details.

2 The coverages and benefits provided under General Motors of Canada Company's New Vehicle Limited Warranty are transferable at no cost to any subsequent person(s) who assumes ownership of the vehicle within an applicable Coverage Period.

IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES:

Installations or alterations to the Original Equipment (OE) vehicle or chassis as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer, or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems, or assemblies installed by GM. GM is not responsible for the safety or quality of design, features, materials, or workmanship of any alterations by such suppliers.

FLEET ACCOUNT NUMBERS

A. DETERMINE IF A PROSPECT IS QUALIFIED:

Fleet Account Numbers are assigned to qualified fleet companies in Canada upon application to General Motors of Canada Company ("GM") through the Global Fleet Sales System (GFSS).

Enrollment Terms and Conditions

A "Qualified Fleet Customer" is defined as:

- A business organization that maintains a minimum of five (5) vehicles licenced and registered in the company and/or owner/operator name and used for business purposes, or
- Business organization that, after its present acquisition, will maintain five (5) or more vehicles licenced and registered in the company and/or owner/operator name and used for business purposes, or
- Business organization that places an order for or purchases three (3) or more new GM vehicles at one time for business purposes; supporting documentation must be retained by the Dealer and made available to GM Canada upon request
- Government/Government Regulated Utilities/Public Schools/Medical Hospitals — no existing Fleet or minimum number of orders at one time is required

New motor vehicles ordered under fleet must be delivered to a Qualified Fleet Customer. In addition, vehicles must be registered and kept in fleet service in Canada by the first Qualified Fleet Customer for a minimum of six (6) months and 12,000 km from the date of delivery.

By executing the Enrollment Form, the Fleet Customer certifies and agrees that no motor vehicles will be purchased or leased, directly or indirectly, for export, sale or use outside of Canada (excluding use related to occasional business and/or personal travel) and no such sale, use or export will occur. Fleet Customer also agrees that it will not induce, by any means, any Dealer to breach the export and/or resale terms of their Dealer

Agreement with GM Canada or any of the terms of this agreement, and acknowledges that it will be responsible in damages to GM Canada and its affiliates for any such interference with the contractual terms between GM Canada and a Dealer or any breach of this agreement.

Violation of this policy by a Dealer or a Qualified Fleet Customer will result in a chargeback to the Dealer or Qualified Fleet Customer, and may include Dealer or Qualified Fleet Customer (or both) being disqualified from further participation in fleet programs. In the event of such a chargeback to the Dealer, the Qualified Fleet Customer agrees to reimburse the Dealer.

Additional Customer eligibility requirements for specific fleet programs, as issued by GM Canada to its Dealers from time to time, will be made available to Qualified Fleet Customers by the selling Dealer as required. The Qualified Fleet Customer further agrees to provide, upon request by GM Canada or the selling Dealer, access to original business records confirming that vehicles were registered, used and transferred only in accordance with GM Canada program requirements.

In the event (1) a Qualified Fleet Customer orders new motor vehicles from a Dealer and identifies them as fleet units eligible for GM Canada Fleet programs, and (2) the vehicles are not used by Qualified Fleet Customer in accordance with program requirements, GM Canada will take appropriate action, which may include the disqualification of the Qualified Fleet Customer and/or Dealer from future participation in fleet programs, and the issuance of a chargeback against the Dealer and the Qualified Fleet Customer for any special allowances, incentives, special option packages or other promotional programs which GM Canada paid or credited to the Dealer or identified Qualified Fleet Customer as a result of inaccurate representations. In the event of such a chargeback to the Dealer, the Qualified Fleet Customer agrees to reimburse the Dealer.

B. IF A PROSPECT IS QUALIFIED:

A General Motors Dealer is required to submit an enrollment application through GM Global Connect. The enrollment application can be found on the GM Global FANs website. The following information is required:

1. Name of Business
2. Both physical and mailing addresses (if different)
3. Phone number
4. E-mail address
5. Fleet Composition

Upon completion of the enrollment application on the website, Dealer will submit this document electronically. Upon processing, a General Motors FAN will be issued and the requesting Dealer will be advised of the FAN via e-mail.

All supporting documentation of the prospect's fleet eligibility must be retained at the dealership submitting the enrollment application.

IMPORTANT

Information contained in this reference guide is intended to be a quick reference digest only. In no way does it supersede program Dealer letters or guidelines. To assure accuracy, check official documents before placing any orders. Specific questions or requests for assistance should be addressed to GM Fleet Action Centre.

2020

BUSINESS CHOICE PROGRAM²

OPTION 1	OPTION 2	OPTION 3	OPTION 4
COMMERCIAL UPFIT ¹ CASH CREDIT: UP TO \$700 UPFIT CASH ³	OR UP TO \$750 IN DEALER ACCESSORIES CASH ³	OR \$500 CASH INCENTIVE ³	OR 3-YEAR COMPLIMENTARY SUBSCRIPTION ⁴ OF THE CHEVROLET OR GMC REMOTE ACCESS ⁵ + ONSTAR [®] SAFETY & SECURITY PLAN ⁶ , VALUE OF UP TO \$1,250 (REQUIRES PURCHASE OF ADDITIONAL EQUIPMENT ON CERTAIN MODELS ⁷)

For program details, visit gmbusinesschoice.ca

1 IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES: Installations or alterations to the original-equipment vehicle or chassis as distributed by General Motors are not covered by the General Motors New-Vehicle Limited Warranty. The special body company, assembler, equipment installer, or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems, or assemblies installed by GM. GM is not responsible for the safety or quality of design, features, materials, or workmanship of any alterations by such suppliers.

2 Business Choice offers available for eligible companies with an active FAN or business number valid with the purchase or lease of eligible new or demonstrator Chevrolet or GMC vehicles at participating Dealers delivered in Canada between September 19, 2019, and December 31, 2020. Four distinct options available. One per vehicle may be selected. Contact your local Chevrolet or GMC Dealer for full program details and eligibility on all four Business Choice options. Business Choice offers may not be redeemed for cash and may not be combined with certain other consumer incentives. Limitations and conditions apply. Void where prohibited. GM Canada reserves the right to amend or terminate offers for any reason in whole or in part at any time without prior notice. **3** Models eligible for Option 1, 2 or 3, are 2019MY, 2020MY and 2021MY: Chevrolet Colorado (excl. 2SA), Chevrolet Express, Chevrolet Silverado 1500, Chevrolet Silverado 2500, Chevrolet Silverado 3500, GMC Canyon (excl. 2SA), GMC Savana, GMC Sierra 1500, GMC Sierra 2500 and GMC Sierra 3500. As part of the transaction, dealer may request documentation to verify eligibility. \$700 Commercial upfit cash credit/\$750 Dealer Accessories Cash/\$500 Cash Incentive are manufacturer-to-consumer incentive (tax inclusive, applicable toward parts and labour/parts (excluding replacement parts) and labour/a vehicle purchase). **4** A 3-year complimentary non-refundable and non-transferable subscription to OnStar Remote Access Plan bundled with a 3-year non-refundable and non-transferable subscription to OnStar Safety and Security Plan provided at no additional charge. Value of up to \$1,250 is based on a regular monthly subscription bundled price of \$34.99 for the Plans for three years. Models eligible for Option 4 are 2019MY, 2020MY and 2021MY Chevrolet Colorado (excl. 2SA), Chevrolet Express, Chevrolet Silverado 1500, Chevrolet Silverado 2500, Chevrolet Silverado 3500, and GMC Canyon (excl. 2SA), GMC Savana, GMC Sierra 1500, GMC Sierra 2500 and GMC Sierra 3500. **5** Services and capabilities may vary by model and/or vehicle configuration. Smart Driver is not available for MY2014 and older vehicles. Remote Personalization is not available on MY2016 and older vehicles; requires properly equipped vehicle with compatible hardware and a paid data plan. Diagnostic capabilities do not cover all vehicle conditions; requires email address on file and enrollment in Vehicle Diagnostics to receive alerts; additional message and data rates may apply. Tire Pressure Monitoring System required (excludes spare). Does not include emergency or security services. Vehicle Locate is designed to locate compatible connected vehicles and capabilities vary by model and/or vehicle configuration and mobile device; available in U.S., Canada and Mexico only. Remote Key Fob enables services such as remote start (requires GM factory-installed and enabled remote start system), door lock/unlock (requires automatic locks) as well as lights and horn activation. Send-to-Vehicle Navigation requires a GM factory-installed navigation system to send directions to the vehicle. Amazon Alexa and Google Assistant can interact with properly equipped GM vehicles in the U.S. and Canada in U.S. English; some commands are not supported on some vehicles; requires an Internet connection. Some services require access to the mobile app; available on select Apple and Android devices. Services are subject to user terms and limitations. Visit onstar.ca for more details. **6** Requires vehicle electrical system (including battery), wireless service and GPS satellite signal to be available and operating for features to function properly. Services are subject to user terms and limitations and vary by model and/or vehicle configuration. Not all vehicles may transmit all crash data. OnStar acts as a link to existing emergency service providers; OnStar Emergency Advisors are certified by the International Academies of Emergency Dispatch. Roadside service provided by Allstate Roadside Services, and limitations and restrictions apply. Stolen Vehicle Assistance requires armed factory-installed theft-deterrent system and selection of notification communication preference(s); these services are intended to assist with vehicle recovery and do not prevent theft or protect against damage or loss; additional messaging and data rates may apply. Visit onstar.ca for more details. **7** The following models will require the purchase of the additional factory-installed OnStar equipment (option UE1): Chevrolet Colorado 2WT and 4WT, GMC Canyon 2VL and 4VL, Chevrolet Silverado 1WT, 1CX, 2CX, GMC Sierra 1SA. Terms and limitations apply. See onstar.ca or dealer for details.

GENERAL MOTORS FLEET COMMERCIAL SOUNDING BOARD

The mission of the GM Commercial Sounding Board (CSB) Management is to create a forum for Commercial Fleet Professionals and General Motors Fleet management to candidly discuss all issues of importance to the entire fleet industry. The CSB welcomes your ideas to improve the way General Motors Fleet does business with you. Please submit your ideas via e-mail to the CSB member nearest your location. Your questions and concerns will be sent directly to GM. For general fleet questions, please call the General Motors Fleet Action Centre at 1-800-FleetOp (1-800-353-3867).

ABOUT THIS GUIDE

THIS MATERIAL IS NOT INTENDED FOR, OR APPROVED FOR USE IN, ADVERTISING

Some of the equipment shown or described throughout this guide may be available at extra cost, and/or supplied by an independent supplier. We have tried to make this guide comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this guide and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests.

Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your GM Dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on the latest available competitive information. Excludes other GM vehicles.

GM vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce GM vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

See your local General Motors Fleet Account Manager or Dealer Fleet/Commercial Sales Manager, or go to fleet.gm.ca for up-to-date information.

COPYRIGHT AND TRADEMARK

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES

Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials, or workmanship of any alterations by such suppliers.

LEGAL DISCLOSURES

1. 2020 Bolt EV Fuel consumption estimates based on GM testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual range will vary based on several factors, including temperature, terrain, battery age and how you use and maintain your vehicle.
2. Charging speed depends on charger capability.
3. When properly equipped. Available engine or equipment may be required. See dealer for required specifications. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. See dealer for details.
4. Class is half-ton full-size pickups. Excludes other GM vehicles.
5. The coverages and benefits provided under General Motors of Canada Company's New Vehicle Limited Warranty are transferable at no cost to any subsequent person(s) who assumes ownership of the vehicle within an applicable Coverage Period.
6. For Chevrolet and GMC, powertrain components are covered for 5 years or 100,000 kilometres, whichever comes first, except that certain vehicles sold as Commercial Fleet and/or Government Fleet vehicles and vehicles factory equipped with 6.6L Duramax Turbo-Diesel engine or equipped with a 3.0L Duramax Turbo-Diesel engine, are covered for 5 years or 160,000 kilometres, whichever comes first. For Buick, the powertrain components are covered for 6 years or 110,000 kilometres, whichever comes first.
7. IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES: Installations or alterations to the original-equipment vehicle or chassis as distributed by General Motors are not covered by the General Motors New-Vehicle Limited Warranty. The special body company, assembler, equipment installer, or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems, or assemblies installed by GM. GM is not responsible for the safety or quality of design, features, materials, or workmanship of any alterations by such suppliers.
8. OnStar links to emergency services. Not all vehicles may transmit all crash data. Advisors certified by the International Academies of Emergency Dispatch®. See OnStar.ca/BusinessSolutions for details and limitations.
9. Cargo and load capacity limited by weight and distribution.
10. Service varies with conditions and location. The vehicle must be ON or Accessory power must be active to use the Wi-Fi Hotspot. Requires active service plan that includes data or paid data plan from AT&T or its local service provider.
11. Premium paint; additional cost.
12. Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect performance. Read the vehicle's Owner's Manual for important feature limitations and information.
13. Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. Apple CarPlay is a trademark of Apple Inc. Siri, iPhone and Apple Music are trademarks of Apple Inc., registered in the U.S. and other countries.
14. Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android™ 5.0 or higher. Data plan rates apply. Android Auto is a trademark of Google LLC.
15. Go to my.gm.ca to find out which phones are compatible with the vehicle.
16. Functionality varies by model. Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. Data plan rates may apply.
17. Not compatible with all devices.
18. New properly equipped 2019, 2020 and 2021 fleet vehicles are eligible for 3 months of Connected Services trial and OnStar Safety & Security coverage starting at trial activation date; includes emergency and navigation services, Connected Navigation (available on select vehicles), the Remote Access Plan, plus a 3 GB or 1-month (whichever comes first) data plan trial. Services subject to user terms and limitations; capabilities vary by model and/or vehicle configuration; visit onstar.ca for details. Data plans offered by AT&T or its local service provider. Availability subject to change. GM Canada may modify, extend or terminate offers for any reason, in whole or in part, at any time, without notice. Requires vehicle electrical system (including battery), wireless service and GPS satellite signal to be available and operating for features to function properly.
19. Available in 10 Canadian provinces, 3 territories and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-888-539-7474 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See the Customer Agreement for complete terms at siriusxm.ca/terms. ©2020 Sirius XM Canada Inc. "SiriusXM," the SiriusXM logo, channel names and logos are trademarks of Sirius XM Radio Inc. and are used under license. SiriusXM Canada products, programming, services are subject to change.
20. Does not detect people or items. Always check rear seat before exiting vehicle.
21. At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas.
22. The system wirelessly charges one compatible mobile device. Some devices require an adaptor or back cover. See mychevrolet.ca for more information.
23. Even while using the Super Cruise driver assistance feature, always pay attention while driving and do not use a handheld device. Visit cadillacsupercruise.ca for compatible highways and more information. Requires properly equipped vehicle, active Super Cruise subscription, working electrical system, cell reception and GPS signal.
24. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to mychevrolet.ca/learn/tires or see your dealer.
25. Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to mychevrolet.ca/learn/tires or see your dealer.

LEGAL DISCLOSURES (CONT.)

- 26. Whichever comes first. Coverage begins on the date the vehicle is delivered and ends at the expiration of the applicable coverage period ("Coverage Period"). Your vehicle's Warranty Booklet contains conditions, limitations, restrictions and exclusions and coverage periods pertaining to the warranties and the Owner's Manual contains important information which may impact you maintaining your warranties. See your Warranty Booklet and Owner's Manual for details.
- 27. Regenerative braking performance may be limited when the battery is cold or near full charge.
- 28. These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver's door jamb.
- 29. Maximum Gross Vehicle Weight Rating (GVWR). When properly equipped; includes weight of vehicle, passengers, cargo and equipment.
- 30. Maximum Gross Combined Weight Rating (GCWR). When properly equipped; includes weight of the vehicle and trailering combination, including the weight of driver, passengers, fuel, optional equipment and cargo in the vehicle and trailer.
- 31. Requires (Z82) Trailering Package.
- 32. Maximum gooseneck trailering capability.
- 33. Front recovery hooks are for vehicle recovery only. To avoid the risk of injury, never use recovery hooks to tow a vehicle.
- 34. App functionality and features vary with vehicle equipment and trim level. Data connection may be required. Some features require active service plan and working electrical system. User terms and limitations apply.
- 35. Requires additional installation.
- 36. Gross Axle Weight Rating (GAWR) is the maximum allowable weight to be placed on the individual axle.
- 37. Terms apply. Available on select properly equipped 2015 model year and newer GM vehicles (excludes Volt, Low Cab Forward trucks and GM vehicles built without OnStar hardware, which includes, but is not limited to, select base Chevrolet and GMC trucks). Requires an active connected vehicle services plan. Fees, services and availability subject to change without notice. Applicable taxes not included. Does not include emergency or security services. Diagnostic capabilities vary by vehicle model. Not all issues will deliver alerts. Message and data rates may apply. See onstarvehicleinsights.ca for details and limitations.
- 38. OnStar is not available on Low Cab Forward trucks and GM vehicles built without OnStar hardware, which includes, but is not limited to, select base Chevrolet and GMC trucks. Select models require the purchase of additional factory-installed OnStar hardware (option UE1). Option UE1 must be selected before the vehicle is built. Requires a working vehicle electrical system (including battery), active service plan, cell reception and GPS satellite signal. Services, connectivity and capabilities vary by model and/or vehicle configuration, and conditions as well as geographical and technical restrictions, and are subject to user terms and limitations. GM Fleet Account Number required for service plans and offer eligibility. Visit onstar.ca for coverage maps, details and system limitations, or speak to your dealer for details.
- 39. Remote Access Plan does not include emergency or security services. See onstar.ca for details and limitations.
